Dear Ewelina Barski,

On behalf of the University Students' Council and the students of The University of Western Ontario, we would like to congratulate you on receiving a USC Teaching Honour Roll Certificate for the 2009-2010 academic year!

We are so proud to attend a university where outstanding undergraduate teaching is constantly recognized! Since the USC Teaching Awards began in 1995, we have distinguished hundreds of exceptional teachers and hope to continue for many years to come.

Based on information received from the course and teacher evaluations, this award is presented to the most outstanding teachers on campus. Professors that receive an accumulated average of 6.3 or higher out of 7 on the first 14 questions of the evaluations are recognized with an award from the University Students' Council on behalf of the students of Western.

Your students have recognized you as an exceptional teacher, and your contributions have helped The University of Western Ontario maintain high academic standards and its commitment to providing *Canada's best student experience*. Congratulations on your award, and thank-you for being a fantastic teacher!

Kind Regards,

Joshua Chan
2010-2011 Teaching Awards Commissioner
