

- Old exam questions are worked out in section notes for weeks 5-8 as exercises to the relevant topic. For example, all of the old SUR questions are in section 5 notes where SUR is presented. Asymptotics are included at the end of the section 8 notes.
- Good luck preparing for the exam! Don't hesitate to get in touch if you have any last minute questions or concerns about the material or exam.
- You should bring 1 blue book, and can use one sheet for notes. The exam starts at 10:10, not 10:40.
- Thanks for such a great experience as a teaching assistant! I really enjoyed discussing econometrics with you and getting to know the class better. Don't hesitate to stay in touch if you ever want to talk about the econometrics field, or the economic history or labor fields for that matter.
