YSLETA INDEPENDENT
SCHOOL DISTRICT

AUGUST 20, 2008

Welcome to the University of Texas at El Paso's Department of Music and the first **JOB ALIKE** symposium. UTEP and the Department of Music are working diligently to make significant changes within our community, nation and world. Providing any student a quality education is the primary goal of us all. Our faculty, like all of you, is dedicated to quality teaching through performance. Over 90% of our students are Music Education majors. This is a powerful message for all concerned. We believe in the future of education and the development of students through the study and performance of music. We hope this is apparent as you spend your morning with us today.

Please take a look around: the Department has many improvements! Several of the areas in which you will visit have been transformed in order to provide excellence in education. These new and improved spaces include the Digital Keyboard Lab, Commercial Music Lab, Band and Choir Rooms, Smart Classrooms with Multi-Media Capabilities, as well as the Faculty Conference Center. Our completely new lockers have boosted morale of the students and with the announcement of UTEP becoming an all Conn-Selmer school—a \$2.4 million dollar gift, renewed every two years for new instruments—it is an exciting time to be at UTEP's Department of Music. Please enjoy your **JOB ALIKE** experience!
