(*) SSRN does not provide rankings for per-paper measures for authors with less than 5 papers in the SSRN database. These measures are statistically unreliable when the denominator is small.

Please note: Authors: You can correct your affiliation and other personal information through [SSRN User Headquarters](#). If you see errors for other authors, please ask them to correct their personal information in the same manner. If you need to contact them, most authors have current email addresses included in the SSRN Professional Directory. If you see errors for others and cannot contact them, please click here to provide information about the error and what you believe the correct information to be.
