

CURRICULUM VITAE
Chantelle Anne Marie Richmond

ACADEMIC APPOINTMENTS

July 2008 – **Assistant Professor**, Department of Geography & First Nations Studies
The University of Western Ontario

EDUCATION

Postdoctoral Fellow, Dalla Lana School of Public Health, 2007-2008

- Public Health Sciences, University of Toronto (with Dr. T.K. Young)
- Geographic variations in social support across the Canadian Arctic

PhD, Geography, 2007

- Department of Geography, McGill University (with Dr. N.A. Ross)
- Doctoral thesis title: *Social Support, Material Circumstance and Health: Understanding the Links in Canada's Aboriginal Population.*

MA, Geography, 2003

- School of Geography & Geology, McMaster University (with Dr S.J. Elliott)
- Masters thesis title: *The Political Ecology of Health: Perceptions of Environment, Economy and Health among 'Namgis First Nation (Alert Bay, British Columbia).*

BA, Geography & Environmental Studies (Hons.), 2001

- School of Geography & Geology, McMaster University.

AWARDS & DISTINCTIONS

2010	CIHR New Investigator Award Five years, \$300,000
2009	University Student Council (USC) Teaching Honour Roll Certificate
2006	Dr. John Hastings Student Award, Canadian Public Health Association \$1,500 (2006)
2006	Best Student Paper Aboriginal Policy Research Conference, Ottawa. \$1,000 (2006)
2005	Outstanding Distinction, Comprehensive Exams: McGill University, Department of Geography
2002	Best poster presentation, AquaNet II, Moncton. \$500 (2002)

RESEARCH GRANTS

2013

1. *New Investigator Award: Research Allowance*, Canadian Institutes for Health Research. **\$44,573.65** (Received)

2011

1. *The Indigenous Health and Well-being Initiative*. The University of Western Ontario's

Interdisciplinary Initiatives. Role: Co-Principal Investigator with Jerry White, Co-investigators Debbie Rudman, Treena Orchard, Brent Debassige, Joy Parr, Isaac Luginaah, Susan Hill, Pauline Wakeham, Michael Heine, Lina Sunseri, Julia Emberly. **Three years, \$225,000.**

2. *First Nations Perceptions of the health impact of living near a solid waste facility.* Role: Nominated Principal Investigator, with Co-investigators Isaac Luginaah, Joy Parr, Jamie Baxter. **One year, \$25,000.**
3. *Unearthing and Communicating Health Implications and Possible Interventions for Aboriginal Communities Experiencing Mine Development.* Canadian Institutes of Health Research. Role: Principal Investigator. Nominated Principal Investigator: B. Bradshaw. Principal Investigators: C Janes, C Davison, S. de Leeuw, C Knotsch, D Bright, R. Seeteenak. **One year, \$100,000.**

2010

1. *Preserving local knowledge to protect health among Anishinabe communities on Northern Lake Superior.* Canadian Institutes of Health Research. Role: Nominated Principal Investigator, with Co-Investigators Jerry White, Isaac Luginaah. **Three years, \$218,453.**
2. *Indigenous Health Research Development Program.* Canadian Institutes of Health Research. Role: Principal Investigator. (Nominated PI: W. Warry, with PI's D Martin-Hill, T.K. Young, M. Maar, K. Jacklin, T. McCarthy). **Two years, \$970,000.**
3. *A Poverty Reduction Approach to Improving the Health and Well-being of First Nation Communities.* Canadian Institutes of Health Research. Role: Co-PI (with F. Wien, W. Charles, J. Hopkins, J. Loxley, D. Newhouse, L. Osberg, C. Reading, J. Reading). **Five years, \$2.5 million.**
4. *Regional Health Survey Chapter Writing, Assembly of First Nations. Measuring Self-rated Health and the Health Utility Index among First Nation Adults.* Role: Co-PI (with K. Wilson, M. Rosenberg & E. Crighton). **One year, \$21,000.**
5. *Learning with First Nations youth: Visions of education and work success.* Social Science and Humanities Research Council of Canada, Aboriginal Research Grant. Role: Co-PI (with D. Rudman). **One year, \$25,000.**

2009

1. Operating Grant: Priority Announcement in Knowledge Translation. Canadian Institutes of Health Research. *"Anishinabe narratives about health and environment: A participatory approach for preserving elder knowledge and promoting positive experiences for youth."* Role: PI. **One year, \$63,821.**
2. Research Grant. Health Canada: First Nations Source water protection Program. *"Matawa Source Water Protection."* PI: R. Stewart. **One year, \$31,000.**

2008

1. Academic Development Fund, New Research & Scholarly Initiatives Award Small Grant Competition. The University of Western Ontario. *"Exploring Access to Social Support in the School Environment Among Urban Aboriginal Youth in Ottawa, Ontario."* Role: PI. One year: **\$6,388**
2. Pilot Project Grant. Heart and Stroke Foundation of Ontario (2 years). *"The SOAHAC Food*

Choice Study.” Role PI. **Two years \$48, 950**

3. Development Grant. Canadian Institutes of Health Research. *“Throwing a lifeline: Aquatic-based injury & drowning prevention with Aboriginal communities in Northwestern Ontario.”* PI: Audrey Giles. **One year: \$10,000.**
4. Development Grant. Indigenous Health Research Development Program, funded by the Canadian Institutes of Health Research-Institute of Aboriginal People’s Health. *“Promoting Indigenous knowledge about Health and Environment Among First Nations Communities on Northern Lake Superior.”* Role: PI. **One year: \$10,000**
5. Research Contract. Indian and Northern Affairs Canada (Strategic Research and Analysis Directorate). *“Social support among Inuit women in Canada: The Influence of Employment and Geographic Isolation.”* Role: PI. **One year: \$15,000.**

2007

1. Canadian Institutes of Health Research Global Health Fellowship. *“Global environmental change & local social resources: Toward a narrative of 'health' for Australian and Canadian Indigenous Communities.”* **Three years: \$120,000** (Final two years of award deferred)
2. Research Contract. Statistics Canada (Health Analysis Measurement Group). *“The contribution of each stage of life to the gap in life expectancy between the Inuit and the general population.”* **\$5,000.**

2006

1. Doctoral Scholarship. Social Sciences & Humanities Research Council of Canada. **One year, \$17,500.**

2003

1. Graduate Scholarship. Indigenous Health Research Development Program, funded by the Canadian Institutes of Health Research-Institute of Aboriginal People’s Health **Three years, \$60,000.**

2005

1. Graduate Scholarship. Department of Geography, McGill University. **One year, \$12,000.**

2003

1. Funding Futures Scholarship. Foundation for the Advancement of Aboriginal Youth, Canadian Council for Aboriginal Business. **Two years, \$6,000.**
2. Doctoral Stipend. McGill University. **One Year, \$12,000.**

2001

1. Graduate Scholarship. McMaster University. **Two years, \$35,000.**

TEACHING

UWO - GEOG 9116: *Indigenous Health* (2008 /2009 / 2010/ 2012/ 2013)

UWO - GEOG 2411G/ FNS 2601G: *Indigenous Environments* (2008 /2009 / 2010/ 2012)

UWO - FNS 4011G: *Reading Course on Aboriginal Health in Canada* (2008)

McMaster University - Indigenous Health Research Development Program, Summer Institute Facilitator (2007)

STUDENT SUPERVISION (*Co-supervisor)

Trainee	Completed	In progress
Postdoctoral fellows	1	2
Doctoral students	1	3
Master's Students	5	1
Undergraduate students	3	0

IN PROGRESS:

1. **Michael Morrison*** – CIHR Postdoctoral Fellow, UWO Psychology “*A Psychosocial Approach to Fostering Improved Mental Health Among Aboriginal Canadians*”
2. **Hannah Tait Neufeld** – Banting Postdoctoral Fellow, UWO Geography “*A generational and historical exploration of traditional food practices and dietary change among First Nation communities in Southern Ontario*”
3. **Joshua Tobias*** - PhD Candidate, UWO Geography “*Preserving knowledge, Protecting Health: Participatory Action Research with Anishinabe Elders in The Great Lakes Region*”
4. **Cindy Graeme**, Ph.D. Student, UWO Geography. Thesis title: *To be Determined.*
5. **Fatih Sekerciogl**, Ph.D. Student, UWO Geography, Thesis title: *To be Determined.*
6. **Kyla English*** MSc. Student, UWO Health and Rehabilitation Sciences, Thesis title: *To be Determined.*

COMPLETED:

1. **Paul Mkandawire** - Postdoctoral Fellow, UWO Geography. *First Nations Perceptions of the health impact of living near a solid waste facility*
2. **Julie George*** – Ph.D. UWO Sociology. *IPV and the Social Determinants of Aboriginal Peoples' Health.*
3. **Colette Isaac** - MA Candidate. UWO Geography. *First Nation women's sense of place in the city: Implication for mental health* [Withdrawn from Program].
4. **Kassandra Kulmann** – MA. UWO Geography *Examining Anishinabe youth perceptions of health and the environment: A qualitative study.*
5. **Katie Big-Canoe** – MA. UWO Geography. *Preserving traditional knowledge to improve health: knowledge translation with Anishinabe youth and elders*
6. **Josh Tobias*** - MA. UWO Geography. *The Hepatitis B epidemic in Ghana's upper West: searching for policy alternatives.*
7. **Sara Finkelstein*** – MSc. UWO Health Sciences. *Exploring Formal Dementia Care in the Aboriginal Community from South-western Ontario: A Grounded Theory Study.*

8. **Danielle Tessaro** – Honours BA. UWO Geography *Health impacts of extractive resource industries on Indigenous communities in the Americas: A systematic review.*
9. **Robert Watson** – Honours BA. UWO Geography. *Socioeconomic status and food sources among First Nations in London, Ontario.*
10. **Lauren Coyle** – Honours BA. UWO Geography. *Exploring Access to Social Support in the School Environment Among Aboriginal Youth in Ottawa, Ontario: A Community Based Study.*

RESEARCH CONTRIBUTIONS (*Indicates Student)

Lifetime Summary:

Articles in Peer-Reviewed Journals: 16
 Contributions to a collective work and book chapters: 12
 Reports and Technical Writings: 4
 Documentary Films: 1
 Abstracts, Presentations at Professional Meetings: 23
 Invited talks & lectures: 34
 Submitted Manuscripts: 5
 Knowledge translation Activities: 18
