

Chiehwen Ed Hsu 許介文

Associate Professor of Public Health Informatics
UTSBMI/UTSPH, UTHealth
7000 Fannin St.
UTHealth School of Biomedical Informatics
University of Texas Health Science Center Houston
Suite 890 - Office and Lab
Houston, Texas 77030
United States

Phone: (713) 500-3969

Fax: (713) 500-3907

Email: chiehwen.e.hsu@uth.tmc.edu

Education:

B.Sc., Fujen Catholic University Medical College, Fujen Catholic University Medical College, Public Health, 1994

M.P.H., University of Texas Health Science Center at Houston, University of Texas Health Science Center at Houston, Health Services Organization, School of Public Health, 1997

M.S., University of Texas Health Science Center at Houston, University of Texas Health Science Center at Houston, Health Informatics, School of Biomedical Informatics, 2000

Ph.D., University of Texas Health Science Center at Houston, University of Texas Health Science Center at Houston, Health Management and Policy, School of Public Health, 2001

Professional Experience:

University of Texas Health Science Center at Houston, School of Biomedical Informatics, School of Public Health, SPH Center for Emergency Research, The Brown Foundation Institute of Molecular Medicine for the Prevention of Human Diseases, Public Health Informatics, Associate Professor
Appointed: 2008

University of Maryland University College, Undergraduate Division of Social and Natural Sciences, Graduate School of Management and Technology, Adjunct Associate Professor Appointed: 2008

University of Maryland College Park, School of Public Health, Health Services Administration, Adjunct Faculty Appointed: 2008

2004-2007, Assistant Professor, University of Maryland College Park, School of Public Health, Public Health Informatics

2001-2004, Assistant Professor, University of North Texas Health Science Center at Fort Worth, School of Public Health, Health Management and Policy

1998-2001, Research Assistant, University of Texas Health Science Center at Houston, School of Public Health, Center for Health Policy Studies

1997-1998, Associate Programmer Analyst, St. Luke's Hospital, Houston

1996, Legislative Aide, Taiwan Congress, Legislation Research and Legal Translation Services

1988-1990, Drill Sergeant, Basic and combat training, Artillery, Taiwan Army.

Expertise and Research Interests:

Our recent research focuses on the application of information technology, particularly the G.I.S. and spatial statistics, in the improvement of health surveillance systems and provision of solutions for health disparities. Our team completed several public health preparedness/health disparities projects funded by the federal, state, and county health agencies. I am currently involved in 5 research and educational projects ranging from HealthIT to evaluation of community based breast cancer screening and prevention program.

Funding Submitted or Received

Submitted NIH R01: Health Disparities Informatics Research of Texas (HDIROT), Submitted as PI, with City of Houston DH, from 2012 to 2015

Funded by Susan G. Komen Foundation through BPSOS. 04/01/2011 to 03/31/2012: Project Director. 5% Time. Evaluation of The Health Awareness and Promotion Project (HAPP): reducing breast health disparities, morbidity, and mortality among Vietnamese Women in Southeast Texas, from 2011 to 2012

Submitted U24. CDC: Center for Research and Integrated Study of Health Disparities (CRISHD), Co-I. Collaborated with City of Houston, from 2011

Submitted to CDC: TMC National Paralysis Resource Center (TMC-PRC), Submitted with Frieden/TIRR., from 2011

Submitted to CDC: Southeast Texas Emerging Infections Sentinel Network (STEISN), Co-Investigator Submitted with City of H, from 2011

U.S. Office of National Coordinator. 04/02/2010 to 06/30/2013: Investigator. 15% time.

Professional Master Degree of Health Informatics: Public Health Informatics and EMR., from 2010 to 2003

U.S. CDC subcontract through TX A&M SRPH: Investigator. 8% time. TECS- PERLC. UT Center for Emergency Research, from 2010 to 2014

Cancer Prevention Research Institute of Texas (CPRIT), State of Texas. 07/01/2010 to 06/17/2012: Mentoring faculty and Curriculum Coordinator. 5% time. Pre and postdoctoral training program in cancer research. Collaborated with UT School of Public Health. PI: Ness R., \$872,538.00, from 2010 to 2012

10% Time. U.S. Office of Nat'l Coordinator Health Info. 04/06/2010 to 04/05/2012: Texas Gulf Coast HITECH Extension. PI: Dunn K., \$5,826,239.00, from 2010 to 2012

Nana Prefecture, Japan (PI: Noriaki Aoki): Investigator. 10% Time. GIS project with Nana Prefecture, Japan, from 2009 to 2012

CDC: Investigator. 10% Time. UT Center for Public Health Preparedness and Response, SPH, from 2008 to 2010

Maryland Statewide Health Network Program, State of Maryland DHMH Through UMAB: PI. Spatial and Temporal Cluster Analysis of Colorectal and Breast Cancer Clusters in MD Counties, \$20,000, from 2007 to 2007

Montgomery County DHHS: Co-PI. Asian American Health Needs Assessment and Action Plan, \$100,000, from 2006 to 2007

Database consultant. Texas Department of State Healthcare Services. Award No. 76376376302005-4: Database Inventory of Allied Health Professionals and Providers for Emergency Response Purposes. (PI: Soto Mas F, with Jacobson H), \$49,000, from 2004 to 2005

Project Director. DHHS, Montgomery County, Maryland: Asian American Health Initiative.

Developing a Community Health Surveillance Database for Asian Americans of Montgomery County (with Gold B and Atkinson N), \$55,000, from 2004 to 2005

Co-Principal Investigator. CDC/ASPH Community Partnership Reserch Grant: A Collaborative Partnership for Bioterrorism Research Between UNTSPH and Collin County, Texas. (PI: Soto Mas F, with Jacobson H, and Marshall M), \$8,000, from 2004 to 2004

Principal Investigator. CDC/ASPH Community Partnership Grant: An Evidence-Based Approach to Addressing Health Disparities in Collin County, Texas. Community Partnership Research Grant. (with Soto Mas F, Jacobson H, and Marshall M), \$8,000, from 2004 to 2004

Survey Database Specialist, HRSA, US-DHHS: Evaluation Team of National Minority AIDS Education and Training Center (PI: Boekeloo, B), from 2004 to 2005

Survey Database Specialist, HRSA, US DHHS: Evaluation Team of Delta Region AIDS Education and Training Center (PI: Boekeloo, B), from 2004 to 2005

Principal Investigator. Texas Department of Health. Award No. 76376376302004-3: Biodefense Informatics and Health Surveillance Data Management Training (EpiInfo/EpiMap) for Public Health Preparedness and Response to Bioterrorism (With Gratton T and Bae S), \$47,000, from 2003 to 2004

Principal Investigator. Texas Department of Health. Award No. 76376376302004-4: Database Inventory Based on the Survey of Physicians, Other Health Professionals and Providers for Emergency Response Purposes. (with Soto Mas F and Jacobson H), \$49,000, from 2003 to 2004

Co-Principal Investigator. Texas Department of Health. Award No. 7637637630-2003-01: Texas Department of Health. Public Health Preparedness and Response to Bioterrorism - Educational Programs in 38 counties of Texas. (PI: Rene A). 12% support, \$162,000, from 2002 to 2003

Co-Principal Investigator. Texas Department of Health. Award No. 7637637630-2003-02: Public Health Preparedness and Response to Bioterrorism Needs Assessment Texas Public Health Regions 2 and 3. (PI: Lykens K). 33% Salary Support, \$165,000, from 2002 to 2003

IT Committee Convener and Instructor. Health Resources and Services Administration (HRSA), US-DHHS: Informatics Workshops. Texas Public Health Training Center, (PI: Galvan B), \$100,000, from 2001 to 2003

Membership Information:

- American Medical Informatics Association
- American Public Health Association
- Steering Committee, National Viral Hepatitis Roundtable

Other Expertise:

1. State Committee of Measuring Health Disparities, Health Data Workgroup of Measuring Health Disparities, Department of Health and Mental Hygiene, State of Maryland, Baltimore, 2004-2005
2. Blue Ribbon Panel. Center on Health Disparities. Adventist HealthCare Systems. Rockville, MD. 2005-2007
3. University Senator, University of Maryland 2005-2007
4. Member of Federal Scientific Review Panel for NIH, CDC, NCCDPHP, and NLM study section Special Emphasis Panels.
5. Member of Scientific Review Panel, State of California HIV/AIDS Research Program, 2009-11.

Editorial Boards/Reviewer:

1. Editorial Review Board, American Journal of Health Behavior. 2005-
2. Editorial Review Board, International Journal of Health Information Systems and Informatics 2005-
3. Associate Editor, International Journal of Computational Models and Algorithms in Medicine. 2008-
4. Adhoc reviewer: International Journal for Equity in Health. Journal of Medical Systems. Journal of the National Medical Association. Journal of Healthcare for the Poor and Underserved. Disaster Medicine and Public Health Preparedness (AMA Journal). Journal of Critical Care. Health Policy.

Psychological Services (APA Journal), BMC Health Services Research, BMC Research Notes, American Public Health Association Conferences.

Industrial Relevance:

Syndromic Surveillance.

Simulation and Modeling.

Disaster Preparedness and Response.
