REGISTRATION

1983 - present Registered Clinical Psychologist, College of Psychologists of Ontario
(previously Ontario Board of Examiners in Psychology)

SCHOLARSHIPS AND AWARDS

- 2004 Bowlby-Ainsworth Award: Awarded jointly to D.R. Pederson and Greg Moran
Awarded by the Centre for Mental Health Promotion and the New York Attachment Symposium for singular contributions to attachment theory and research.
- 1974 - 1977 National Sciences and Engineering Research Council of Canada Post Graduate Scholarship
- 1972 - 1974 Dalhousie University Post Graduate Scholarship

AREAS OF RESEARCH AND RELATED FUNDING

Early Human Social Development

- Canadian Institutes of Health Research: "Bridging the Gap Between Infant Mental Health and Infant Health: Bringing Attachment Theory into the Infant Acute Pain Context."* Principal Investigator – Rebecca Pillai Riddell; Co-Investigators – David Flora and Greg Moran. \$263,212 awarded in 2011 for 3 years.
- Social Science and Humanities Research Council of Canada: "Self-Esteem and Persistence: Why Do People with Higher Self-Esteem Persist More after Failure"* – Principal Investigator, K. Trzniewski; Co-Investigator, G. Moran. Total of \$108,000 awarded in 2009 for three years.
- Social Science and Humanities Research Council of Canada: "The Roots of the First Relationship in Variation in Socio-Emotional Experience Within the Family"* - Principal Investigator, G. Moran; Co-Investigators, H.N. Bailey and D.R. Pederson. \$134,262 awarded April 1, 2008 for three years.
- The University of Western Ontario: Development Western - Private Donation in Support of Research: "The Intergenerational Transfer of Trauma"* - Co-Principal Investigators: R. Lanius, G. Moran, H.N. Bailey, and A. Schore. Total of \$760,000 awarded for the period 2008-2012.
- Social Science and Humanities Research Council of Canada: "Use of Physiological and Longitudinal Data to Test Theoretical Assumptions Regarding the Transmission of Attachment"* - Principal Investigator: H.N. Bailey; Co-Investigators, G. Moran and D.R. Pederson. \$114,606 awarded April 1, 2007 for three years.
- Social Science and Humanities Research Council of Canada: "Exploring the Nature and Origins of Attachment Disorganization"* - Co-Principal Investigators: G. Moran and D.R. Pederson; Co-Investigator, H.N. Bailey. \$123,290 awarded April 1, 2005 for three years.
- Canadian Institute of Health Research: "Transactional Processes in the Development of Emotional-Behavioural Regulations: Individuals in Contexts"* - Principal Investigator: J. Jenkins, M. Boyle; Team Members: J. Astington, C. Barr, J. Challis, A. Fleming, G. Hong, D. Keating, G. Kraemer, C. Moore, G. Moran, T. O'Connor, D. Pepler, D.R. Pederson, M. Perlman, Y. Racine, J. Rasbash and H. Ross. - \$2,003,731.00 awarded July 1, 2004 for five years.
- Child Health Research Institute, Internal Research Grant Fund: "The Influence of Mothers' Early Childhood Experiences on their Parenting"* - Principal Investigator: D. Wolfe, Co-Investigators: K. Hildyard, D.R. Pederson, G. Moran - \$7,500 awarded July 1, 2002 for one year.
- Social Science and Humanities Research Council of Canada: "Trauma and Attachment Disorganization in Adolescent Mothers and Their Children"* - Co-Principal Investigators: G. Moran and D.R. Pederson - \$103,558 awarded in 2001 for three years.
- Social Science and Humanities Research Council of Canada: "Predictors and Correlates of Attachment Disorganization and Behavioral Inhibition"* - Principal Investigator: G.M. Tarabulsky; Co-investigators: G. Moran, D.R. Pederson and M.A. Provost - \$100,450 awarded in 2000 for three years.
- Social Sciences and Humanities Research Council of Canada: "Attachment Relationships in Adolescent Mothers"* - Co-Principal Investigators: G. Moran and D.R. Pederson. \$64,000 awarded in 1998 for three years.
- Faculty of Social Science, Agnes Cole Dark Research Fund: "Frightened and Frightening Behaviour of Adolescent Mothers: Connections to Maternal Unresolved Trauma and Infant Attachment Disorganization"* - Co-Principal Investigators: G. Moran and D.R. Pederson. \$1,500 awarded in 1997 for a one-year period.

- Social Sciences and Humanities Research Council of Canada*: "The Intergenerational Transmission of Relationships in Infant-Adolescent Mother Dyads" – Principal Investigator: G. Tarabulsky; Co-Principal Investigators: G. Moran and D.R. Pederson. \$74,000 awarded in 1997 to cover three years.
- Ontario Mental Health Foundation*: "Developing an alternative instrument for assessing adult attachment representations: The Adult Attachment Q-set". Principal Investigator, L. Atkinson; Co-Investigators: G. Moran and D.R. Pederson. \$14,956 awarded in 1996 to cover one year.
- Social Sciences and Humanities Research Council of Canada*: "Origins of concordance and divergence in mother-infant relationships within a family". (D.R. Pederson and G. Moran, co-principal investigators. \$44,989 awarded in 1995 to cover three years.
- Health Canada*: Strategic Fund for Children's Mental Health, Children's Mental Health Unit: "Promoting resilience through secure attachment: A brief intervention for adolescent mothers and their infants." Principal Investigators: W. Avison and D.R. Pederson; Co-investigator: G. Moran. \$377,000 awarded in 1995 to cover four years.
- Ontario Mental Health Foundation*: "Maternal states of mind, maternal sensitivity, and infant attachment security in adolescent mother-infant and adult mother-infant relationships" (Co-principal investigators: G. Moran and D.R. Pederson,). \$88,200 awarded in 1994 to cover two years.
- Institute for the Prevention of Child Abuse*: "The quality of mother-infant interaction in families at risk for child abuse" Principal Investigator: G. Moran; Co-Investigator: A. Krupka. \$97,300 awarded in 1992 to cover two years.
- Ontario Mental Health Foundation*: "Maternal sensitivity and attachment in preterm and full term infant-mother dyads" - Principal Investigator: D.R. Pederson; Co-Investigator: G. Moran. \$59,345 awarded in 1991 to cover one year.
- Social Sciences and Humanities Research Council of Canada*: "Attachment and maternal sensitivity: Home- and laboratory-based assessments" - Co-Principal Investigators: G. Moran and D.R. Pederson. \$62,871 awarded in 1990 to cover a period of two years.
- Social Sciences and Humanities Research Council of Canada (General Research Funds)*: "Attachment and Sociability in the Home and Preschool" - Co-Principal Investigators: G. Moran and D.R. Pederson. \$4,500 awarded in 1989 to cover one year.
- Social Sciences and Humanities Research Council of Canada*: "Infant-mother attachment as function of maternal sensitivity and interaction in the home for preterm and full-term infants" - Co-Principal Investigators: G. Moran and D.R. Pederson. \$66,369 awarded in 1987 to cover two years.
- Natural Sciences and Engineering Research Council of Canada*: "The behavioural dynamics and ontogeny of social interaction" – Principal Investigator: G. Moran. \$36,000 awarded in 1985 to cover three years.
- Social Sciences and Humanities Research Council of Canada*: "The study of early social interaction." \$14,600 awarded in 1985 to cover a period of one year. (Sabbatical Leave Fellowship).
- Social Sciences and Humanities Research Council (General Research Funds)*: "Experimental Studies of Mother-Infant Interaction" - Co-Principal Investigators: G. Moran and D.R. Pederson. \$900 awarded in 1984 to cover one year.
- Social Sciences and Humanities Research Council (General Research Funds)*: "Infant-Mother Communication" - Co-Principal Investigators: G. Moran and D.R. Pederson. \$750 awarded 1983 to cover one year.
- Social Sciences and Humanities Research Council (General Research Funds)*: "Mother-Infant Interactional Patterns" - Co-Principal Investigators: G. Moran and D.R. Pederson. \$1,335 awarded in 1981 to cover one year.

Higher Education Policy and Practice

- Canadian International Development Agency: "Strengthening African University Outreach: The UWO - National University of Rwanda Strategic Planning Partnership" - Moran, G., Musahara, H, Paolotto, P., Akorli, F.A. & Rukamba, S.U. \$31,500 awarded in 2010.
- Canadian International Development Agency: "Strengthening African University Outreach: The UWO - Jomo Kenyatta University of Agriculture and Technology Strategic Planning Partnership" - Moran, G., Okech, S., Paolotto, P. & Obwogi, J. \$26,500 awarded in 2010.

Canadian International Development Agency: "Strengthening African University Outreach: The UWO - National University of Rwanda case Study Partnership" - Moran, G., Musahara, H, Branzei, O., Akorli, F.A., Paolotto, P., & Rukamba, S.U. \$31,500 awarded in 2010.

Canadian International Development Agency: "Strengthening African University Outreach: The UWO - Jomo Kenyatta University of Agriculture and Technology case Study Partnership" - Moran, G., Kariuki, K.B., Okech, S., Branzei, O., Obwogi, J. & Paolotto, P. \$26,500 awarded in 2010.

Basic Social Behavioural Mechanisms in Other Species

Natural Sciences and Engineering Research Council: "Video Motion Analyzer." Principal Investigator: G. Moran. \$9,500.00 awarded in 1982 to cover one year.

Natural Sciences and Engineering Research Council: "Studies of the Structure and Development of Social Interaction." Principal Investigator: G. Moran. \$21,000 awarded in 1982 to cover 3 years.

Natural Sciences and Engineering Research Council: "A Study of Social Interaction: Rules of Movement." Principal Investigator: G. Moran. \$21,000 awarded in 1979 to cover three years.

Adjustment of the Family to the Death of a Child

Hospital for Sick Children Foundation: "Parental Reactions and Adjustment to the Unexpected Death of a Child." Co-Principal Investigators: T. Frewen and G. Moran. \$69,000 awarded in 1985 to cover two years.

Board of Directors, War Memorial Children's Hospital: "An investigation of the effects on the family of childhood death and life-threatening events." Co-Principal Investigators: T. Frewen, M. Hearn and G. Moran. \$66,000 awarded in 1983 to cover two years.

Other research areas

Social Sciences and Humanities Research Council (General research Funds): "Factors influencing career choice in male and female Ph.D. recipients" Principal Investigator: L. Swartzman; Co-Principal Investigators: V. Esses, J. Meyer, G. Moran and C. Seligman, co-investigators). \$4,693 awarded in 1993 for one year.
