Judah J. Viola, Ph.D.
312-261-3527; Judah.viola@nl.edu

EDUCATION

2006 **Ph.D.**, Community Psychology, DePaul University-Chicago
2003 **Master of Arts**, with Distinction, Community Psychology, DePaul University
1999 **Honors Bachelor of Arts**, with Distinction, Double major, Psychology & History
 University of Wisconsin-Madison

ACADEMIC APPOINTMENTS

2023-Present **Professor**, College of Psychology and Behavioral Sciences, National Louis University

2014-Present **Associate Professor**, School of Social and Behavioral Sciences, National Louis University

2015-2019 **Dean**, College of Professional Studies and Advancement (CPSA), National Louis University

2014-2015 **Director**, School of Social and Behavioral Sciences, National Louis University

- Collaborated with leadership team to manage operations and academic portfolio
- Facilitated development performance evaluation and mentoring
- Ensured excellent academic experience and engaged teaching
- Achieved annual enrollment and revenue targets

2014-Present **Adjunct Faculty**, Pacifica Graduate University
 Courses: Community and Organizational Careers Skills building, Community Consultation Research, and Resource Mobilization

2013-2014 **Psychology Department Chair**, National Louis University

2009-2014 **Assistant Professor**, Psychology Department, National Louis University
 Courses: Program Evaluation, Advanced Social Psychology, Principles of Community Psychology, Consultation, Human Sexuality, General Psychology, Organizational Leadership, Qualitative Research Methods, Statistics for Community Psychology, Community Fieldwork, Dissertation Seminar, Professional Writing

2007-2008 **Adjunct Faculty**, Psychology Department, DePaul University
 Courses: Graduate Program Evaluation, Community Psychology

2004-2006 **Teaching Fellow**, Psychology Department, DePaul University

Courses: Contemporary Problems in Mental Health (Service Learning), Applied Psychology I, Community Psychology (Service Learning), Human Sexuality, Psychology and Social Justice (Service Learning), Introduction to Psychology

- 2000 **Faculty Assistant**, Department of Psychology, University of Wisconsin-Madison
- Co-designed and taught an undergraduate course on psychometric methods

RESEARCH APPOINTMENTS

- 2011-2015 **Visiting Senior Research Specialist**, *University of Illinois-Chicago Institute for Health Research & Policy*

- Planned and Conducted Focus Group Research for an evaluation of an Integrated Care Pilot program impacting 40,000 Medicaid Eligible Illinois residents with disabilities

- 2006-2009 **Research Associate**
DePaul University--Office of Institutional Planning & Research

- Conducted research studies to support institutional decision making
- Supported assessment efforts in student affairs & academic program review
- Compiled and reported official university statistics to data clearinghouses, state and federal agencies
- Supervised student employees' research projects

- 2004-2006 **Project Director**- School Transitions on Youth with Disabilities
DePaul University—Department of Psychology
Evaluated the academic, social, & emotional impacts over time, of closing a specialized Chicago public high school for students with disabilities.
- Managed day-to-day project operations and grant budget
 - Supervised and trained a team of graduate and undergraduate students
 - Conducted quantitative and qualitative data analysis
 - Led conference presentations, report writing and manuscript formulation

- 2001 – 2005 **Graduate Research Assistant**- Oxford House Research Team
DePaul University—Center for Community Research
Evaluated the effectiveness of the Oxford House Model for substance abuse recovery in a year-long study of over 800 people across the nation.
- Wrote successful NIH pre-doctoral training grant
 - Developed a reliably self-report helping scale
 - Assisted in data collection, tracking participants, and data analyses
 - Wrote journal articles and presented findings at professional conferences

- 1998-2000 **Research Team Leader & Independent Project Coordinator**
University of Wisconsin--Social Psychology Laboratory

Studied prejudice among European Americans toward African Americans.
Measured motivations to respond without prejudice and emotional responses to stereotypes.

- Designed and conducted an independent research project
- Performed quantitative data analyses
- Trained student research assistants

GRANTS/FELLOWSHIPS/AWARDS

- 2023 **American Political Science Association (APSA) Growing Democracy Grant**
Co-PI: *MappCivics. Youth Empowering in Chicago* (\$10,000)
- 2022 **National Science Foundation (NSF) and European Research Council (ERC)**
Principle Investigator: International Collaboration Supplement to partner with a team from the University of Uppsala Sweden. (\$13,475)
- 2021 **National Science Foundation (NSF) Build and Broaden 2.0**
Principle Investigator: **Understanding the Psychological Barriers to Equity in Public Safety Policies** (\$300,000)
- 2021 **National Louis University Engaged Research and Innovation Affinity Group Grant**
Co-Principle Investigator: **Understanding the Psychological Barriers to Equity in Public Safety Policies: Measurement Development Pilot Study** (\$4,500)
- 2021 **National Louis University Faculty Excellence in Service and Engagement Award**
- 2021 **Midwestern Psychological Association (MPA) Fellow**
<http://midwesternpsych.org/about-mpa/mpa-fellows/>
- 2020 **Division 27 of the American Psychological Association, Society for Community Research and Action (SCRA) Fellow** <https://www.scra27.org/members1/member-awards/>
- 2019-2021 **U.S. Department of Education Hispanic Serving Institution (HSI) - Postbaccalaureate Opportunities for Hispanic Americans (PPOHA) grant: Comunidades Latinas Académicas con Visión de Éxito (CLAVE)** (Networking & Professional Development Content Lead and Facilitator) (\$276,377)
- 2019 **Kern Family Foundation Grant: The Contemporary Educational Leader: Business-Minded and Values Driven**
Project Co-Chair (\$20,000)
- 2019 **Bringing Theory to Practice (B2P) Multi-institutional Innovation Project Grant**
“Great Colleges for the New Majority Network 2019 Summer Institute.”

Co-principal Investigator (\$5,000)

- 2018-2021 **Illinois Council on Development Disabilities' Partners in Policymaking 3 yr. Contract**
Principle Investigator and Program Evaluation Team Lead (\$41,940)
- 2014 **National Louis University Excellence in Research, Scholarship and Inquiry Award**
- 2012 **McCormick Foundation Education to Employment (E2) Initiative**
Program Evaluator (\$749,599)
- 2011 **Consortium to Lower Obesity in Chicago Children (Co-PI)**
An Evaluation of 'Level 3' Schools from CLOCC's 'Healthy Schools' Initiative Co-Principle Investigator (\$13,961)
- 2009 **National-Louis University College of Arts & Sciences Research Mini-Grant**
Using Geographical Information Systems for Community Asset Mapping
Principle Investigator (\$4,000)
- 2002-2004 **National Research Service Award Pre-Doctoral Training Fellowship**
National Institute on Drug Abuse Research (NIDA).
Therapeutic Helping among Oxford House Residents. (\$66,622)

APPLIED EXPERIENCE

- 2023-Present **External Evaluator**, Partners in Policymaking funded through the Illinois Developmental Disabilities Council
- Mixed method program evaluation for 8 month empowerment training program for self-advocates and parents of people with disabilities
- 2023-Present **Research Consultant**, Public Health Institute of Metropolitan Chicago
- Led Participatory Healthcare Survey development and analysis process for Illinois Department of Public Health funded project with Illinois Jails and Juvenile Detention Centers
- 2022-Present **Psychometrics Consultant**, Change Coaches
- Leadership and Belonging Survey Assessment development
 - Factor Analysis & Reliability Analysis
- 2021-Present **Research and Training Consultant**, Hicks-Wright Consulting
- City of Aurora employee wellness survey data analysis
 - Kane County Sherriff's Department employee wellness survey development & data analysis

- 2021 **Evaluation Capacity Building Consultant**, Pulmonary Fibrosis Foundation (PFF)
- Building program evaluation tools for the foundation's education and volunteer programs
 - Conducting a landscape analysis and partnership development tool to support strategic partnerships between PFF and healthcare providers.
- 2020-Present **Local Evaluation Team member**, CRIS Health Aging Center's
- Three year, mixed-method evaluation of CRIS' Central Illinois Dementia Care project funded through the Administration for Community Living (ACL)
- 2020-2021 **Pro-Bono Community Psychology Consultant**, Aga Khan Foundation, Aga Khan Health Services & Aga Khan Agency for Habitat – on behalf of Global Psychosocial Network
- Developed and administered online employee wellness Needs Assessment; Global Webinars & Train-the-Trainer sessions to establish peer support model of wellness for front line service providers during the COVID-19 Pandemic
- 2017-2019 **Evaluation Consultant**, Habitat for Humanity International (HFHI)
- Completed Matched Pair Quasi-experimental and pre-post designs to evaluate the National Service Program outcomes for AmeriCorps members and their host sites.
- 2016-2020 **Evaluation Consultant**, Salvation Army Family & Community Services
- Conducted 5-year multi-site Randomized Control evaluation study of Fatherhood Initiative programming
- 2013-2016 **Evaluation Consultant**, Habitat for Humanity International (HFHI)
- Used multi-level analysis as well as Geographical Information Systems, and qualitative analyses of HFHI's Neighborhood Revitalization Initiative community-based data collection efforts in order to set a baseline and advise future strategies for future evaluation
- 2014-15 **Evaluation Consultant**, Safe Schools Consortium
- Conducted mixed methods evaluation of Robert Wood Johnson Funded restorative justice programming in 3 Chicago Public High schools.
- 2013-2014 **Project Connect Evaluation Consultant**, Lurie Children's Hospital's Child Health Data Lab
- Conducted Interviews and analyzed data for a process evaluation of SAMSHA funded Systems of Care effort in "Little Egypt" Illinois.
- 2013-2014 **Evaluation Consultant**, Frank Lloyd Wright Preservation Trust
- Developed surveys, interviews, and observation protocols to support grant funded evaluation of teacher and youth education programs.

- 2012 **Healthy Places Process Evaluation Consultant**, Lurie Children’s Hospital’s Child Health Data Lab
- Conducted Interviews and analyzed data for a process evaluation of CDC funded “health places” city-wide policy efforts
- 2011-2012 **Inter-Governmental Task Force Evaluator**, Consortium to Lower Obesity in Chicago Children (CLOCC)
- Process and Outcome evaluation of 11 city agency task force aimed at preventing and decreasing obesity in Chicago Children
- 2008-2011 **Community Outreach Consultant**, John G. Shedd Aquarium Education Department.
- Planning support for program expansion and evaluation
 - Logic Modeling, observations, community building
- 2008-2009 **Research Consultant**, Office of Specialized Services, Chicago Public Schools.
- Evaluation research design, analysis and support
 - Sampling, survey design, observations, interviews, data analyses
- 2007-2008 **Consultant**, Youth Connections Charter Schools.
- Data exploration and analysis
 - Refined data collection of student characteristics, challenges, strengths, academic progress, objectives, services and outcomes
 - Developed a model for success indicators in alternative charter school for students who have dropped out or been dropped by the public school system
- 2006-2007 **Evaluation Consultant**, High School Peer Jury Program, Safe & Healthy Schools Initiative, Chicago Public Schools.
- Developed and administered survey and focus group protocols to evaluate programming impact
- 2006-2008 **Research Methodology Consultant**, Least Restrictive Environment efforts, Office of Specialized Services, Chicago Public Schools.
- Mixed methods research planning; sampling techniques and data analysis
- 2004-2005 **Evaluation Consultant**, National Drug Prevention and Safety Coordinator Program, Office of Specialized Services, Chicago Public Schools.
- Conducted process & impact evaluation of federally funded grant
 - Collaboratively developed and analyzed internet survey and logic model
 - Analyzed longitudinal data collected by the school system
