

Judah J. Viola, Ph.D.
312-261-3527; Judah.viola@nl.edu

EDUCATION

2006 **Ph.D.**, Community Psychology, DePaul University-Chicago
2003 **Master of Arts**, with Distinction, Community Psychology, DePaul University
1999 **Honors Bachelor of Arts**, with Distinction, Double major, Psychology & History
 University of Wisconsin-Madison

ACADEMIC APPOINTMENTS

2015-Present **Dean**, College of Professional Studies and Advancement (CPSA), National Louis University

2014-2015 **Director**, School of Social and Behavioral Sciences, National Louis University

- Collaborated with leadership team to manage operations and academic portfolio
- Facilitated development performance evaluation and mentoring
- Ensured excellent academic experience and engaged teaching
- Achieved annual enrollment and revenue targets

2014-Present **Associate Professor**, School of Social and Behavioral Sciences, National Louis University

2013-2014 **Psychology Department Chair**, National Louis University

2009-2014 **Assistant Professor**, Psychology Department, National Louis University
Courses: Program Evaluation, Advanced Social Psychology, Principles of Community Psychology, Consultation, Human Sexuality, General Psychology, Organizational Leadership, Qualitative Research Methods, Statistics for Community Psychology, Community Fieldwork, Dissertation Seminar, Professional Writing

2007-2008 **Adjunct Faculty**, Psychology Department, DePaul University
Courses: Graduate Program Evaluation, Community Psychology

2004-2006 **Teaching Fellow**, Psychology Department, DePaul University
Courses: Contemporary Problems in Mental Health (Service Learning), Applied Psychology I, Community Psychology (Service Learning), Human Sexuality, Psychology and Social Justice (Service Learning), Introduction to Psychology

2000 **Faculty Assistant**, Department of Psychology, University of Wisconsin-Madison

- Co-designed and taught an undergraduate course on psychometric methods

RESEARCH APPOINTMENTS

- 2011-2015 **Visiting Senior Research Specialist**, *University of Illinois-Chicago Institute for Health Research & Policy*
- Planned and Conducted Focus Group Research for an evaluation of an Integrated Care Pilot program impacting 40,000 Medicaid Eligible Illinois residents with disabilities
- 2006-2009 **Research Associate**
DePaul University--Office of Institutional Planning & Research
- Conducted research studies to support institutional decision making
 - Supported assessment efforts in student affairs & academic program review
 - Compiled and reported official university statistics to data clearinghouses, state and federal agencies
 - Supervised student employees' research projects
- 2004-2006 **Project Director-** School Transitions on Youth with Disabilities
DePaul University—Department of Psychology
Evaluated the academic, social, & emotional impacts over time, of closing a specialized Chicago public high school for students with disabilities.
- Managed day-to-day project operations and grant budget
 - Supervised and trained a team of graduate and undergraduate students
 - Conducted quantitative and qualitative data analysis
 - Led conference presentations, report writing and manuscript formulation
- 2001 – 2005 **Graduate Research Assistant-** Oxford House Research Team
DePaul University—Center for Community Research
Evaluated the effectiveness of the Oxford House Model for substance abuse recovery in a year-long study of over 800 people across the nation.
- Wrote successful NIH pre-doctoral training grant
 - Developed a reliably self-report helping scale
 - Assisted in data collection, tracking participants, and data analyses
 - Wrote journal articles and presented findings at professional conferences
- 1998-2000 **Research Team Leader & Independent Project Coordinator**
University of Wisconsin--Social Psychology Laboratory
Studied prejudice among European Americans toward African Americans.
Measured motivations to respond without prejudice and emotional responses to stereotypes.
- Designed and conducted an independent research project
 - Performed quantitative data analyses
 - Trained student research assistants

GRANTS/FELLOWSHIPS

- 2011 **Consortium to Lower Obesity in Chicago Children (Co-PI)**

An Evaluation of 'Level 3' Schools from CLOCC's 'Healthy Schools' Initiative (\$13,961)

2009 **National-Louis University College of Arts & Sciences Research Mini-Grant**
Using Geographical Information Systems for Community Asset Mapping (\$4,000)

2002-2004 **National Research Service Award Pre-Doctoral Training Fellowship**
National Institute on Drug Abuse Research (NIDA).
Therapeutic Helping among Oxford House Residents. (\$66,622)

APPLIED EXPERIENCE

2016-present **Evaluation Consultant**, Salvation Army Family & Community Services
• Conducting 5-year multi-site Randomized Control evaluation study of Fatherhood Initiative programing

2013-2016 **Evaluation Consultant**, Habitat for Humanity International (HFHI)
• Using multi-level analysis as well as Geographical Information Systems, and qualitative analyses of HFHI's Neighborhood Revitalization Initiative community-based data collection efforts in order to set a baseline and advise future strategies for future evaluation
• Using Matched Pair Quasi-experimental and pre-post designs to evaluate the National Service Program outcomes for AmeriCorps members and their host sites.

2014-15 **Evaluation Consultant**, Safe Schools Consortium
• Conducted mixed methods evaluation of Robert Wood Johnson Funded restorative justice programing in 3 Chicago Public High schools.

2013-2014 **Project Connect Evaluation Consultant**, Lurie Children's Hospital's Child Health Data Lab
• Conducted Interviews and analyzed data for a process evaluation of SAMSHA funded Systems of Care effort in "Little Egypt" Illinois.

2013-2014 **Evaluation Consultant**, Frank Lloyd Wright Preservation Trust
• Developed surveys, interviews, and observation protocols to support grant funded evaluation of teacher and youth education programs.

2012 **Healthy Places Process Evaluation Consultant**, Lurie Children's Hospital's Child Health Data Lab
• Conducted Interviews and analyzed data for a process evaluation of CDC funded "health places" city-wide policy efforts

2011-2012 **Inter-Governmental Task Force Evaluator**, Consortium to Lower Obesity in Chicago Children (CLOCC)

- Process and Outcome evaluation of 11 city agency task force aimed at preventing and decreasing obesity in Chicago Children

- 2008-2011 **Community Outreach Consultant**, John G. Shedd Aquarium Education Department.
- Planning support for program expansion and evaluation
 - Logic Modeling, observations, community building
- 2008-2009 **Research Consultant**, Office of Specialized Services, Chicago Public Schools.
- Evaluation research design, analysis and support
 - Sampling, survey design, observations, interviews, data analyses
- 2007-2008 **Consultant**, Youth Connections Charter Schools.
- Data exploration and analysis
 - Refined data collection of student characteristics, challenges, strengths, academic progress, objectives, services and outcomes
 - Developed a model for success indicators in alternative charter school for students who have dropped out or been dropped by the public school system
- 2006-2007 **Evaluation Consultant**, High School Peer Jury Program, Safe & Healthy Schools Initiative, Chicago Public Schools.
- Developed and administered survey and focus group protocols to evaluate programming impact
- 2006-2008 **Research Methodology Consultant**, Least Restrictive Environment efforts, Office of Specialized Services, Chicago Public Schools.
- Mixed methods research planning; sampling techniques and data analysis
- 2004-2005 **Evaluation Consultant**, National Drug Prevention and Safety Coordinator Program, Office of Specialized Services, Chicago Public Schools.
- Conducted process & impact evaluation of federally funded grant
 - Collaboratively developed and analyzed internet survey and logic model
 - Analyzed longitudinal data collected by the school system
- 2002-2005 **Statistical Consultant**, Student Counseling Services, DePaul University
- Advised staff on database formation for process evaluation
 - Conducted descriptive and inferential data analysis
