

CURRICULUM VITAE

NAME

Judith Camele Anglin, Ph.D., R.D.N.

COLLEGE OR SCHOOL

College of Liberal Arts and Behavioral Sciences

DEPARTMENT

Human Services and Consumer Sciences – Nutrition/Dietetics

DATE AND RANK OF FIRST APPOINTMENT

09/2013 – Associate Professor

SECONDARY APPOINTMENT

09/2013 – Director of Dietetics

YEARS FRANTED TOWARDS TENURE

1 – 3 years

CURRENT RANK

Associate Professor

DATE OF CURRENT RANK

09/2013

DATE OF TENURE

N/A

PROPOSED ACTION

Conferral of tenure

YEARS OF ACADEMIC SERVICE

7 years

HIGHEST DEGREE

Doctorate of Philosophy

EDUCATION

- 2004 – 2007 **Howard University**, Washington D.C.
Ph.D. in Nutritional Sciences – Experimental & Community (May 2007)
Dissertation: “An Assessment of the Nutritional Status, Energy Expenditure, and Biochemical Indices of Black Adults with Homozygous Sickle Cell Disease.”
- 2003 – 2004 **Howard University**, Washington D.C.
M.S. in Nutritional Sciences (May 2004)
Thesis: “Effect of Dietary Fiber and Protein on Obesity and Diabetes in the Sand Rat”
- 2001 – 2003 **Howard University**, Washington D.C.
B.S in Nutritional Science (Dietetics emphasis)

SPECIAL TRAINING

- 2010 Medical nutrition therapy management training for kidney disease – 35 continuing education units (CEUs)
- 2010 California State University Security Awareness Training
- 2010 California State University, Long Beach Institutional Review Board for the Protection of Human Subjects
- 2010 Certified Lactation Education – University of California San Diego Extension
- 2007 Institutional Review Board University of Tennessee (CITI) - Education in the Protection of Human Research Participants
- 2006 Institutional Review Board Howard University (CITI) - Education in the Protection of Human Research Participants
- 2006 Institutional Review Board National Institute of Health – Human Participants Protection Education
- 2003 Uniformed Services University of the Health Sciences - Animal Care and Use Training
- 2001 – 2002 Washington Post/Howard University – Report Writing for Journalist

FIELD(S) OF INTEREST

Teaching: Advanced nutrition, Nutritional biochemistry, Nutritional genomics, Nutritional status assessment laboratory, Medical nutrition therapy, Introduction to nutrition, Carbohydrates, Proteins, Lipids, and Nutrition through the life cycle

Research: Nutritional status assessment, renal nutrition, renal diseases, nutritional genomics, obesity

PROFESSIONAL EMPLOYMENT

- 2008 – 2013 Assistant Professor, Nutrition
Taught
Didactic Program in Dietetics Director
Individualized Supervised Practice Pathway Director
California State University Long Beach
- 2007 Research/Clinical Nutritionist, University of Tennessee LifeDoc Center
Developing clinical and research nutrition protocol. Medical nutrition intervention and clinical trials. Preceptor for nutrition/dietetics seniors.
