## GRANTS

---

<u>Office of Juvenile Justice and Delinquency Prevention</u>	(\$250,000)	2011-2013
<u>The John D. &amp; Catherine T. MacArthur Foundation</u>	(\$250,000)	
<i>Title: Advancing Use of Risk Assessment in Juvenile Probation</i>		
<i>Description: This multi-state (Connecticut, Mississippi) project with co-funding by a government agency and private foundation examines the impact on juvenile probation officers' case management practices and juvenile probationers' outcomes when empirically validated tools for assessing risk for violence and screening for mental health problems are implemented in a standardized manner.</i>		
<i>Role: Principal Investigator</i>		
<i>Collaborators: Gina Vincent, Ph.D. (Co-PI); Thomas Grisso, Ph.D. (Co-I)</i>		
<u>University of Massachusetts Medical School, Psychiatry Research Fellowship Award</u>	(\$5,000)	2009-2010
<i>Title: Women's Risk and Treatment for Intimate Partner Violence</i>		
<i>Description: This prospective, repeated-measures study examined whether changes over time in treatment targets (e.g., anger, coping with sequelae associated with traumatic events, hostile attributional style, use of verbal and physical aggression) following in a group therapy intervention for female perpetrators of intimate partner violence in Massachusetts, USA.</i>		
<i>Role: Principal Investigator</i>		
<u>Department of Justice (USA), Bureau of Justice Assistance Justice and Mental Health Collaboration Program</u>	(\$200,000)	2009-2011
<i>Title: Community Re-Entry and Trauma Recovery Program for Women: MISSION-CREW</i>		
<i>Description: This was an evaluation of the SAMHSA-funded MISSION intervention (a wrap-around model of evidence-based practices that includes trauma-sensitive treatment, care coordination, and peer support) that was adapted to promote successful re-entry among women with co-occurring mental illness and substance use disorders being discharged from prison in Massachusetts, USA.</i>		

Role: Co-Principal Investigator

Collaborators: Debra Pinals, M.D (PI); Carl Fulwiler, M.D., Ph.D. (Co-I)

The John D. & Catherine T. MacArthur Foundation (\$555,000) 2008-2011

*Title: Youth Risk/Needs Assessment for Recidivism: Implementation and Effectiveness Study*

*Description: This quasi-experimental, multi-state (Louisiana and Pennsylvania), pre-post implementation study examined the outcomes of implementing valid risk/needs assessment tools in six juvenile probation offices.*

Role: Co-Investigator

Collaborators: Gina Vincent, Ph.D. (PI)

The John D. & Catherine T. MacArthur Foundation (\$120,000) 2010-2012

*Title: Risk Assessment Guidelines Project*

*Description: The project was designed to create a model Risk Assessment Guidelines for Juvenile Justice. The goal was to integrate science and the opinions of experts and practitioners to design a manual for juvenile justice agencies to guide in the selection, use, and implementation of a risk assessment tool.*

Role: Co-Investigator

Collaborators: Gina Vincent, Ph.D. (PI); Thomas Grisso, Ph.D. (Co-I)

Social Sciences and Humanities Research Council of Canada Dissertation Grant (\$40,000) 2005-2007

*Title: A Meta-Analytic Investigation of Violence Risk Assessment*

*Description: This goal of this project was to statistically aggregate the findings of all available research (published and unpublished) that examined the predictive validity of standardized tools developed to assess risk for violence.*

Role: Principal Investigator

American Psychological-Law Society Grants-in-Aid (\$500) 2007-2008

*Title: A Meta-Analytic Investigation of Violence Risk Assessment*

*Description: This goal of this project was to statistically aggregate the findings of all available research (published and unpublished) that examined the predictive validity of standardized tools developed to assess risk for violence.*

Role: Principal Investigator

Canadian Institutes of Health Research (\$1,000) 2007-2008

*Title: Concordance Between Structured Professional Judgment and Risk-Need-Responsivity Models of Risk Assessment*

*Description: This study examined the degree and type of content overlap and differential predictive validity of two risk assessment tools developed using divergent approaches.*

Role: Principal Investigator

American Academy of Forensic Psychology Dissertation Grant (\$1,500) 2005-2006

*Title: A Meta-Analytic Investigation of Violence Risk Assessment*

*Description: This goal of this project was to statistically aggregate the findings of all available research (published and unpublished) that examined the predictive validity of standardized tools developed to assess risk for violence.*

Role: Principal Investigator

- American Society of Trial Consultants Student Research Grant (\$500) 2003-2004  
*Title: The Role of Psychopathic Personality Disorder in Juror Decision Making*  
*Description:* This analog decision-making study examined gender effects on decision-making by mock jurors in Texas, USA participating in a Sexually Violent Predator trial. The impact of type of risk assessment testimony provided (clinical opinion, actuarial scale, psychopathy evaluation) and the age of the victims (adult versus child) were manipulated.  
*Role:* Principal Investigator
- Sam Houston State University Student Forensic Research Grant (\$1,000) 2003-2004  
*Title: Juror Decision-Making in Sexually Violent Predator Trials*  
*Description:* This analog decision-making study examined gender effects on decision-making by mock jurors in Texas, USA in a Sexually Violent Predator trial. ## TEACHING EXPERIENCE

---

### Courses

- Social Psychology* 2000, 2001  
 Sam Houston State University, Huntsville, Texas, USA  
 Sole instructor for an overview, lecture-based course on the scientific study of intrapersonal and interpersonal processes and the dynamic interaction between these processes. Taught sections to undergraduates enrolled in regular university campus and to inmates enrolled in distance course at the Texas Department of Criminal Justice.
- Introduction to Psychology* 2000, 2001  
 Sam Houston State University, Huntsville, Texas, USA  
 Sole instructor for an overview, lecture-based course on the scientific study of human behavior and mental processes.

## Guest Lectures

### *Abnormal Psychology*

Clark University, Worcester, Massachusetts, USA

2009

Instructor: William Warnken, Psy.D.

Lecture: Psychopathic Personality Disorder

### *Current Topics in Psychology*

2011

Roger Williams University, Bristol, Rhode Island, USA

Instructor: Matt Zaitchik, Ph.D., ABPP

Lecture: *Violence risk assessment in the field: Practice and research*

## Teaching Assistant

### *Introduction to Psychology*

Simon Fraser University, Burnaby, British Columbia, Canada

The teaching assistant system at Simon Fraser University is based on the tutorial model. Teaching assistants are responsible for leading classes throughout the semester (typically four classes per week, consisting of roughly 15 students per class). This involves lesson planning to supplement, clarify, and expand upon lecture material. Additional responsibilities include evaluation of student examinations, presentations, participation, and papers.

## Student Supervision (Research)

### *Masters of Arts Thesis Committee Member*

2010-2011

Student: Rebecca Nelson, Roger Williams University

### *Research Supervisor*

Student: Meaghan Bernstein, Roger Williams University

2012

Student: Lena Rupp, Clark University

2011
