EDUCATION

M.L.S., Indiana University, 1981, Academic/Special Librarianship

B.A., Indiana University, 1979, Double Major: Comparative Literature/Telecommunications

AWARDS

2006 Estelle Brodman Award for the Academic Health Sciences Librarian of the Year, Medical Library Association.

Medical Library Association Continuing Education Institute: Developing Web-Based Instruction, March 2006. A selective training institute to develop online instructors for MLA.

Leadership Fellowship, National Library of Medicine and Association of Academic Health Science Libraries, 2002–2003. Selective mentorship program to cultivate leadership skills for future directors of academic health sciences libraries. Mentor: Wayne Peay, Director, Eccles Health Sciences Library, University of Utah.

EXPERIENCE

Associate Director. Galter Health Sciences Library, Northwestern University, Chicago, IL, 1997–present.

- Provide leadership and management for operation of library with 14 FTE professional and 17 FTE support staff
- Serve as personnel administrator including supervision of response to work-related health and disciplinary concerns
- Prepare budget (\$3+ million) and work with director to oversee expenditures
- Supervise department heads for education, systems, and user services
- Serve as principal collection development officer and supervisor for online, non-print and print materials
- Write and manage library grants related to systems, digitization, patient safety
- Coordinate with staff to create and periodically reassess library goals, objectives, reports, and evaluations
- Foster a creative, team-oriented work environment through evolving policies concerning professional development, departmental retreats and interdisciplinary committees
- Liaison to 3 affiliate hospital libraries in Chicago-area communities
- Develop, interpret, and implement library policies, including recent concerns with space, safety, computer access, hours of operation, transition to online resources
- Oversee facilities management for library, most recently, carpet replacement

Consultant. National Network of Libraries of Medicine Greater Midwest Region. University of Illinois at Chicago, Chicago, IL, 1996-02.

- Provided evaluation on projects and services
- Analyzed outreach initiatives
- Developed reports for National Library of Medicine
- Coordinated writing \$6 million contract for 2001-2006

Project Coordinator. Robert Wood Johnson Foundation Partnerships for Training Initiative. Wisconsin Area Health Education Center (AHEC), School of Medicine, University of Wisconsin-Madison, Madison, WI, 1996-97.

- Administered grant from Robert Wood Johnson Foundation
- Developed and implemented strategic plan to create permanent program to recruit, educate, and retain nurse practitioners, physician assistants, and certified nurse-midwives in underserved communities throughout Wisconsin
- Developed partnerships among statewide academic, employer, community, and policy participants
- Assessed and implemented distance learning capabilities
- Coordinated six interdisciplinary planning committees
- Prepared successful \$1.3 million implementation grant

Associate Director. National Network of Libraries of Medicine Greater Midwest Region. University of Illinois at Chicago, Chicago, IL, 1994-96.

- Administered outreach contract for National Library of Medicine
- Prepared annual budgets of \$800,000
- Developed annual goals, objectives, and quarterly reports for 5-year contract period
- Administered subcontracts and enhancements to the contract
- Supervised 4 FTE professional and 2.5 FTE support staff
- Coordinated Interdisciplinary Regional Advisory Council with representatives from 10 states, including hospitals, academic medical centers and health professionals
- Led on preparing competitive \$3.8 million renewal contract

Associate Director. National Network of Libraries of Medicine New England Region. University of Connecticut Health Center, Farmington, CT, 1991-94.

- Administered outreach contract for National Library of Medicine
- Prepared annual budgets of \$600,000
- Developed goals, objectives and reports for contract
- Administered subcontracts and enhancements to the contract
- Supervised 3 FTE professional and 2.5 FTE support staff
- Coordinated Interdisciplinary Regional Advisory Council with representatives from 10 states, including hospitals, academic medical centers and health professionals

Director of Library. Butler Hospital, Providence, RI, 1985–91.

Legislative Reference Librarian. Rhode Island State Library, Providence, RI, 1983–85.

Reference Librarian. Indiana Division, Indiana State Library, Indianapolis, IN, 1981–83.

TEACHING

Adjunct Faculty. Dominican University, School of Library and Information Science, River Forest, IL. Health Sciences Librarianship, LIS780, 2004-present.

MLA Instructor. Created and taught classes for MLA continuing education program.

- A Holistic Approach to Collection Development. Medical Library Association Annual Meeting. San Antonio, TX, May 2005. Continuing education class taught with Ramune Kubilius.
- Creating an Outreach Program. Medical Library Association, Annual Meeting, Kansas City, MO, May 1996. Continuing education class taught with John A. Stey.

ADVISORY BOARDS

American Medical Association Electronic Publishing Advisory Board, Member, Chicago, IL, 2003- present.

Doody's Review Service, Advisory Board, Member, Chicago, IL, 2004-present.

COMMITTEES

Galter Health Sciences Library, Northwestern University Library Committee. Serve on committee to review services and set policy, Member, 1997-present.

Electronic Collections Committee. Northwestern University Main Library committee designed for multi-campus selection of e-resources for the university, Member, 2000-present.

Children's Memorial Hospital Library Committee. Serve on committee to review services and set policy for the library, Member, 2001-present.

Galter Library Assessment Committee. Organized and serve on committee to evaluate various library services and programs. Chair, 1997-present.

Galter Library Staff Development Committee. Organized and serve on committee to provide staff with development opportunities. Member, 1998-present.

Galter Library Communications Committee. Organized and serve on committee to promote library through various communications mechanisms. Chair 1997-2002, Member, 2003-present.

LibQual+ Liaison. Galter Library Liaison to Association of Research Libraries as a participant in the LibQual+ grant designed to develop a qualitative assessment tool for determining user's library needs, Liaison, 2000-2003.

Rehabilitation Institute of Chicago Library Committee. Serve on committee to select resources and set policy for the library, Member, 1997-03.

Consortium for Primary Care in Wisconsin. Distance Learning Subcommittee. Subcommittee created to assess the telecommunications availability in rural communities and interest in continuing education through distance learning, Member, 1996-97.

Objective Job Evaluation Employee Committee, University of Connecticut Health Center. Comprehensive, state-mandated job evaluation of health center employees to reduce gender-based pay inequities, Member, 1993-94.

HealthTech Steering Committee. Committee to plan and implement annual technology conference for New England. Multi-institutional project involving Massachusetts Medical Society, Blue Cross/Blue Shield, UNISYS, Baystate Medical Center, and NN/LM, Member, 1993-94.

Advances in Toxicology: Emergency Management of the Poisoned Patient Committee. Committee to plan regional conference sponsored by NN/LM, University of Connecticut School of Medicine, and Connecticut College of Emergency Room Physicians, Member, 1993.

Information Technology for the Healthcare Provider. Regional conference sponsored by the NN/LM, and the Veterans Administration Medical Center, Togus, ME, Planning Committee Member, 1995.

Regional Coordination of Biomedical Information Resources Task Force. Ongoing project to retain biomedical journals in libraries in Middle Atlantic and New England Regions, Co-chair, 1991-94.

GRANTS

National Grants

Partnership for Patient Empowerment through Community Awareness. National Library of Medicine, \$40,000, Principle Investigator, 2004.

Health SmartLibrary. National Library of Medicine, Information Systems Grant, \$277,000, Co-Investigator and Project Manager, 2001.

Wisconsin Training Regionally Employed Care Providers. Partnerships for Training Initiative. Robert Wood Johnson Foundation, \$1.3 million, Co-Investigator and Project Manager, 1996.

National Network of Libraries of Medicine Greater Midwest Region, 1996-2001. National Library of Medicine Contract, \$3.8 million, Co-Investigator and Associate Director, 1996.

Information Technology: An Introduction for Public Health. Friends of the National Library of Medicine, \$3,000, Co-Investigator and Project Manager, 1996.

The Iowa Biomedical Information Access Project. National Library of Medicine Enhancement, \$76,000, Co-Investigator and Project Manager, 1995.

Evaluating the Internet. National Library of Medicine Enhancement, \$90,000, Co-Investigator and Project Manager, 1994.

Toxicology and Information. Friends of the National Library of Medicine, \$3,000, Co-Investigator and Project Manager, 1993.

Regional/Local Grants and Awards

Redesigning Work in the Changing Library Workplace. National Network of Libraries of Medicine Greater Midwest Region. Staff Development Award, \$2,500, Principal Investigator, 2004.

Biotechnology Collection Partnership, Illinois Cooperative Collection Management Program, \$7,000, Co-Investigator, 2003.

The Papers of G.V. Black: Father of Modern Dentistry. Illinois State Library, E&A Digital Imaging of Illinois History and Cultural Heritage Material, \$7,961, Co-Investigator, 2001.

Bring in an Expert. Illinois State Library, Library Services and Technology Act, \$3,683, Co-Investigator and Project Manager, 1999.

HealthWeb Contract. National Network of Libraries of Medicine Greater Midwest Region, \$114,895, Co-Investigator and Project Manager, 1998.

Assessing the Continuing Education Needs of Primary Care Health Professionals Practicing in Rural Wisconsin Communities. Southwest Wisconsin AHEC, \$7,500, Principal Investigator, 1997.

Assessing the Biomedical Information Needs of Health Care Professionals in an Urban Environment. University of Illinois at Chicago, Great Cities Initiative Grant, \$8,000, Co-Investigator and Project Manager, 1995.

Butler Hospital Capital Campaign. Champlin Foundation and other small foundations, \$76,000, Co- Investigator, 1990.

PROFESSIONAL ACTIVITIES

Medical Library Association (MLA), Member, 1985–present

Elected Positions

- MLA Board, 2006-09; Treasurer 2007-09
- Section Council, 2005-06
- Nominating Committee, 2005

Appointments

- Task Force on MLA's Education Policy, Member, 2005-06
- 2005 National Program Committee, Co-chair, 2002-05
- MLA Books Panel, Member, 2000-03
- 2000 National Program Committee, Member, 1998-00
- E-Publishing Symposium Planning Committee, Member, 2000
- Ballot Counting Task Force, Chair, 2000
- Louise Darling Collection Development Award Jury, Member, 1998-99
- Grants and Scholarships Committee, Member, 1993–97, Chair 1996-97
- EBSCO Grant Jury, Member, 1994

Section Activities

- Collection Development Section, member, 1998-present, Chair, 2002-03
- Leadership and Management Section, Member, 2000-present
- Patient Safety Symposium Planning Committee, Co-chair, 2005-06
- Seize the Journal: E-Journal Archiving Models Symposium Planning Committee, Co-chair, 2003-04
- Collection Development Section National Program Committee, Member, 1999-02, Chair, 2001-02
- Medical Informatics Section, Member, 1991–95
- Hospital Libraries Section, Member, 1985–97
- Mental Health Librarians Section, Member, 1985–91

Regional Chapter Activities

Midwest Chapter, Member, 1995-present

North Atlantic Chapter, Member, 1985–94

- Education Committee, Member, 1988–94
- NAHSL Annual Meeting Planning Committee, Exhibits Chair, 1990

- NAHSL Annual Meeting Planning Committee, Evaluation Chair, 1985

Illinois Association of Health Sciences Librarians, Member, 1995-present

American Library Association External Review Panel. Reviewers for library school accreditation. Reviewer, 2000-present (have yet to be selected as a reviewer)

HealthWeb. Collaborative project between CIC health sciences libraries to organize and evaluate health sciences information available on the Internet.

- Board, Member, 2000-04
- Collection Development Working Group, Chair, 2001-04
- Initiatives Working Group, Chair, 2000-01
- By-laws Task Force, Member, 1999
- Grant Writing Subcommittee, Member, 1998-99
- Planning Committee, Member, 1995-96

Wisconsin Association of Health Sciences Librarians, Member, 1995-97

Connecticut Association of Health Sciences Librarians, Member, 1991–95

Connecticut Statewide Continuing Education Planning Committee. Committee to coordinate continuing education workshops among multi-type libraries. Committee organized by Connecticut State Library, Member, 1992–94

Rhode Island Inter-related Library Network Committee. Oversight Committee for Rhode Island Library Network administered through the State Library.

Member, 1987–91

- Standards for Libraries Task Force, Member 1990
- Interlibrary Loan Task Force, Member 1987

Association of Rhode Island Health Sciences Librarians, Member, 1985–91

- Secretary, 1991; President, 1989
- Interlibrary Loan Committee, Member, 1986–91, Chair, 1989–91
- DOCLINE Coordinator, 1989–91
- Book Union List Subcommittee, Chair, 1989
- Interlibrary Loan Code and Procedures Subcommittee, Member, 1988

Rhode Island Library Association, Member, 1983–91

- Publications Committee, Member, 1983-90, Chair; 1985-87
- Advertising Editor, RILA Bulletin, 1988–90;
- Finance Committee, Member, 1987–89;
- Government Relations Committee, Member, 1983–85
