

**Michael J. Malinowski**

Ernest R. and Iris M. Eldred Endowed Professor of Law  
Paul M. Hebert Law Center, Louisiana State University  
Law Center Building, Office 336  
Baton Rouge, Louisiana 70803-1000  
Tel: 225-578-8716; Fax: 225-578-5937  
Email: [michael.malinowski@law.lsu.edu](mailto:michael.malinowski@law.lsu.edu)

**Education:**

**Yale Law School**, New Haven, CT

JD, June 1991.

Articles Editor, *The Yale Law Journal* (lead editor of five articles); Intern, United States Attorney's Program; Participant, Temporary Restraining Order Program; Mediator, Community Mediation Program.

**Tufts University**, Medford, MA

BA, *summa cum laude*, May 1987.

Phi Beta Kappa, and Dean's List (all semesters). Semester Programs: University of London (Spring 1987), Washington Semester Program (Fall 1986).

**Teaching and Research Activities:**

**Paul M. Hebert Law Center, Louisiana State University (LSU)**, Baton Rouge, LA

July 2002-present.

Ernest R. and Iris M. Eldred Endowed Professor of Law

The first LSU Law Center faculty member jointly awarded tenure and "Professor" status.

Core Courses: Health Law Survey; Bioethics Law and Policy; Biotechnology: Law, Business, and Policy; Comparative Health Law; a range of health law-related seminars.

Secondary Courses: Health Care Finance and Policy; Regulation of Food and Drug Products; Public Health Law.

Lyon, France Summer Program (2008, 2007, 2006, and 2004): taught

Comparative Health Law and International Issues in Biotechnology.

Coach (fall 2004): National Health Law Moot Court Competition.

Ambassador, LSU-McGill Informal Faculty Exchange Program (spring 2004):

Visited McGill Law School, Montreal, Canada, and presented "Intellectual Property Rights in BioBanking: Credits, Debits, and Population Health Futures."

Conference Co-Chair (with Professor Bartha Maria Knoppers and Dr. Claude Bouchard) and Contributor (spring 2004): *The Genomics Revolution?: Science, Law & Policy*, an event co-hosted by the LSU Law Center, Pennington Biomedical Research Center (LSU), and the Center for Public Law Research, University of Montreal (sponsored in part by the Department of Energy, Ethical, Legal and Social Implications Program of the Human Genome Project).

Proceedings published by the *Louisiana Law Review* as a special “Centennial Symposium Issue” commemorating the Law Center’s anniversary.

**DePaul University College of Law, Chicago, IL**

Fall 2006 & Spring 2007

Visiting Professor of Law

Courses: Food and Drug Law; Health Policy & the Law; Health Care Law & Regulation; Regulation of Business Competition

**University of Georgia School of Law, Athens, GA**

Fall 2005.

Visiting Professor of Law.

Courses: Health Law Survey; Public Health Law.

**Hofstra University College of Law, Hempstead, NY**

Jan. 2002-June 2002.

Visiting Associate Professor of Law.

Courses: Bioethics: Law and Policy; Biotechnology: Law, Business, and Policy.

**Widener University School of Law, Wilmington, DE**

July 2000-June 2002.

Associate Professor of Law.

Faculty, Health Law Institute.

Courses: Biotechnology: Law, Business, and Policy; Food and Drug Law; Property I; Property II.

Chair and Contributor (2001): “Symposium, Conflicts of Interest in Clinical Research: Legal and Ethical Issues,” a live and published symposium organized with the Widener Symposium Law Journal.

**Arizona State University (ASU), College of Law, Tempe, AZ**

Sept. 1999-June 2000.

Distinguished Fellow in Law and Genetics, and Visiting Associate Professor of Law, Center for the Study of Law, Science and Technology.

Course: Commercial Life Science

Project Director: Organized and supervised initiative by “Students for Arizona Bioindustry Development, ASU,” which generated *White Paper, Bioindustry in Arizona, Recommendations for Economic Development* (Apr. 2001), available at <http://law.asu.edu/Programs/Sci-Tech/WhitePaper/Introduction.aspx>, and resulted in the founding of an Arizona affiliate of the Biotechnology Industry Organization (BIO), an international biotechnology trade organization.

Steering Committee and Contributor (2000): *Symposium, Liabilities at the Frontier of Predictive Genetic Testing* (live conference and journal symposium issue).

**University of Houston Law Center, Houston, TX**

Spring 1993.

Adjunct Professor of Law.

Course: Abortion – Law, Medicine, and Social Choice (through the Law Center’s Health law and Policy Institute).

**Publications:**

Work in progress: BIOTECHNOLOGY IN A NUTSHELL (West Nutshell Series).

Work in progress: TREATMENTS FOR DRUG DEVELOPMENT PUBERTY IN AN AGE OF HEALTH CARE REFORM (book manuscript).

Work in progress: *Throwing Dirt on Doctor Frankenstein’s Grave: Access to Experimental Treatments at the End of Life* (law review article).

*Government RX—Back to the Future in Science Funding? The Next Era in Drug Development*, 51 U. LOUISVILLE L. REV. 101 (2012).

*All that is Gold Does Not Glitter in Human Clinical Research: A Law-Policy Proposal to Brighten the Global “Gold Standard” for Drug Research and Development*, 45 CORNELL J. INT’L LAW 185 (2012) (co-author Grant G. Gautreaux).

*Drug Development—Stuck in a State of Puberty? Regulatory Reform of Human Clinical Research to Raise Responsiveness to the Reality of Human Variability*, 56 ST. LOUIS U. L.J. 363 (2012) (co-author Grant G. Gautreaux).

*Doctors, Patients, and Pills—A System Popping under Too Much Physician Discretion? A Law-Policy Prescription to Make Drug Approval More Meaningful in the Delivery of Health Care*, 33 CARDOZO L. REV. 1085 (2012).

Keynote, *A Law-Policy Proposal to Promote the Public Nature of Research in Contemporary Life Science*, presented at “A Discourse on the Public Nature of Research in Contemporary Life Science”, in BIENNIAL REVIEW OF LAW, SCIENCE AND TECHNOLOGY 2-24 (Wen-Tsong Chiou ed., 2010) (hosted by Academia Sinica, Taipei, Taiwan).

*Dealing with the Realities of Race and Ethnicity: A Bioethics-Centered Argument in Favor of Race-Based Genetics Research* 45 HOUSTON L. REV. 1415-1473 (2009) (presented at “One Origin, One Race, One Earth: Genetics, Human Rights and the Next Phase of Human Evolution,” Nov. 15-17, 2007, Calgary, Alberta, Canada, sponsored by the University of Calgary, Alberta Law Foundation, and Alberta Civil Liberties Research Centre).

*Commentary, Respecting, Rather than Reacting to, Race in Basic Biomedical Research: A Response to Professors Caulfield and Mwara*, 45 HOUSTON L. REV. 1475 (2009).

*United States Regulation of Stem Cell Research: Recasting Government's Role and Questions to be Resolved*, 20 HOFSTRA L. REV. 101-161, 383-445 (2009) (with Owen C.B. Hughes & Alan L. Jakimo).

*U.S. National Report: Legal Limitations on Genetic Research and the Commercialization of Its Results*, 54 AM. J. COMP. LAW 45, 45- 65 (with Prof. Radhika Rao) (prepared for the "17<sup>th</sup> International Congress on Comparative Law," Utrecht, Netherlands, July 16-22, 2006).

*Symposium, Ethics in a Global Biopharmaceutical Environment*, 5 SANTA CLARA J. INT'L. LAW 57 (2006) (live and published symposium entitled "The Globalization of Pharmaceutical Development: Race, Markets and Ethics").

*Symposium, A Law-Policy Proposal to Know Where Babies Come from During the Reproductive Revolution*, 9 IOWA J. RACE & GENDER 549 (2006) (live symposium Oct. 8-9, 2004).

*Symposium, Proceedings of "The Genomics Revolution?: Science, Law and Policy"*, 66 LA. L. REV. 1-143 (2005) (Special Centennial Issue) (co-principal investigator with Dr. Claude Bouchard and Dr. Bartha Knoppers, co-editor, and contributor for live and published symposium sponsored in part by the Department of Energy-Human Genome Project Ethical, Legal and Social Implications Program).

*Introduction: Proceedings of "The Genomics Revolution? Science, Law and Policy"*, 66 LA. L. REV. 1, 1-7 (2005) (with Bartha M. Knoppers & Claude Bouchard).

*Taking Genomics to the Biobank: Access to Human Biological Samples and Medical Information*, 66 LA. L. REV. 43, 43-67 (2005).

*Symposium, Could Biobanking Be a Means to Give Health Care "Have-Nots" a Presence in the Genomics Revolution?*, 9 DEPAUL J. HEALTH CARE L. 1005 (2005) (live symposium entitled "Disentangling Fact From Fiction: The Realities of Unequal Health Treatment," Mar. 5, 2005).

*Symposium, The Impact of Current Regulation on Future Stem Cell Human Health Applications*, 39 NEW ENG. LAW REV. 647, (2005) (live and published symposium).

*Health and Human Services, in DEVELOPMENTS IN ADMINISTRATIVE LAW AND REGULATORY PRACTICE 2003-2004* (ABA 2005).

*Symposium, Technology Transfer in BioBanking: Credits, Debits, and Population Health Futures*, in 33 J.L. MED. & ETHICS 54 ( 2005) (symposium on biobanking funded in part by the National Institutes of Health).

BIOTECHNOLOGY: LAW, BUSINESS, AND REGULATION (Aspen Law and Business/Little Brown, 1999 & Supps. 2000, 2001, 2002, 2003, 2004),

*Technology Transfer and Development Agreements, reprinted in*  
MICHAEL A. EPSTEIN & FRANK L. POLITANO, DRAFTING LICENSE  
AGREEMENTS ch. 14 (Aspen Law & Bus., 4<sup>th</sup> ed., 2002).

*Health and Human Services, in* DEVELOPMENTS IN ADMINISTRATIVE LAW AND  
REGULATORY PRACTICE 2002-2003 (ABA 2004) (with Christine Meis and Lori  
Hardaway).

*Choosing the Genes of Children: Our Eugenics Past—Present and Future?*, 36 CONN. L.  
REV. 125, 125-224 (2003).

*Health and Human Services, in* DEVELOPMENTS IN ADMINISTRATIVE LAW AND  
REGULATORY PRACTICE 2001-2002 (ABA 2003).

*Overview of FDA Regulation of Human Medicinal Products Developed With  
Biotechnology, in* BIOTECHNOLOGY LAW: 2002 979, 979-1016 (PLI 2002).

*Law, Policy, and Market Implications of Genetic Profiling in Drug Development, 2*  
HOUSTON J. HEALTH LAW & POL'Y 31, 31-61 (2002) (biotechnology symposium issue).

*Health and Human Services, in* DEVELOPMENTS IN ADMINISTRATIVE LAW AND  
REGULATORY PRACTICE 2000-2001 387-405 (ABA 2002).

Book Review Essay, *reviewing* PHARMACEUTICAL MEDICINE, BIOTECHNOLOGY AND  
EUROPEAN LAW (Cambridge Univ. Press 2001, Richard Goldberg & Julian Lonbay eds.),  
23 J. LEGAL MED. 159, 159-166 (2002).

*Symposium, Foreword: Academic-Industry Collaborations in the Clinic, 8* WIDENER L.  
SYMP. J. II, II-V (2001) (conceptualized, planned and chaired this symposium, “Conflicts  
of Interest in Clinical Research: Legal and Ethical Issues”).

*Institutional Conflicts and Responsibilities in an Age of Academic-Industry Alliances, 8*  
WIDENER L. SYMP. J. 47, 47-73 (2001).

*Health and Human Services, in* DEVELOPMENTS IN ADMINISTRATIVE LAW AND  
REGULATORY PRACTICE 1999-2000 321-334 (ABA 2001).

Book Review Essay, *The Commodity of Intellectual Property in the Risky Business of  
Life Science*, 41 JURIMETRICS 409, 409-416 (2001), *reviewing* PHILIP W. GRUBB, PATENTS  
FOR CHEMICALS, PHARMACEUTICALS AND BIOTECHNOLOGY: FUNDAMENTALS OF GLOBAL  
LAW, PRACTICE AND STRATEGY (Oxford University Press, 1999), *republished in*  
AGRICULTURAL LAW BIBLIOGRAPHY, National Agricultural Law Center, University of  
Arkansas, available at <http://www.nationalaglawcenter.org/> (2010).

*Separating Predictive Genetic Testing from Snake Oil: Regulation, Liabilities, and Lost Opportunities*, 41 JURIMETRICS 23, 23-52 (2001) (live and published symposium).

*Commercialization of Predictive Genetic Testing*, in GENETICS IN THE CLINIC 209-219 (Mary Mahwalkd & Victor McKusick eds., Mosby, Inc., 2001).

*The Cartagena Protocol on Biosafety: Effective Regulations or Merely an Empty Gesture?*, 20 BIOTECHNOLOGY L. REP. 10-15 (2-2001), *republished in* AGRICULTURAL LAW BIBLIOGRAPHY, National Agricultural Law Center, University of Arkansas, *available at* <http://www.nationalaglawcenter.org/> (2010).

*Biotechnology in the USA: Responsive Regulation in the Life Science Industry*, 2 INTERNATIONAL J. BIOTECHNOLOGY 16-26 (2000).

*FDA Regulation of Biotechnology Products for Human Use*, in ENCYCLOPEDIA OF ETHICAL, LEGAL, AND POLICY ISSUES IN BIOTECHNOLOGY (Dr. Maxwell J. Mehlman & Dr. Thomas Murray eds., John Wiley & Sons, Inc., 2000).

*Biotechnology in the USA: Responsive Regulation in the Life Science Industry*, INT'L J. BIOTECHNOLOGY, vol. 2, nos. 1/2/3, 16-26 (2000) (contribution to "International Conference on Biotechnology in the Global Economy" held at Harvard University, Kennedy School of Government, Sept. 2-3, 1999), *republished in* AGRICULTURAL LAW BIBLIOGRAPHY, National Agricultural Law Center, University of Arkansas, *available at* <http://www.nationalaglawcenter.org/> (2010).

*Transformation of a Research Platform into Commercial Products: The Impact of United States Federal Policy on Biotechnology*, in THE COMMERCIALIZATION OF GENETIC RESEARCH: ETHICAL, LEGAL, AND POLICY ISSUES 29-53 (Timothy Caulfield & Bryn Williams-Jones eds., Plenum Publications, 1999) (with Nick Littlefield; live and published symposium).

*Commercialization of Genetic Testing Services: The FDA, Market Forces, and Biological Tarot Cards*, 71 TULANE L. REV. 1211, 1211-1312 (1997) (with Robin J.R. Blatt).

*Globalization of Biotechnology and the Public Health Challenges Accompanying It*, 60 ALBANY L. REV. 119, 119-169 (Oct. 1996) (presented at the 1996 Law and Society Conference in Glasgow, Scotland), *republished in* AGRICULTURAL LAW BIBLIOGRAPHY, National Agricultural Law Center, University of Arkansas, *available at* <http://www.nationalaglawcenter.org/> (2010).

*Capitation, Advances in Medical Technology, and the Advent of a New Era in Medical Ethics*, 22 Am. J. L. & MED. 335, 335-360 (1996 symposium), *reprinted in* TAKING SIDES: CLASHING VIEWS ON CONTROVERSIAL BIOETHICAL ISSUES (Carol Levine ed., 7<sup>th</sup> ed., 1997).

*A False Start? The Impact of Federal Policy on the Genotechnology Industry*, 13 YALE J. REG. 163, 163-254 (Winter 1996) (with Professor Maureen A. O'Rourke).

*Square Pegs and Round Holes: Does the Sentencing of Corporate Citizens for Environmental Crimes Fit Within Guidelines?*, 8 FED. SENT. R. 230 (Jan./Feb. 1996) (with Professor Lucia A. Silecchia).

*Bringing Human Genome-Related Biotechnology to Market: A Matter of Survival*, THE HEALTH LAWYER: ABA FORUM ON HEALTH LAW, Vol. 8, No. 2 (Spring 1995).

*Coming into Being: Law, Ethics, and the Practice of Prenatal Genetic Screening*, 45 HASTINGS L. J. 1435, 1435-1526 (1994).

*The First Circuit: District Courts May Decide What is "Unusual" But Will They Take the Hint?*, 6 FED. SENT. R. 279 (Mar./Apr. 1994).

*"Hello, Dad – this is your Daughter. Can I get an abortion?": An Essay on the Minor's Right to a Confidential Abortion*, in ABORTION, MEDICINE AND THE LAW (J. Butler and D. Walbert eds., 4<sup>th</sup> ed. 1992).

Note, *Federal Enclaves and Local Law: Carving a Domestic Violence Exception Out of Exclusive Legislative Jurisdiction*, 100 YALE L. J. 189, 189-208 (1990).

### **Other Professional Employment:**

#### **Foley Hoag LLP, Boston, MA**

July 1998-Sept. 1999.

Counsel.

Practiced in areas of life science and health care, including technology transfer, FDA, and government strategies.

#### **Massachusetts Biotechnology Council, Inc., Cambridge, MA**

Aug. 1997-July 1998.

Manager of Government Affairs & Communications.

Responsibilities included advising the Board of Directors on policy matters and meeting with members of the Massachusetts Legislature and representatives from the Boston-area medical, patient, and industry communities.

#### **Kirkpatrick & Lockhart LLP, Boston, MA**

Sept. 1993 to July 1997.

Associate.

Argued before the United States Court of Appeals, handled securities arbitrations, and took and defended depositions for complex civil litigation. Extensive trial, briefing, and research experience.

**Honorable Carolyn Dineen King, United States Court of Appeals, Fifth Circuit,**  
Houston, TX  
Aug. 1992 to July 1993.  
Law Clerk.

**Honorable Emilio M. Garza, United States Court of Appeals, Fifth Circuit, San**  
Antonio, TX  
Aug. 1991 to July 1992.  
Law Clerk.

**Select Appointments:**

**French-American Chamber of Commerce Committee on Biotechnology.**  
November 2012 to present.  
Member.

**Louisiana Economic Development Office, Working Group: Technology Transfer**  
**and Commercialization.**  
Summer 2012 to present.  
Member.

**Louisiana Legislature Study Commission on Licensure of Behavior Analysts**  
Summer 2012 to present.

**Louisiana Behavior Analysis Association, LaBAA (professional organization)**  
Spring 2012 to present.

**LouisianaBio (biotech trade organization) Planning Committee**  
Spring 2009 to fall 2012.  
Member.

**21<sup>st</sup> Century Trust, Oxford University, Oxford, England**  
Mar. 1998-present.  
Fellow.

**Phi Beta Kappa**  
1986-present.

**Order of the Coif, Louisiana Chapter**  
May 2006—present.  
Honorary Member.

**American Bar Association, Washington, DC**  
Summer 2000-2005.  
Chair, Health and Human Services Committee, Administrative Law and Regulatory  
Practice Section.

Liaison, Special Committee on Bioethics and the Law.

**Genome Radio Project/DNA Files**, San Francisco, CA

Sept. 1995-Sept. 2000.

Formal Advisor. National Public Broadcasting project funded by the National Science Foundation, Department of Energy, National Academy of Sciences, and the Sloan Foundation.

**Biotechnology Industry Organization (BIO)**, Washington, DC

Sept. 1997 to Aug. 1999.

Member of the Bioethics Committee, the Biomedical Working Group, and the Reimbursement Committee.

**The Eunice Kennedy Shriver Center for Mental Retardation**, Waltham, MA

Summer 1996 to Summer 1999.

Waltham, MA. Member of the Law and Science Research Faculty.

**Special Committee on Genetic Information Policy**, Boston, MA

1995 to 1997.

Member of special legislative task force assembled by the Commonwealth of Massachusetts.

**Bar Admissions:**

Commonwealth of Massachusetts, the District of Columbia, and various federal courts (5<sup>th</sup> Cir., 1<sup>st</sup> Cir., MA Federal District Court).

**Select Engagements (2001--present):**

**B. F. Skinner Keynote Address, 39<sup>th</sup> Annual Applied Behavior Analysis International (ABAI) Conference**

**Presentation: Regulatory Reform of Drug Development to Raise Responsiveness to the Reality of Human Variability**

Minneapolis, Minnesota, May 2013

**2012 International Conference on Law and Society, Annual Meetings of the Law and Society Association and the Research Committee on Sociology of Law**

(International Sociological Association) (co-sponsored by the Canadian Law and Society Association, the Japanese Association of Sociology of Law, and the Socio-Legal Studies Association, United Kingdom).

Honolulu, Hawaii, June 5-8, 2012.

Panelist, race/ethnicity-based genetics research.

**5<sup>th</sup> International Conference on Social Science Research**

**Presentation: All that is Gold Does Not Glitter in Human Clinical Research: A Law-Policy Proposal to Raise the Global “Gold Standard” for Drug Research and Development.**

New Orleans, LA, Sept. 23-25, 2010

**9<sup>th</sup> International Conference on Health Economics, Management and Policy  
Presentation: All that is Gold Does Not Glitter in Human Clinical Research: A Law-Policy Proposal to Raise the Global “Gold Standard” for Drug Research and Development.**

Athens Institute for Education and Research (“AITNER”), Athens, Greece,  
June 28-July 1.

**Second Conference on Law, Science, and Technology: Science Regulation, Freedom of Research, and Pluralist Democracy**

**Keynote Address: A Law-Policy Proposal to Promote the Public Nature of Science in an Era of Academia-Industry Integration**

Institutum Iurisprudentiae of Academia Sinica of Taiwan, Taipei, Taiwan,  
December 21, 2008.

**Taiwan Law-Policy Panel Discussion (conflicts of interest and human subjects regulations in bioscience research and development)**

National University of Taiwan, Taipei, Taiwan, December 22, 2008.

**Presentation, Biotechnology Research and Development: Reflections on the Roles of Government, Academia, and Industry**

School of Law of Renmin University of China, Beijing, China, December 18, 2008.

**Presentation, Biotechnology Research and Development: Reflections on the Roles of Government, Academia, and Industry**

Evidence School of the University of Law and Politic, Beijing, China,  
December 16 2008.

**Annual Meeting, American College of Toxicology**

Tucson, AZ, Nov. 12, 2008. Presentation: Current Legal and Regulatory Requirements that May Affect Human Embryonic Stem Cell Research

**Ancestry in Health and Medicine Workshop: Expanding the Debate**

Hosted by the Health Law Institute, Law Centre, University of Alberta and the McLaughlin-Rotman Centre for Global Health Program on Life Sciences, Ethics and Policy, and to be held Apr. 8-9, 2008, in Toronto, Canada. Participant in this international “roundtable” workshop of approximately twenty invitees.

**Embryonic Stem Cells, Clones and Genes: Science, Politics and Values**

Hosted by Hofstra University, and held on Wednesday and Thursday, March 5-6, 2008.

Presenter: *Changing the Roles of Federal and State Government to Advance Human Embryonic Stem Cell Research: Biotech Research and Development Implications.*

**One Origin, One Race, One Earth: Genetics, Human Rights and the Next Phase of Human Evolution**

Hosted by the University of Calgary on November 15-17, 2007 and co-sponsored by the Alberta Civil Liberties Research Centre. Presenter: *A Bioethics-Centered Argument in Favor of Race-Based Genetics*; and *Genetic Research—Issues of Ownership and Control: Personalized Prescriptions and Medicine?* (panel that closed the event, hosted by Justice Rothstein, Canada Supreme Court).

**Taiwan Biobank**

Meeting hosted by Academia Sinica to launch the Taiwan Biobank held in Taipei, Taiwan, August 12-14, 2007. Presenter, *Biobanking in Contemporary Biopharmaceutical Research and Development: Case Studies on Access*.

**The Genetics Revolution**

Wellcome Trust Conference Centre, Cambridge, England, Aug. 20-26, 2006.  
21<sup>st</sup> Century Trust in partnership with the Stifterverband für die Deutsche Wissenschaft, the Deutsche Forschungsgemeinschaft, the Wellcome Trust and the UK Foreign and Commonwealth Office.  
Participant/Presenter.

**Symposium, The Globalization of Pharmaceutical Development: Race, Markets and Ethics**

San Jose, CA, Mar. 16-17, 2006.  
Santa Clara University College of Law  
Presenter.

**Symposium, Disentangling Fact From Fiction: The Realities of Unequal Health Treatment**

Chicago, Illinois, Mar. 5, 2005.  
*DePaul Journal of Health Care Law* and the Center for the Study of Race and Bioethics  
Presenter.

**Symposium, Stem Cell Research: Law, Policy and Ethics**

Boston, MA, Nov. 19-20, 2004.  
New England College of Law.  
Presenter.

**Stem Cell Guidelines Workshop:**

Washington, DC, Oct. 12-13, 2004.  
National Research Council, National Academy of Sciences.  
Presenter.

**Symposium, Assisted Reproductive Technology: Legal, Medical and Ethical Implications**

Iowa City, Iowa, Oct. 8-9, 2004.

Presenter: “A Law-Policy Proposal to Know Where Babies Come from During the Reproductive Revolution.”

**LSU Law Center-McGill University Law School Informal Faculty Exchange**

Montreal, Canada, Mar. 2004.

Presenter: “Intellectual Property Rights in BioBanking: Credits, Debits, and Population Health Futures.”

**The Genomics Revolution? Science, Law and Policy**

Baton Rouge, LA, Feb. 4-6, 2004.

Paul M. Hebert Law Center, LSU; Pennington Biomedical Research Center, LSU; Center for Public Law Research, University of Montreal. Grant funding from the Department of Energy, Ethical, Legal and Social Implications Program, Human Genome Project. Program Co-Chair, Co-Principal Investigator, and Presenter.

**The Biotechnology Revolution: American-German Science Conference**

Berlin/Potsdam, Germany, Oct. 22-25, 2003.

Conference of the Transatlantic Science and Humanities Program, Alexander von Humboldt Foundation. Participant.

**Health Law Scholars Workshop**

St. Louis, MO, Oct. 10-12, 2003.

American Society for Law, Medicine, and Ethics, and the University of St. Louis School of Law, Health Law Program.

Presenter: “Biobanking: Credits, Debits, and Health Care Futures.”

**New Frontiers: Policy Considerations and Options for Regulation of Assisted Reproduction Technology**

Seattle, WA, Feb. 12, 2003.

Program Organizer and Presenter.

**Hyett Speaker Lecture**

Nashville, TN, Apr. 2002.

Vanderbilt University Law School, Health Law Society.

Presenter: “The Impact of the Genomics Revolution on Health Care”

**Genes and Disability: Defining Health and the Goals of Medicine**

Tallahassee, FL, Mar. 2002.

Florida State Univ. School of Law.

Presenter: “Choosing the Genetic Makeup of Children: Our Eugenics Past—Present and Future?”

**Workshop, Global Governance of Technology**

Cambridge, MA, Apr. 2001.

Kennedy School of Gov., Center for International Development.  
Presenter: "Incentives for Technological Innovation."

**Conflicts of Interest in Clinical Research: Legal and Ethical Issues**

Wilmington, DE, Mar. 2001.

Widener Univ. School of Law, Health Law Institute.

Chair, Organizer, and Presenter: "Institutional Conflicts and Responsibilities in an Age of Academic-Industry Alliances."
