

CURRICULUM VITAE OF MICHELLE M. THOMPSON, PhD, GISP

University of New Orleans
College of Liberal Arts, Education and Human Development
Department of Planning and Urban Studies
380 Milneburg Hall
2000 Lakeshore Drive
New Orleans, LA 70148
(504) 280-6593
mmthomp1@uno.edu
http://works.bepress.com/michelle_m_thompson/

Background

Education

Cornell University, Graduate School, Doctor of Philosophy (PhD)
Department of City & Regional Planning, Ithaca, New York, January 2001
Dissertation: *The implications of spatial patterns and policies for residential valuation in Boston, Massachusetts*
<https://newcatalog.library.cornell.edu/catalog/8033124>

Cornell University, Graduate School, Masters of Regional Planning
Department of City & Regional Planning, Ithaca, New York, May 1984
Thesis: *The Development of Pedestrianization in the United States: A Case Study Evaluation of Boston's Downtown Crossing*
<https://newcatalog.library.cornell.edu/catalog/69177>

Syracuse University, Syracuse, New York, Bachelor of Arts Maxwell
School of Citizenship & Public Affairs, May 1982
Major: Policy Studies, Concentration: Gerontology

Professional Certification

Fellow, Royal Geographic Society, 2019
1 Kensington Gore,
London, SW7 2AR

Certified Geographic Information Services Professional (GISP) Certification #91061 – June 25, 2015
GIS Certification Institute (www.gisci.org), Des Plaines, Ill.

Experience

A. Academic

Department of Planning and Urban Studies, University of

Orleans, Associate Professor August 13, 2014 to present
Assistant Professor August 2008 to August 12, 2014

- Bachelor of Science in Urban Studies and Planning Advisor: Internships & Honors Program, Fall 2016 - present
- Bachelor of Science in Urban Studies and Planning Coordinator, 2016-2016
- PhD in Urban Studies Program Coordinator, 2009-2010
- Master of Science in Urban Studies Program Coordinator, 2009-2010

Visiting Lecturer/Scholar/Assistant Professor, Department of City & Regional Planning, Cornell University, 2001-2007

*CRP 395.2/629.1 "*Special Topics: Expanding the Planners' Toolkit: Using GIS for Neighborhood Analysis*"; Developed 3-credit in class and on-line geographic information systems course, April 2004. <https://www.planetizen.com/node/32152>

Faculty Associate, Lincoln Institute of Land Policy, Cambridge, Massachusetts, 2001-2009

Courses

UNIV 1001 University Success (revised)
URBN 3002 Introduction to Urban Studies (revised)
URBN 4005/5005 The Everyday City (revised)
URBN 4100/5100 Gentrification in Historic Districts (spring 2022, revised)
URBN 4670/5670 Grantwriting for Planners (revised and updated spring 2017)
MURP 2000 New Orleans Region (revised)
MURP 4005 Introduction to Neighborhood Planning (spring 2022, revised)
MURP 4050/5050 Urban Land Use Planning and Plan Making (updated 2018)
MURP 4081/5081 Information Technology for the Planning Profession (revised)
*Fall 2014: Designated UNO PLUS Service Learning Course
MURP 4200 American City Planning (spring 2022, revised)
MURP 4800 Urban Public Finance (revised)
MURP 4801/5801 Environmental Justice in Urban Environments (revised)
* University Honors section
MURP 6030 Social Policy Planning (revised)
MURP 6051 Housing & Community Development
DURB 6850 Seminar in Urban Studies (revised)
DURB 7030 Research Design Practicum (revised)

Adjunct Lecturer, Wells College, spring 2008

Adjunct Lecturer, University of Pennsylvania, summer 2007

Adjunct Lecturer, Harvard University, spring 2007

Cornell University, inaugural short & long *online only* course in geographic information systems (2004)
<https://www.planetizen.com/node/32152>

B. Other professional experiences:

- Mastercard Center for Inclusive Growth *Senior Data Fellow*. Focus on Financial Inclusion in Chicago and New Orleans. (Purchase, NY) 2020 – December 2021; now Alumni Fellow <https://www.mastercardcenter.org/our-fellows/michelle-thompson>
- Mastercard Center for Inclusive Growth *Data Fellow*. “*Understanding Financial Inclusion in New Orleans, LA*” (Purchase, NY) 2018-2019. <https://www.mastercardcenter.org/our-fellows/michelle-thompson>
- New America *Public Interest Technology Fellow*. “Financial Inclusion & Citizen Participation” project supported by Mastercard Center for Inclusive Growth & Mastercard (Purchase, NY) 2017-2018 <https://www.newamerica.org/public-interest-technology/financial-inclusion/>

<https://www.newamerica.org/public-interest-technology/blog/financial-inclusion-citizen-participation-project-bridging-data-gap-low-income-communities/>

- Planning Accreditation Board, Site Visitor Pool Member, October 2015 – present
-nominated by the Association for Collegiate Schools of Planning
<http://www.planningaccreditationboard.org/index.php?id=50>
- Planning Accreditation Board, Site Visitor Team Member, October 2017.
- Principal, Thompson Real Estate Consultants, LLC, 2012 – 2022
- Volunteer Program Advisor, Cross World Africa, Inc., 2007- present
- Principal, Thompson Real Estate Consulting, 2001 – 2012

Scholarly and Creative Productivity

1. Publications

a. Books

Thompson, Michelle M., Author. “Public and Private Participation Geographic Information Systems (p3GIS): Improving Community-led Engagement Neighborhood Plans and Policies using Technology.” Cornell University Press. May 2022, under review.

Linné, Mark with Michelle M. Thompson, co-Editors. [Visual Valuation: Implementing Valuation Modeling and Geographic Information Systems](#), Mark R. Linné, Michelle M. Thompson, Editors. Appraisal Institute. August 3, 2010. 343 pages.

B. Refereed/Invited Publications

a. Book chapters

Thompson, Michelle M. “Structuring People and Communities” as part of Chapter 8: Start Building Power for What’s Next in [The Tech That Comes Next: How Changemakers, Philanthropists, and Technologists Can Build an Equitable World](#) by Amy Ward & Afua Bruce, Authors/Editors. Wiley Publishers, 2022 <https://www.amazon.com/Tech-That-Comes-Next-Philanthropists/dp/1119859816>

Thompson, Michelle M., *“Using Data Science to Benefit Underserved Communities,”* Handbook of Disaster Risk Reduction for Resilience: Disaster Hydrological Resilience and Sustainability, Dr. Saeid Eslamian, Editor, HD3R-2021-Springer Publishing, chapter due August 15, 2020

Thompson, Michelle M. and Brittany N. Arceneaux, *“Public Participation Geographic Information Systems: A Model of Citizen Science to Promote Equitable Public Engagement,”* as found on page 243 in Equity Planning Lessons and Principles, edited by Norman Krumholz and Kathryn Wertheim Hexter, Cornell University Press Ithaca and London. Attribution-NonCommercial-NoDerivatives 4.0 International (CC BY-NC-ND 4.0): <https://creativecommons.org/licenses/by-nc-nd/4.0/>. First Year Teaching Advocate Award. Certificate created by the First Year Experience (FYE) and Alpha Lambda Delta (ALD). <http://www.uno.edu/fye/first-year-advocate-award.aspx>. August, 2015

Proud Privateer Award. Provided by the University of New Orleans Students Government. March 12, 2015

First Year Teaching Advocate Award. Certificate created by the First Year Experience (FYE) and Alpha Lambda Delta (ALD). <http://www.uno.edu/fye/first-year-advocate-award.aspx>. August 20, 2014

2012 Louisiana Special Achievement Award in Remote Sensing and GIS. RS/GIS Workshop Executive Committee. Presented at 28th Annual Louisiana Remote Sensing and GIS Workshop. April 24-26, 2012.

Faculty Mentor of the Year, Runner-up for 1st place. Southern Regional Education Board. 2011.

Faculty Fellows-In-Service, Cornell University, Ithaca, NY.

Public Service Center grants to 'advance academic service learning and public scholarship.' Funds were used to support advanced GIS methods analysis for the community-university partnership project with the Dudley Street Neighborhood Initiative in Boston, MA. 2007.

Environmental: Special Achievement in GIS, Environmental Systems Research Institute, San Diego, CA. Award for innovative Planning & Development Team that created the 'Community Lots,' Lincoln Institute of Land Policy, website providing community based organizations with online geographic information systems tools. Website provides academic and professional GIS users with 'best case' implementation strategies for community integration. 2005.

Certificate of Appreciation, Cornell University, Ithaca, NY

Honoree, and participant, in the Planning Students of Color: "A Salute to Blacks in Planning" symposium. Presented my contribution as lecturer in City & Regional Planning and as a licensed independent fee residential real estate appraiser. 2003.

Best of ACSP (2nd place). "The Effect of Market Value on Inner-City Residential Reinvestment"; Association of Collegiate Schools of Planning (ACSP). 1998.

Grants and Contracts

A. Grants and contracts received (Indicate project title, source and amount of grant and date grant was approved).

a. Principal investigator, co-principal investigator or equivalent

Principal Investigator. *UNO Leveraging External Expertise Program (LEEP). Grant. (\$2,460) for Community Roundtables: Peter Moskowitz, How to Kill a City, with Tulane Small Center, March 18, 2019; Dr. Eugene "Gus" Newport, Community Land Trust Policy & Practice, in cooperation with the Crescent City Community Land Trust, April 16, 2019*

Principal Investigator. *UNO President Travel Award. July 2017. \$1,500 for Association for Collegiate School of Planning conference.*

UNO Service Learning Competitive Stipend. The first UNO-approved service learning course in the Department. Award of \$1,750 to support installation of MURP 4081/5081 Applied GIS Information Technology for the Planning Profession. Spring 2015.

Gulf South Business Systems & Consultants Inc. (\$3,300) – for Sustainability & Globalization Lecture Series. November 2013.

Enterprise Community Partners (\$2,500) - for Sustainability & Globalization Lecture Series. September 2012.

WhoData.org, Greater New Orleans Foundation (\$50,000). June 2012.

Community Development Finance Curriculum, Greater New Orleans Foundation (\$125,000). (with M. Nelson). June 2012.

Technical Assistance Award from the GIS Corps for the NHS-UNO/PLUS Pilot Internet Mapping Service using ArcGIS Server 9.3; includes development of community web-based mapping resource; pro bono assistance value to be determined. Fall 2009 -2013.

Community Development Finance Interns, Louisiana Disaster Recovery Foundation (\$100,000). PI. Coordinated CDF program with M. Nelson. May 2011.

Community Development Finance Interns, Louisiana Disaster Recovery Foundation (with M. Nelson) (\$44,734). In partnership with Milano, The New School for Management and Urban Policy (total award \$50,000). May 2010.

Community Development Finance Curriculum, Greater New Orleans Foundation (with M. Nelson) (\$78,790). In partnership with Milano, The New School for Management and Urban Policy (total award \$165,493). November 2009.

Community Development Finance Curriculum, Ford Foundation (with M. Nelson) (\$119,022). In partnership with Milano, The New School for Management and Urban Policy (total award \$250,000). October 2009.

Beacon of Hope Resource Center. Sub-grant award from the Louisiana Disaster Recovery Foundation. (\$20,000). May 2009.

Dissertation Fellowship, Lincoln Institute of Land Policy (\$5,000). June 2000.

B. Grants and contracts applied for

a. Principal investigator, co-principal investigator or equivalent

Principal Investigator. UNO President Travel Fund, UNO Provost's Strategic Initiative Fund, Summer 2018;

Faculty Excellence in Service, University of New Orleans, Fall 2017. *Not awarded.*

Principal Investigator. UNO Office of Research & Sponsored Programs. Internal Grant Development Program with Department of Planning & Urban Studies with History. *"Visions of Urban History & Planning: The Oretha Castle Haley Corridor"*. \$35,000. October 20, 2017. *Not awarded.*

Principal Investigator. *UNO President Travel Fund*, UNO Provost's Strategic Initiative Fund, Fall 2016; submitted but not approved.

Lincoln Institute of Land Policy. Program on the People's Republic of China, *"Policy and Practice of Prefabricated Housing: A Global Perspective"*, submitted 12, 2, 2017; \$33,000; not awarded.

State of Louisiana Board of Regents (\$254,099) College of Liberal Arts. Technology Enhancement grant.

(with A. Cipolone). Fall 2014.

National Institute of Standards and Technology (NIST), United States Department of Commerce (DoC), Community Resilience Center of Excellence Program to be located at the University of New Orleans in partnership with (listed in alphabetical order): American Planning Association, Center for Planning Excellence, Greater New Orleans, Inc., Louisiana State University, RAND Corporation, Rutgers University, Texas A&M University, Texas Southern University, University of Hawaii at Hilo, University of Hawaii at Manoa, and the University of Utah. September 12, 2014. 2014-NIST-CR-COE-01

Gulf South Business Systems & Consultants Inc. (\$100,000) Letter of Funding Inquiry. (October 2013) – Request for Proposal submission accepted November 2013. Request for funding – December 2013.

HUD Healthy Homes Grant. (\$242,500) Co-Principal Investigator. Hoffman Triangle Quality of Life, Healthy Home Research and Rehab Workshop. (Total award \$750,000). March 2013.

Merritt C. Becker UNO Transportation Institute. Principal Investigator. Grant submission for research on New Orleans East economic development initiatives (total award \$35,000). February 2013.

Greater New Orleans Foundation. Principal Investigator. Letter of Intent to develop WhoData mobile web survey application (\$80,000). Original May 2012; Updated August 2012.

Knight Foundation. Principal Investigator. Letter of Intent to develop WhoData mobile web survey application (\$55,000). June 2012.

MetLife Foundation. Principal Investigator. Sub-award \$10,000 for work with Associated Neighborhood Development in Central City – New Orleans, LA for mapping services (with K. Washington, A.N.D.) May 2012.

Expanding Gulf Coast Maternal and Child Health: Strengthening Family Resilience in Disaster Prone Communities Experiencing Repeated Environmental Stressors (with Tulane University, School of Public Health and Tropical Medicine in the Department of Global Environmental Health Sciences). (\$230,125). March 2012.

Metropolitan Opportunities Program/Greater New Orleans Foundation. Letter of intent for WhoData web services. (\$100,000). December 2011.

National Science Foundation. IGERT: Nontraditional Graduate Education for Workforce Development in Nanomaterials Science and Technology. UNO application with Advanced Materials Research Institute and Planning & Urban Studies. (with C. O'Connor, W. Schluchter, M. Tarr and J. Wiley) (\$3,114,946) July 2011.

Louisiana Recovery Authority (\$262,032.74) with the Beacon of Hope Resource Center. January 2010.

Redefining the Top in Weak Market Cities: Evaluating the impacts of a 'socially motivated class.' Race to the Top, Lincoln Institute of Land Policy (with R. Ehrenfeucht and M. Nelson). (\$10,000). September 2008.

National Science Foundation. Community-based Data Interoperability Networks (INTEROP) (\$250,000) with Beacon of Hope Recovery Center and Regional Planning Commission. 2009.

Lincoln Institute of Land Policy David C. Lincoln Program in Taxation. (\$30,000) September 2009.

Lincoln Institute of Land Policy. Race to the Top. (\$10,000) (with M. Nelson and R. Ehrenfeucht). October 2008.

Thesis/Dissertation Committee Service (Fall 2009 – present)

a. Thesis or Dissertation Completed

E. Michelle Butcher, Bachelor of Science in Urban Studies & Planning, *“Rehabilitation and Blight Remediation: An Analysis of Affordable Housing Policy and Development in New Orleans”*, (**Chair** of Thesis Committee) Senior Honors Thesis; First honors thesis completed in PLUS; Spring 2017.
http://scholarworks.uno.edu/honors_theses/86/

Nada Toueir, PhD Candidate, *“The Relationship between Place Attachment, Memory, and Resilience. The Case of Post-Katrina New Orleans University of Montreal.”* (**Co-Chair** of Dissertation Committee) *successful defense in June 2016.

M. Johanna Leibe, PhD Student, *“Residential Recovery after Hurricane Katrina: How a Blight Remediation Policy Serves as a Public Health Implication.”* (**Chair** of Dissertation Committee through May 2012); successful defense Fall 2016.

Husni Qurt, PhD Student, *“The Exercise of Power: Counter Planning on the West Bank / Palestine.”* (**Chair** of Dissertation Committee through December 2011); successful defense spring 2016.

Taryn Dunn, MURP, *“Mixed Methods Study of Joint Use Agreements and Trends that Encourage their Proliferation”*, University of New Orleans (**Chair** of Thesis Committee) [moved to Capstone, Spring 2016]

Meghan Althoff, PhD, Tulane University, School of Public Health & Tropical Medicine, *“Individual, network, and neighborhood influences on HIV/STI risk behavior among Latino migrants in New Orleans”* (Member of Dissertation Committee) [May 2016]

Renee Bourgogne, PhD, *“The Croatian Community in Southeastern Louisiana: Immigration, Assimilation and the Retention of Ethnic Identity”*, University of New Orleans, (Member of Dissertation Committee) [December 2014]

Craig Johnson, PhD, *“Louisiana Assessors and the Diffusion of Innovations.”* University of New Orleans, (**Chair** of Dissertation Committee) [May 2013]

Brandon Haynes, PhD, *“A Gateway for Everyone to Believe: The Restoration of Identity in New Orleans Through Professional Football.”* (**Chair** of Dissertation Committee) [August 2013]

Christopher Guess, (**Chair** of Final Project Committee) “Eminent Domain as a tool for Economic Development in the Hoffman Triangle.” [Spring 2013]

Lawrence Guimont IV, MURP, “Transit Improvements to and from the Gentilly Woods Shopping Center University of New Orleans.” (Member of Thesis Committee) [Spring 2013]

Alena Anderson, MURP, “New Orleans East Commercial Corridor Economic Development Analysis.” University of New Orleans, December 2012. (**Chair** of Thesis Committee)

Scott Weston, MURP, “The New Freret: An Economic Overview of an Uptown New Orleans Neighborhood Business District” University of New Orleans, December 2012. (**Chair** of Final Project Committee)

Elizabeth Langlois, MSUS, “The Role of Health and Place in Shaping Environmental Perceptions of Residents in Fence-line and Non-Fence-line Communities in Louisiana,” University of New Orleans, December 2012. (Member of Thesis Committee)

Yulia Koublitskaia, PhD Candidate, “The Relationship of Legal and Extra-legal Factors: How Judges Come to Make their Decisions in Domestic Violence Cases,” University of New Orleans, August 2012. (Member of Dissertation Committee)

Ben Williams, MURP, “Understanding Land Use Grain: An Evaluation of Meaning and Measurement.” University of New Orleans, August 2012. (**Chair** of Thesis Committee)

Devon McGuinness, MURP, “Signage Regulation and the Municipal Planner: The Guide to the Actors and Interests in Municipal Codes.” University of New Orleans, December 2011. (Member of Final Project Committee).

Ronnie Nunez, MURP, “Vacant Big Boxes: City of New Orleans Locations and Policy.” University of New Orleans, August 2011. (**Chair** of Final Project Committee)

Brian Halusen, Masters of Real Estate, “Post Catastrophe/Conflict Reconstruction – Balancing Speed and Deliberation.” New York University. May 2011. (Member of Final Project Committee)

Brian Baldwin, MURP, “The Role of Geographic Information Systems in Post-Disaster Neighborhood Recovery: Lessons from Hurricane Katrina.” University of New Orleans May 2010. (**Chair** of Thesis Committee)

Jane Dufour, MURP, “Land Use Policy in Local Historic Districts and Incentives for Compliance in the Vieux Carré,” University of New Orleans May 2010. (**Chair** of Thesis Committee)

Chelsea Shelling, MURP, “Assessing School Neighborhood Walkability: A Targeted Approach to Safe Routes to School Programming,” University of New Orleans, August 2010. (**Chair** of Thesis Committee).

Nicole McCall, MURP, “Completing the Network: Exploring Cyclist Desires and Advocate Priorities for

Bicycle Parking.” University of New Orleans May 2010. (Member of Thesis Committee)

Alexis Leventhal, MURP, “Coupling targeting and community land trusts: A comprehensive strategy for revitalizing the Oretha Castle Haley Corridor in Central City,” University of New Orleans, August 2010. (Member of Thesis Committee)

Andrea McCarthy, MURP, “Corner culture: Corner stores in the Black Pearl neighborhood of New Orleans,” University of New Orleans, August 2010. (Member of Final Project Committee)

Kelly Butler, MURP, “Community mapping in post-Katrina New Orleans: A comparative analysis of citizen participation in Gentilly and Broadmoor,” Department of Planning and Urban Studies, University of New Orleans, December 2009. (Member of Final Project Committee)

Larry Massey, MURP, Final Project, “*Tourism Development and Urban Revitalization: A Case for the Farish Street Historic District*”; University of New Orleans, August 2009. (Member of Final Project Committee)

b. Thesis or Dissertation in Process

Florence Fleischer-Djoletto, PhD in Urban Studies. (**Chair** of Dissertation Committee) “*Built Environment Implications on Food Access and Physical Activity: A Case of Residents in a Low-Income Neighborhood in New Orleans.*” **Moved to PhD Candidate, Fall 2019.**

Nicole Coleman, PhD in Urban Studies. (**Chair** of Dissertation Committee) “*The Impacts of Advocacy Planning*”, Fall 2019 - present

Tong Shen, PhD in Planning. (**Member** of Dissertation Committee) “An Approach to Calculating the Effects of Parking Space Design & Locations using Real-Time Urban Congestion Data.”

Yang Ran, PhD in Urban Studies. (**Chair** of Dissertation Committee) “Mitigation Plan Effectiveness Assessment: A Study of Mitigation Plans and their Impact on Neighborhood Coping Capability.”

Chandra Teddleton, PhD in Urban Studies (Member of Dissertation Committee) “A case study of middle and upper-class black professionals electing to reside in the city of Atlanta from 2000 to 2010.”

c. Undergraduate Research

Raven Snow, Sociology. UNO Tolmas Scholar 2022, “Understanding New Orleans Qualified Opportunity Zone Investments 2022.” QOZ annotated bibliography resource.

Kielee Clement, Bachelor of Sciences in Urban Studies & Planning, Tolmas Scholar 2019, “Claiborne Corridor Cultural Innovation District and Social Blue Bikes in New Orleans, LA”.

Derreck Deason, Master of Science in Transportation, “Pulling GIS into Port: Implementation of Enterprise Geographic Information Systems (GIS)”, spring 2015.

http://works.bepress.com/derreck_blake_deason/17/ (2nd Place Innovate UNO Oral Presentation, spring

2016)

Tori Berliner, Bachelor of Sciences in Urban Studies & Planning, "Using Creative Placemaking To Facilitate Community & Economic Development" (Tied for 3rd Place Innovate UNO Oral Presentation) spring 2015.

Derreck Blake Deason, Bachelor of Sciences in Urban Studies & Planning, "Evaluating WhoData as a Collaborative Public Participation Geographic Information Systems" (Tied for 3rd Place Innovate UNO Oral Presentation and receive the *Privateer Choice Award* for the best overall research project) spring 2015.

Kelsea Hundtoft, Bachelor of Sciences in Urban Studies & Planning, "New Orleans Saints Sports: Understanding their Non-Profit Community Reinvestment" spring 2015.

Alex Dolmseth, Bachelor of Sciences in Urban Studies & Planning, "Oretha Castle Haley Boulevard: Evaluating Main Street Revitalization for Community Development" (5th Place Innovate UNO Oral Presentation) spring 2015.

Alexander Dolmseth, Bachelor of Sciences in Urban Studies & Planning, "Looking Back at the Future of Tremé: Using GIS and Smartphone Applications to Evaluate Historic Property Conditions and Land use for Expanding Community and Economic Development." (Chair/Supervisor of Research). Spring 2014. **First Place Oral Presentation.**

Graham Hayes, Bachelor of Sciences in Urban Studies & Planning, "Spatial Snapshot of the Black Pearl: How Publicly Available Data Can Contribute to Addressing Neighborhood Quality of Life Issues." (Chair/Supervisor of Research). Spring 2014.

Brittany Arceneaux, Bachelor of Sciences in Urban Studies & Planning, "Economic Impact of Pre-Purchase Homeowner Training Programs: A Case Study," (Chair/Supervisor of Research). Spring 2013

Josh Baer, Bachelor of Sciences in Urban Studies & Planning, "Bike Easy: Analyzing Bicycle Crime Incident Locations & Solutions," (Chair/Supervisor of Research). *First Place* Oral Presentation, 1 March 2013.

d. PhD Mentor for Classroom Teaching

Renéé Bourgoigne, Faculty Mentor for MURP 2000 *New Orleans Region*, spring 2014 and fall 2014

Brandon Haynes, Faculty Mentor for URBN 3002 *Introduction to Urban Studies* 2013

Major Areas of Creative Research or Interest

Geographic Information Systems (GIS); Real Estate and Market Valuation; Public Participation GIS; Community & Economic Development; Housing; Historic Preservation.

Other Professional Accomplishments

A. Manuscripts under submission

Thompson, Michelle M. and Jennie Garcia, "Cemetery Preservation: Using Technology to Promote Social Inclusion," article submitted to Journal of American Planning Association, January 2020.

B. Course/Program design and development

Courses

UNIV 1001 University Success (revised)
URBN 3002 Introduction to Urban Studies (revised)
URBN 4670/5670 Grantwriting for Planners (revised and updated spring 2017)
MURP 2000 New Orleans Region (spring 2014)
MURP 4005 Introduction to Neighborhood Planning (revised 2022)
MURP 4050/5050 Urban Land Use Planning and Plan Making (revised)
MURP 4081/5081 Information Technology for the Planning Profession (revised)
*Fall 2014: Designated UNO PLUS Service Learning Course
MURP 4200 American City Planning (revised)
MURP 4800 Urban Public Finance (revised)
MURP 4801/5801 Environmental Justice in Urban Environments (revised)
* University Honors section
MURP 6051 Housing & Community Development
DURB 6850 Seminar in Urban Studies (revised)
DURB 7030 Research Design Practicum (revised)
Adjunct Lecturer, Wells College, spring 2008
Adjunct Lecturer, University of Pennsylvania, summer 2007
Adjunct Lecturer, Harvard University, spring 2007

Cornell University, inaugural short & long *online only* course in geographic information systems (2004)
<https://www.planetizen.com/node/32152>

Program

Master of Urban and Regional Planning in the Department of Planning & Urban Studies. Completed expansion of *Housing and Community Economic Development* track to include the community development finance curriculum (with M. Nelson). 2010 – present.

C. Special Recognition for Teaching

Proud Privateer Award. Provided by the University of New Orleans Students Government. March 12, 2015, Fall 2015, Spring 2016

First Year Teaching Advocate Award, nominee. Certificate created by the First Year Experience (FYE) and Alpha Lambda Delta (ALD). <http://www.uno.edu/fye/first-year-advocate-award.aspx>. August 2015

First Year Teaching Advocate Award, nominee. Certificate created by the First Year Experience (FYE) an

Alpha Lambda Delta (ALD). <http://www.uno.edu/fye/first-year-advocate-award.aspx>. August 20, 2014

Spatial Perspectives on Analysis for Curriculum Enhancement, Instructional Development Award Recipient.
Award description: "helped to develop an urban and regional information system that has assisted community recovery efforts in New Orleans and provided related resources for undergraduate and graduate education on applications of geospatial methods." National Science Foundation. Fall 2008.

D. Academic Service

a. On-campus Roles (as administrator, committee member, etc.)

UNO Athletic Council, Invited Member, December 2016 - present

Louisiana Manufactured Housing Association Professorship in CUPA,
Spring 2016 – present
http://www.uno.edu/academicaffairs/endowedchairs/m_thompson.aspx

Bachelor of Science in Urban Studies and Planning Advisor for Honors
and Internships, Fall 2016 – Fall 2017

Bachelor of Science in Urban Studies and Planning Coordinator, Fall 2015 – Spring 2016

College of Liberal Arts Undergraduate Courses and Curriculum Committee, Fall 2015 – 2018

Interdisciplinary Studies Faculty Associate Council, January 2015 – present

UNO Service Learning Advisory Council, <http://www.uno.edu/service-learning/contact.aspx>, 2014 - 2018

COLA Undergraduate Research & Innovate UNO Committee, August 2012 – March 2013
<http://www.uno.edu/research/StudentResearch/InnovateUNO.aspx>

Coordinator of UNO PLUS Department Website, 2011 – 2013.

Faculty Mentor, UNO Lady Privateers Basketball Team, 2009 – 2014.

Co-Director of UNO Community Development Finance Program: Assist with the development of course curriculum, placement of program interns, review and approval of budgets, graduate assistant supervision, and collaboration with Milano New School. 2009 – 2012

Moderator and co-Organizer for College of Liberal Arts/University of New Orleans, PhD
Program in Urban Studies, "Workshop for PhD Students." February 2010.

University of New Orleans – Advanced GIS Refresher Workshop. Leader and co-organizer of College
of Liberal Arts 'Advanced GIS Refresher Workshop'. January 23, 2010.

New Orleans Redevelopment Authority Pilot Community Development Finance Lab. 2009-2010. New

Orleans Redevelopment Authority Intern Program Coordinator. 2009 – 2010.

PhD Graduate Program Coordinator. 2009 – 2010.

Masters of Science in Urban Studies Program Coordinator. 2009- 2010.

PhD Executive Committee. 2009 – 2010.

BoR Ernest G. Chachere Doctoral Diversity Fellowship Committee. 2009 – 2010.

Marcus B Christian scholarship Fellowship Committee. 2009 – 2010.

University of New Orleans Distance Learning Policy Group. 2008 – 2010.

Member, Faculty Search Committee, Department of Planning and Urban Studies, University of New Orleans (Assistant/Associate Professor of Hazard Mitigation Planning). 2008.

b. Off-campus (include speaking engagements)

(1) Organizations

City Council for City of New Orleans, Non Profit Parcel Fee Task Force, December 2019 – 2021
