1. ACADEMIC QUALIFICATIONS

- 1988 – 1995 PhD from Pierre & Marie Curie University (Paris VI), France
Title; "*Meta-modeling for schema transformation and code generation*"
Supervisor: Prof. Colette Rolland, Paris 1 La Sorbonne University.
- 1987 – 1988 Master of Science (DEA - *Diplôme d'Etude Approfondies*) in Computer Systems,
Pierre & Marie Curie University (Paris VI), France
- 1982 – 1987 Engineering diplomas in Computer Science
Annaba University, Algeria

2. RESEARCH INTERESTS

2.1 Information Systems analysis and design

- Meta-modeling and meta-CASE tools
- Method engineering
- Process modeling and enactment
- Web services and SOA

2.2 E-business and information technologies

- E-government tools evaluation
- Web based information systems
- E-commerce technologies

3. TEACHING ACTIVITIES

3.1 Actually

- Since 2010 "*CASE tools engineering*", Master program "[Information and Knowledge Systems Engineering and Management \(IKSEM\)](#)" Paris 1-Sorbonne University.
- Since 2006 "*Analysis and design of Information Systems*" (in French), 2nd year at Telecom Ecole de Management.
- Since 2006 "*Information Systems for Organizations*" (in French), 2nd year at Telecom Sud Paris.
- Since 2005 "*Process modeling and IS engineering*" (in French), Master program "[Information and Decision Systems](#)" Paris 1-Sorbonne University
- Since 1999 "*CASE tools engineering*" (in French), Master program "[Système d'Information et de Connaissance](#)" Institut d'Administration des Entreprises/Paris I La Sorbonne University.
- Since 1998 "*Introduction to Information Systems*" (in French), 1st year at Telecom Ecole de Management.

3.2 Past teaching activities

- 1998-2008 "*CASE tools*" (in French), 3rd year at Telecom Ecole de Management.
- 2001-2009 "*Data Base Management Systems*" (in French), 2nd year Telecom Engineering SudParis.
- 2003-2006 "*Internet technologies and e-business*", MSc "Information Technologies", Telecom & Management Sud Paris.
- 2000-2003 Coordinator and responsible for the 3rd year specialization curriculum "*E-business*" (in French & in English), Telecom Business School
- 1990-2001 "*Data base and Oracle CASE*" (in French), MIAGE, Paris 1-Sorbonne University
- 1989-1990 "*C programming language*" (in French), EPSI, Paris
- 1988-1989 "*Unix system*" (in French), EPITA, Paris

5. FUNDED RESEARCH CONTRACTS

- ProAdmin project, from January 1st 2005 to December 31st 2005, global budget 30k€, details at <http://www-public.it-sudparis.eu/~assar/proadmin/>

6. EDITORIAL RESPONSABILITIES:

6.1 Editorial board membership

- Associate Editor and editorial board member: Information Technology for Development Journal (contact: Sajda Qureshi, squreshi@ist.unomaha.edu)

- Associate editor and editorial board member: International Journal of Social and Organizational Dynamics in IT (contact: Michael Knight, knighm@uwgb.edu)
- Editorial board member: Journal of Information Technology Management (JITM) (contact: A. Bento, abento@ubalt.edu)
- Co-editor (with R. Watson and R. El Amrani) of a special issue (vol.16, n°3, Sept. 2010) of the Information Technology for Development Journal (contact: Sajda Qureshi, squreshi@ist.unomaha.edu)

6.2 Program Committee membership

- Research Challenge in Information Science (RCIS) conference: 2012, 2013, 2014.
- INFORSID conference: 2011, 2012, 2014.
- Association Information et Management conference: 2004, 2007, 2008, 2009, 2010, 2011, 2012.
- Workshop on Research Methods in Information Systems (RMiIS), 05 April, 2014, Nantes – France.
- IADIS International conference on Information Systems: 2008, 2009, 2010, 2011, 2012, 2013, 2014.
- IADIS International conference on e-commerce: 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014.
- 6th Mediterranean Conference on Information Systems (MCIS 2011), track: "Design Theory and Research", September 3-5, 2011, Limassol – Cyprus.
- International Conference on Information Systems (ICIS 2010), track 19: "Systems Development and Alternative Methodologies", reviewer for M. Bidan (associate editor), December 12-15, 2010, Saint Louis, Missouri – USA.
- 6th International Conference on e-Government, September 30-October 01, 2010, Cape Town, South Africa.
- 5th International Conference on e-Government, October 19-20, 2009, Boston, Massachusetts – USA.
- International Conference on Information Systems (ICIS 2008) - Track "Design Theory and Research", December 14 -17, 2008, Paris – France.
- 4th International Conference on e-Government, 23-24 October 2008, Melbourne – Australia.
- 4th International Workshop On Business Process Design, September 1, 2008, Milan – Italy.
- 2nd MADS workshop, May 27th, 2008, Fontainebleau-France.
- 15th European Conference on Information System (ECIS) – Tracks "*Mobile & Emerging Technologies for IS*" and "*IS Research Methodologies*", June 07th-09th, 2007, St. Gallen – Switzerland.
- 2007 IRMA International Conference, May 19th-23rd, 2007, Vancouver, British Columbia, Canada.
- IBIMA International Conference on Internet & Information Technology in Modern Organizations: 2005, 2006.
- The 4th International Business Information Management Conference, July 4th – 6th, 2004, Amman-Jordan.
- IFIP WG8.1 Working Conference on Engineering IS in the Internet Context, September 25th- 27th, 2002, Kanazawa-Japan.

6.3 Reviewing for journal editors

- Member of the editorial board for a special issue of the journal "Ingénierie des Systèmes d'Information", 2013, contact (Samira Si Saïd Cherfi, CNAM).
- Occasional reviewer for the *Journal of the AIS*
- Occasional reviewer for the *Journal of Internet Commerce*
- Occasional reviewer for the electronic journal *Communication of the AIS*
- Reviewer for the *European and Mediterranean Conference on Information Systems 2006*

6.4 Organization committee membership

- Track co-chair on [Methods, Tools and Human Factors in IS/IT Development and Management](#), European Conference on IS (ECIS), 6-8 June 2013, Utrecht, Netherlands.
- Organization Committee member and proceedings chair for RCIS'13 conference (May 27-30, 2013, Paris, France, <http://rcis-conf.com/rcis2013/>)
- Co-chair of the *pre-ICIS'08 International Development workshop*, (December 14th, 2008 <http://www-public.it-sudparis.eu/~assar/pre-ICIS08/>)
- Co-chair of the 5th AIM *pre-ICIS workshop "A management perspective on Web services"* (December 2006, Milwaukee – USA, <http://www-public.int-evry.fr/~assar/AIM-pre-ICIS06/>)
- Co-chair of the professional seminar "*DEMAP*" (June 2006, INT, <http://www-public.int-evry.fr/~assar/demap/>)

- Member of the organizing committee and webmaster for the 13th *International Conference on Requirements Engineering* (September 2005, Paris, <http://www.re05.fr>)
- Co-chair organizing committee Workshop "*E-government and IS*" (March 2005, ENST Paris, <http://ebiz.int-evry.fr/e-gouv>)
- Member of the organizing committee for the 9th *conference of the AIM Association* (May 2004, Evry-France, <http://www.aim2004.int-evry.fr>)
- Co-chair *Doctoral Consortium at the 9th conference of the AIM Association* (May 2004, Evry-France, <http://www.aim2004.int-evry.fr>)
- Co-chair Workshop *Component Based Business Information Systems* at the OOIS'03 conference (September 2003, Geneva Switzerland, <http://ebiz.int-evry.fr/cbbise03/>)
- Webmaster *IFIP WG8.1 Working Conference on Engineering IS in the Internet Context*" (September 2002, Kanazawa-Japan, (<http://ebiz.int-evry.fr/ifip2002-wc/>))
- Co-organizing chair of the *Doctoral Consortium at the CAISE'95* conference, Jyväskylä, Finlande.

6.5 Scientific committees:

- 2005-2009: External member of the mathematics and computer science selection committee at the Paris I – Sorbonne University.

6.6 Scientific associations membership

- Member of IEEE
- Member of the AIS (*Association for Information Systems*), <http://plone.aisnet.org>
- Member of the AIM (*French Information & Management Association*), <http://www.aim.asso.fr/>

7. RESEARCH SUPERVISION

7.1 PhD Thesis supervision

- Ongoing Sana MALLOULI: "**Formalization of model executability**" (in French) in collaboration with professor C. Souveyet, Université Paris I La Sorbonne, thesis defense expected in December 2013.
- Ongoing Yaneli CRUZ: "Learning style impact on mobile learning" in collaboration with Imed Boughzala and L'instituto Tecnológico Autónomo de México (ITAM), thesis defense expected in December 2015.
- 2011 Kadan ALJOUAAA: "**Search and publication of intentional web services**" (in French), defended on October 20th, 2011, professor Colette Rolland main supervisor, Université Paris I La Sorbonne.
- 2009 Ana-Lidia FRANZONI: "**Exploring the relationships between learning style and e-media in distance learning**", defended on December 10th, 2009, prof. Jean-Louis Ermine main supervisor, TELECOM & Management Sud Paris–Troyes University (France) in collaboration with L'instituto Tecnológico Autónomo de México (ITAM).
- 2009 Hamid El-GHAZI: "**MV-TMM: A multi-view approach for requirement traceability management**" (in French), defended on July 13th, 2009, prof. Colette Rolland main supervisor, Université Paris I La Sorbonne.
- 2005 Marc-Henri EDME: "**A proposal for intentions modeling and guidance in IS usage**" (in French), defended on July 9th, 2005, Prof. Colette Rolland main supervisor, Paris I La Sorbonne University.

7.2 Participation in PhD dissertation defense

- 2005 Iyad ZOUKAR: "**MIBE: A requirements engineering method for ERP implementation**" (in French) Paris 1-Sorbonne University, supervised by Prof. Colette Rolland, April 2005.
- 2003 Juan Fernando VELEZ: "**A process centered software environment proposal for information systems engineering**" (in French), Paris 1-Sorbonne University, supervised by Prof. Colette Rolland, January 2003.

7.3 Master Thesis supervision

1. Alain LILE : "**How to model and measure the functional and non-functional impacts of a cots solution?**" IKSEM Master Thesis "*Information and Knowledge Systems Engineering and Management*" at *Institut d'Administration des Entreprises* (IAE), in collaboration with Crédit Agricole, September 2013.
2. Mikaël CAPELLI : « **Comment exploiter la classification des données pour protéger le secret bancaire et prévenir les crises financières systémiques ?** » Master thesis "*Système d'Information et de Connaissance (Information and Knowledge Systems)*" at *Institut d'Administration des Entreprises* (IAE), in collaboration with IBM, September 2013.

3. Charles LEGRAND : « **Méthodologie d'élaboration des sites web mobiles : guide d'utilisation des bonnes pratiques** », Master thesis "Système d'Information et de Connaissance (*Information and Knowledge Systems*)" at *Institut d'Administration des Entreprises* (IAE), in collaboration with Business & Decision, September 2013.
4. Soudalatchoumy SAMBATH: "**To derive non regression test cases to conduct efficiently testing process**" IKSEM Master Thesis "*Information and Knowledge Systems Engineering and Management*" at *Institut d'Administration des Entreprises* (IAE), in collaboration with Société Generale, September 2012.
5. Adsya SIVAGNANAM: "**Generation and construction**" (*in French*), Master thesis "Système d'Information et de Connaissance (*Information and Knowledge Systems*)" at *Institut d'Administration des Entreprises* (IAE), in collaboration with LVMH, September 2012.
6. Sathiyanaayanan RANGANATHAN: "**How to define a methodology dealing with the issues of migration & business process reengineering in a legacy information system migration project**" IKSEM Master Thesis "*Information and Knowledge Systems Engineering and Management*" at *Institut d'Administration des Entreprises* (IAE), in collaboration with HSBC, September 2012.
7. Vivien DE HORTA: "**Collaborer via un portail Web - Analyse d'un cas d'entreprise et proposition d'un plan d'action**" (*in French*), Master thesis "Système d'Information et de Connaissance (*Information and Knowledge Systems*)" at *Institut d'Administration des Entreprises* (IAE), in collaboration with LVMH, September 2012.
8. Loris CONTASTIN: "**La Sauvegarde en Datacenter : Comment assurer sa conformité et le maintien de son fonctionnement ?**" (*in French*), Master thesis "Système d'Information et de Connaissance (*Information and Knowledge Systems*)" at *Institut d'Administration des Entreprises* (IAE), in collaboration with IBM, September 2012.
