## Preface to the Seventh Edition

I thank the New Zealand Council of Law Reporting, with whose kind permission I continue to include the list of abbreviations of law reports taken from the Cumulative Index of the *New Zealand Law Reports*. I thank Daisy Coles, Robyn Mackay and LexisNexis staff for their efficiency and expertise. I thank those readers of the previous edition, such as Seth Tillman, who have sent me suggestions for improvements to the *Dictionary*. As always, I am grateful to my family for their continued patience and support.
