

Steven E. Daniels

Biography

Steve Daniels is a Community Development Specialist in University Extension and Professor in the Department of Sociology, Social Work, and Anthropology and in the Department of Environment and Society. Previously, he was the Director of the Western Rural Development Center at Utah State University (1999-2004), on the faculty at Oregon State University as a professor of forest policy and economics (1989-1999) and on the faculty of Utah State University (1986-1988).

Much of Dr. Daniels professional interests focus on community linkages to natural resources and in collaborative processes in natural resource management. He has been involved in a number of community-level collaborations, primarily in the Pacific Northwest. With Dr. Gregg Walker of OSU, he is a co-author of “Working Through Environmental Conflict: The Collaborative Learning Approach.”

In addition to the Collaborative Learning book, Dr. Daniels has published more than 80 scientific papers, book chapters, and reports. Many of these report experiences or methods developed through Collaborative Learning projects on behalf of agencies or communities. Working with various federal natural resource management agencies has been Dr. Daniels’ major area of practice. As a result of this broad base of experience, Dr. Daniels has taught in courses for several agencies, NGOs, and at 14 universities in the USA and abroad.

GRANTS AND COOPERATIVE AGREEMENTS

- 2006-08 Statewide Socioeconomic Assessment. Utah Office of Public Lands Policy Coordination. \$750,000
- 2005-06 Review of the Socioeconomic Analysis in the Draft Environmental Impact Statement prepared by the USDI-Bureau of Land Management Richfield Field Office. Six County Association of Governments. . \$33,500.
- 2005-07 Community Forestry Evaluation. Ford Foundation. \$825,000. (One of seven lead investigators on a national study evaluating the outcomes of the Ford Foundation's \$15mm investment into community-based forestry.)
- 2004-06 Existing and potential incentives for practicing sustainable forestry on non-industrial private forest lands. National Commission for Science for Sustainable Forestry. \$50,000. One of five PIs on a national study of forestry incentive programs.
- 2004 Western Rural Development Center operating grant. USDA-CSREES \$310,000 (annually) \$35,000 additional from Utah State University.
- 2001 Managing Wildfire Risk Conference USDA-Forest Service. USDA-CSREES, and USDI-Bureau of Land Management \$56,000
- 1999-2003 Western Rural Development Center operating grant. USDA-CSREES \$255,000 (annually) \$35,000 additional from Utah State University.
- 1995-98 Sustainable Forestry Partnership. MacArthur Foundation. \$335,000 (awarded to project team.)
- 1995-96 USDA Forest Service. \$20,000. Tracking Displaced Timber Workers through Various Reemployment Scenarios: An Exploratory Analysis.
- 1994-95 Collaborative Learning and Fire Recovery on the Wenatchee National Forest. \$40,000 through OSU; \$30,000 through WSU. Co-PI with Gregg Walker on OSU portion, Matt Carroll and Keith Blatner on WSU portion.
- 1994 Decision Making and Ecosystem Management. USDA-Forest Service PNW Experiment Station Co-operative Research Agreement. \$20,000.
- 1994 Institutional Barriers to Salvage in the Blue Mountains Region of Oregon. USDA-Forest Service PNW Experiment Station Co-operative Research Agreement. \$12,000.

- 1993 Inventory and Market Considerations in Salvage Harvesting in the Blue Mountains Region of Oregon. USDA-Forest Service PNW Experiment Station Co-operative Research Agreement. \$12,000.
- 1992-95 Reviewing Public Participation Practices: A Procedural Justice Approach. Boise-Cascade Endowed Forest Policy Research Project. Approx. \$30,000/year; co-PI with George Stankey.
- 1992-3 Collaborative Discussions about Natural Resource Management: Possible Mechanisms for Addressing Forest Health. USDA Forest Service, Eastside Forest Health Initiative. \$20,000.
- 1992 Institutional Barriers to Addressing Forest Health in the Blue Mountains: A Synthesis. USDA Forest Service, Blue Mountains Natural Resources Institute. \$8250.
- 1992 Fellowship to attend Summer Institute on Negotiation and Dispute Resolution, Center for Advanced Study in the Behavioral Sciences. Andrew W. Mellon Foundation. \$4500.
- 1992 Review of Public Participation techniques and applications. USDA Forest Service Pacific Northwest Experiment Station. \$5000.
- 1991 "Class Differences and Formalized Public Participation as Barriers to Dispute Resolution." Fund for Research on Dispute Resolution. Unsuccessful Proposal. The annual FRDR grants are very competitive. In 1991, they had 156 applications, and selected 17 to compete in a second round, of which they funded five. Our proposal was in the second round, but rejected for "having clear empirical application, but that was not FRDR's goal." \$56,388.
- 1991 Socioeconomic Research Feasibility Study. USDA Forest Service Pacific Northwest Experiment Station/Oregon State University COPE Program. \$25,000.
- 1991 "Economic Impacts of Long-Rotation Alternative Silvicultural Practices." USDA-Forest Service Pacific Northwest Forest Experiment Station Cooperative Agreement. \$5500 (summer funding for a graduate student).
- 1990 "Forest Industry, Forest Products, and Forest Resources Data." USDA-Forest Service Pacific Northwest Forest Experiment Station Cooperative Agreement. \$4500 (summer funding for a graduate student).
- 1987 "Estimating the Present Net Value of a Fuelwood Pelletization Industry in Utah." Utah

State University Competitive Faculty Grant. \$7547.

1987 "Demand and Value of Personal Use Christmas Tree Cutting in Utah." USDA-Forest Service Rocky Mountain Forest Experiment Station Cooperative Agreement. \$12,950.

1986 "Estimating Recreation Supply Functions." USDA-Forest Service Southeastern Forest Experiment Station Cooperative Agreement. \$24,000.
