EDUCATION

Georgia Southern College, Statesboro, GA. B.S., Biology (1987)

Clemson University, Clemson, SC. M.S., Entomology (1989)

University of South Carolina, Columbia, SC. Ph.D., Public Health (1994)

WORK EXPERIENCE

Professor (Tenured – Department of Biostatistics, Epidemiology, & Environmental Health Sciences), Giann-Ping Hsu College of Public Health, Georgia Southern University, August 2012 to Present.

- Duties included teaching/participation at all levels in the Public Health curriculum at Georgia Southern University (Full-time Graduate Faculty). Classes taught included Epidemiology, Health Promotion Planning & Evaluation, Public Health Surveillance, and Integrated Capstone.

Dean, July 2020 to July Present.

- Duties include providing leadership, direction, and administrative oversight for all aspects of the JPHCOPH.

Interim Dean, July 2019 to July 2020.

- Duties included providing leadership, direction, and administrative oversight for all aspects of the JPHCOPH.

Associate Dean of Academic Affairs, September 2012 to June 2019.

- Duties included providing leadership, direction, and administrative oversight for all matters related to academic affairs, including developing, organizing, supporting, and assessing all the academic programs and academic activities of the JPHCOPH. Additional duties included all logistical aspects of the JPHCOPH as they relate to daily College function.

Associate Professor (Tenured), Giann-Ping Hsu College of Public Health, Georgia Southern University, August 2006 to 2012.

- Duties included teaching/participation at all levels in the Public Health curriculum at Georgia Southern University (Full-time Graduate Faculty). Classes taught included Epidemiology, Health Promotion Planning & Evaluation, Community Health Analysis, Health Behavior Theory, and Public Health Surveillance.

Interim Associate Dean of Academic Affairs, September 2011 to 2012.

- Duties included providing leadership, direction, and administrative oversight for all matters related to academic affairs, including developing, organizing, supporting, and assessing all the academic programs and academic activities of the JPHCOPH. Additional duties included all logistical aspects of the JPHCOPH as they relate to faculty evaluation, assessment, faculty annual

performance reviews, faculty searches, faculty appointments, and any personnel issues (faculty or staff) related to daily College function.

Director, Office of Public Health Practice and Community Service, August 2007 to September 2011.

- Duties included directing all administrative aspects of the Office of Public Health Practice. Specific duties include, but are not limited to, developing community-based initiatives/partnerships, developing and coordinating practical field experiences, developing public health workforce initiatives, and facilitating the service aspects of the CEPH accreditation process.

Director, Center for Rural Health & Research, August 2006 to 2009.

- Duties included directing all administrative and research aspects of the Center for Rural Health & Research.

Assistant Professor, College of Health and Human Sciences, Georgia Southern University, August 2000 to 2006.

- Duties included teaching/participation at all levels in the Public Health curriculum at Georgia Southern University (Full-time Graduate Faculty). Classes taught included Epidemiology, Health Promotion Planning & Evaluation, Community Health Analysis, and Health Behavior Theory.

Director, Center for Rural Health & Research, August 2003 to 2005.

- Duties included directing all administrative and research aspects of the Center for Rural Health & Research.

Adjunct Faculty, Mercer University School of Medicine, August 2000 to 2002

- Medical Curriculum - Duties included acting as a consult to the Department of Community Medicine in matters related to training undergraduate medical students the concepts of population-based medicine.

Assistant Professor, Mercer University School of Medicine, August 1994 to 2000.

- Medical Curriculum - Duties included the management of all aspects (curricular design, implementation, teaching, and evaluation) of the problem-based medical curriculum administered through the Department of Community Medicine. The Department's curriculum centered around an evidence-based approach to medicine and included the basic principles of prevention, public health practice, epidemiology, biostatistics, research design, rural medicine, and health care delivery.
- Master of Public Health Curriculum - Duties included the design, coordination, implementation, and evaluation of the public health curriculum at the medical school. Teaching duties in the MPH curriculum included epidemiology, small area analysis, demographics and community health assessment.
- Preceptor Recruitment, Retention, and Development - Duties included assisting colleagues in the maintenance and improvement of the Department's statewide physician preceptor network.
- Research - Duties included collaboration in all areas of population-based medical research. Experience in this area includes surveillance of health-related outcomes, community health assessments, health education and promotion, health planning, medical site/specialty preference, and rural health.

Research Assistant, University of South Carolina, July 1990 to May 1994.

- Research - Duties included the epidemiology, ecology, and control of vector-borne diseases. Specific areas of research included surveillance and control of tick populations as vectors of Lyme

disease in coastal South Carolina. Additional research experience included assistance with laboratory and field bioassays of vector susceptibility, improved methods of pesticide application used in vector control, and field evaluations of mosquito repellents.

- Teaching - Duties included participation in a variety of short courses offered to domestic and international students interested in vector ecology, control, bionomics and surveillance.
- International experience - Consisted of 2 weeks in the Dominican Republic assisting with the evaluation of chemical strategies for emergency Dengue control.

Research Assistant, Clemson University, August 1987 to December 1989.

- Research - Duties included the evaluation of *Ophyra aenescens*, a facultative predator, as an effective biological control alternative for managing house flies in poultry operations.

AWARDS & RECOGNITIONS

- Georgia Rural Health Researcher of the Year - 1998
- National Rural Health Research Agenda Conference (Invitational Conference) – 1999
- Delta Omega Honorary Society in Public Health – Inducted May 1, 2012
- Delta Omega Gamma Theta Chapter Public Health Practice and Research Award – 2021

UNIVERSITY COMMITTEE SERVICE

- Faculty Senate, 2001 - 2004; 2009 - 2012
- Academic Standards Committee, 2002 - 2004; 2008 - 2011
-Chair, 2009 - 2011
- Senate Executive Committee, 2003 – 2004; 2010 - 2012
- University Wellness Council, 2005 - 2007
- Faculty Senate Alternate, 2005 - 2006; 2008 - 2009
- Faculty Grievance Committee, 2006 - 2007
- Undergraduate Curriculum Committee, 2006 - 2007
- Pandemic Influenza Drill, 2006 – 2007
- Faculty Service Committee, 2007 - 2010
-Chair, 2009 - 2010
- Institute of Arthropodology & Parasitology Search Committee, 2010 - 2012
- Covid-19 POD Command Team, 2020 to present
- Covid-19 Situation Report Committee, 2020 to present

COLLEGE OF HEALTH & HUMAN SCIENCES COMMITTEE SERVICE

- Marketing Cluster, 2000 - 2001
- Health Cluster, 2000 - 2005
- Center for Rural Health and Research Faculty Advisor, 2000 - 2003
- DIRB Committee, 2001 – 2002; 2003 - 2004
- MPH Biostatistics Program Coordinator, 2002 - 2003
- CHHS Graduate Committee, 2002 - 2004
- Community Health Faculty Search Committee, 2002 - 2003
- CHHS Governance Committee, 2003 - 2004
- Karl E. Peace Endowed Chair Search Committee, 2003 – 2004
- Director, Center for Rural Health & Research, 2003 - 2005

JIANN-PING HSU COLLEGE OF PUBLIC HEALTH COMMITTEE SERVICE

- CEPH Accreditation Committee, 2006 – 2007
- Governance & Bylaws Committee, Chair, 2006 - 2007
- MPH Handbook Committee, 2006 - 2007
- Dean's Student Advisor Committee, Faculty Advisor, 2006 - 2007

- Epidemiology Faculty Search Committee, 2006 – 2007; 2007 – 2008; 2008 – 2009; 2012 - 2013
-Committee Chair 2007 – 2008; 2008 – 2009; 2013 - 2014
- Environmental Health Faculty Search Committee, 2006 – 2007
- Director, Center for Rural Health & Research, 2006 – 2009
- Public Health Practice Advisory Committee, 2007 – 2016
- Core CEPH Accreditation Team, 2009 – 2010
-Committee Chair, Criteria 3.2 & 3.3
-Committee Co-Chair, Criteria 2.4 & 2.5
- College Leadership, 2009 - present
- Dean Search Committee, 2011 – 2012
- Department of Health Policy & Management Chair Search Committee
-Committee Chair 2013 – 2014
- College Curriculum Committee, 2012 – 2019
- College Assessment Committee, 2013 – 2019

COMMUNITY & PROFESSIONAL SERVICE

- Georgia Rural Health Association, Board Member, 1999 - 2007
-Treasurer, 2000 - 2005
-Secretary, 2005 - 2007
- Magnolia Coastlands AHEC, Board Member, 2002 - present
-Chair, 2006 - present
- American Heart Association (Bulloch County Chapter), Board Member, 2002 - 2003
- Coastal Georgia Care-Net, Board Member, 2003 - 2004
- State Office of Rural Health Advisory Board, Board Member, 2006 – present
-Secretary, 2007 - present
- Statewide Cancer Coalition Data & Metrics Committee, 2006 - 2007
- Statewide AHEC Advisory Council, 2006 – 2013
- Evans County Worksite Wellness Initiative, 2006 – 2007
- Morehouse School of Medicine AHEC Advisory Board, 2008 - 2013
- Statewide AHEC, Health Career Website Committee, 2006 - 2009
- Georgia Rural Health Association, Student Poster Committee Chair, 2009 - 2009

PROFESSIONAL AFFILIATIONS

- American College of Epidemiology (2008 - 2012)
- American Public Health Association (1994 - present)
- Georgia Rural Health Association (1994 - 2012)
- Georgia Public Health Association (2009 - 2012)
- National Rural Health Association (1994 - 2000; 2002 - 2004)
- Sigma Xi (1994 - 2012)

CONTRACTS FACILITATED FOR JPHCOPH FACULTY

- Assessment of the 2009 H1N1 Response in Southeast Georgia. Submitted to the Southeast Health District. Total Contract Amount \$15,000. May 2010. Facilitated for Dr. Alison Scott.
- Cost Benefit Analysis of the Perinatal Health Program. Submitted to the Southeast Health District. Total Contract Amount \$24,000. February 2009. Facilitated for Drs. Gerald Ledlow and Renee Hotchkiss.
- Evaluation of the FitWIC Program. Submitted to the Southeast Health District, Waycross, GA. Total Contract Amount \$31,134. August 2008. Facilitated for Dr. Anthony Parrillo.

- Evaluation of the Telehealth Project. Submitted to the Southeast Health District, Waycross, GA. Total Contract Amount \$5,000. August 2008. Facilitated for Dr. Anthony Parrillo.

GRANTS

Principle/Co-Principle Investigator

- FLEX Financial and Operational Improvement Grant. Submitted to the Department of Community Health. January 2016. Total Amount Awarded, \$510,000. Principle Investigator – Stuart H. Tedders; Co-Principle Investigator – William Mase.
- Community Health Assessment Grant. Submitted to the Department of Community Health, Atlanta, GA. January 2012. Total Amount Awarded \$180,421. Principle Investigator – Stuart H. Tedders; Co-Principle Investigator – Raymona Lawrence.
- Community-Based Strategic Planning for Public Health. Submitted to the Health Resources and Services Administration. August 2009. Total Amount Awarded, \$94,000. Principle Investigator – Russ Toal; Co-Principle Investigator – Stuart H. Tedders.
- Detecting Spatial Clusters of Low Birth Weight in Southeast Georgia. Submitted to the Office of Research Services & Sponsored Programs, Faculty Research Competition, Georgia Southern University. March 2009. Total Amount Awarded \$9,948.90. Principle Investigator – Stuart H. Tedders.
- Southwest Georgia Community-Based Initiative. Submitted to Phoebe Putney Memorial Hospital. November 2007. Total Amount Awarded, \$500,000. Principle Investigator – Charles Hardy; Co-Principle Investigator – Stuart H. Tedders.
- Obesity: Identifying and Intervening in the Health Crisis of the 21st. Submitted to the Georgia Southern University Research and Service Foundation, Inc. Strategic Research Investment Initiative. January 2005. Total Amount Awarded \$50,000. Principle Investigators – Barry Joyner, Jennie Dilworth, Kathy Thornton, Mary-Kate Pung, Janet Funderburk, Stuart H. Tedders, Jean Bartels, and Rick Carter.
- A Population-based Epidemiological Investigation of Selected Cancers in Georgia. Submitted to the Office of Research Services & Sponsored Programs, Faculty Summer Stipend Competition, Georgia Southern University. January 2002. Total Amount Awarded \$7,000. Principle Investigator – Stuart H. Tedders.

CONTRACTS

Principle/Co-Principle Investigator

- Evaluation of the Perinatal Health Program. Submitted to the Southeast Health District, Waycross, GA. Total Contract Amount \$5,000. September 2016.
- Union County Health Assessment. Submitted to Union General Hospital, Blairsville, GA. Total Contract Amount \$10,000. August 2014.
- Evaluation of the Perinatal Health Program. Submitted to the Southeast Health District, Waycross, GA. Total Contract Amount \$10,000. July 2014.
- Evaluation of the Perinatal Health Program. Submitted to the Southeast Health District, Waycross, GA. Total Contract Amount \$9,000. May 2011.
- Run 2 Nursing Program Evaluation. Submitted to the School of Nursing, Georgia Southern University, Statesboro, GA. Total Contract Amount \$7,500. April 2011.

- Evaluation of Project SeaGails. Submitted to the Magnolia Coastlands AHEC, Statesboro, GA. Total Contract Amount \$3,500. May 2010.
- SPF-SIG Needs Assessment. Submitted to Pineland Mental Health, Statesboro, GA. Total Contract Amount \$39,675. April 2010.
- Evaluation of the Perinatal Health Program. Submitted to the Southeast Health District, Waycross, GA. Total Contract Amount \$18,000. May 2009.
- Georgia Registry of Immunization Transactions and Services Project – Ware County. Submitted to the Ware County Board of Health, Waycross, GA. Total Contract Amount \$15,000. October 2009.
- Georgia Registry of Immunization Transactions and Services Project – Coastal Health District. Submitted to the Coastal Health District, Savannah, GA. Total Contract Amount \$7,000. October 2009.
- Evaluation of “Best Babies” Perinatal Health Program. Submitted to the Evans County Board of Health, Claxton, GA. Total Contract Amount \$18,000. September 2009.
- Evaluation of the Perinatal Health Program. Submitted to the Southeast Health District, Waycross, GA. Total Contract Amount \$18,000. August 2009.
- Clinch County Tobacco Project. Submitted to the Ware County Board of Health, Waycross, GA. Total Contract Amount \$30,000.
- Evaluation of the SCRUBS Project. Submitted to the Magnolia Coastlands AHEC, Statesboro, GA. Total Contract Amount \$7,500. December 2007.
- Evaluation of the LaRED Program. Submitted to the Southeast Georgia Communities Project, Inc. Lyons, GA. Total Contract Amount \$15,000. September 2007.
- Evaluation of the SCRUBS Project. Submitted to the Magnolia Coastlands AHEC, Statesboro, GA. Total Contract Amount \$7,500. October 2006.
- Evaluation of Project SeaGails. Submitted to the Magnolia Coastlands AHEC, Statesboro, GA. Total Contract Amount \$2,500. August 2006.
- Evaluation of a Rural Health Care Outreach Program. Submitted to the Washington County Regional Medical Center, Sandersville, GA. Total Contract Amount \$20,000. July 2006.
- Evans County Worksite Wellness Initiative. Submitted to the Bureau of Business Research and Economic Development, Georgia Southern Regional Intellectual Capital Partnership Program, Georgia Southern University, Statesboro, GA. August 2006. Total Grant Amount \$19,200.
- Evaluation of the Perinatal Health Program. Submitted to the Southeast Health District, Waycross, GA. Total Contract Amount \$18,000. August 2006.
- Evaluation of “Best Babies” Perinatal Health Program. Submitted to the Evans County Board of Health, Claxton, GA. Total Contract Amount \$18,000. August 2006.
- Evaluation of a Study to Impact Colon Cancer in Southwest Georgia. Submitted to the SOWEGA, AHEC, Albany, GA. Total Contract Amount \$4,000. April 2005.
- Health Awareness and Risk Reduction Program for Adult and Youth Detainees. Submitted to the Chatham County Board of Health, Savannah, GA. Total Contract Amount \$2,500. December 2004.

- Columbus Wellness Center Outreach & Prevention Project. Submitted to the Columbus Wellness Center Outreach & Prevention Project, Columbus, GA. Total Contract Amount \$3,000. December 2004.
- Perinatal Health Partners. Submitted to the Georgia Department of Community Health, Waycross, GA. Total Contract Amount \$9,000. January 2004.
- Breast Cancer Data Analysis. Submitted to the Georgia Department of Community Health, Waycross, GA. Total Contract Amount \$9,000. February 2003.
- Asthma Assessment Initiative. Submitted to the Georgia Department of Community Health, Cordele, GA. Total Contract Amount \$50,000. July 2002.
- Rural Cancer Education & Screening Project. Submitted to the Georgia Department of Community Health, Dublin, GA. Total Contract Amount \$17,150.76. November 2001.

GRANTS/CONTRACTS ACTIVITY (% EFFORT)

- GA EMS Leadership Class. Submitted to the Georgia Emergency Medical Association. January 2015. Total Contract Amount \$16,000. Role: Advisor (2% Effort).
- Department of Public Health Assessment Project. Submitted to the Georgia Department of Public Health. May 2015. Total Contract Amount, \$35,000. Role: Advisor and Team Member (5% Effort).
