

Theodore V. Cooper, Ph.D.

500 West University Avenue
El Paso, Texas 79968
(915) 747-6270 (Office)
(915) 747-6553 (Fax)
e-mail: tvcooper@utep.edu

Employment: Assistant Professor
Department of Psychology
University of Texas at El Paso
El Paso, Texas

Education:

- 2002-2004** **Psychology Post Doctoral Fellowship.** Addictive Behaviors and Health Psychology, University of Mississippi Medical Center/Veterans Affairs Medical Center, Jackson, Mississippi.
- 2001-2002** **Psychology Internship.** Veterans Affairs Western New York Healthcare System, Buffalo, New York.
- 1996-2002** **Doctor of Philosophy,** The University of Memphis, Memphis, Tennessee.
Program: Clinical Psychology
Title: A placebo controlled randomized trial of the effects of phenylpropanolamine and nicotine gum on cessation rates and post cessation weight gain in women.
Advisor: Robert C. Klesges, Ph.D.
- 1994-1996** **Master of Science,** The University of Memphis, Memphis, Tennessee.
Program: Psychology
Title: A prospective evaluation of the relationships between smoking dosage and body mass index in an adolescent, biracial cohort.
Advisor: Robert C. Klesges, Ph.D.
- 1989-1993** **Bachelor of Arts,** New York University.
Major: Psychology

Grant Related Activities:

Funded Proposals:

Paso del Norte Health Foundation (PI: Cooper) 01/09-12/11 \$1,916,447
A Comprehensive and Collaborative Approach to Tobacco Control in the Border Region.

Major goals: To continue to develop and assess media messaging for adult tobacco cessation via the “Set Your Date” and the youth tobacco prevention “My rule: Live outside the pack” campaigns. To provide strong leadership to and assessment of the El Paso / Cd. Juarez Tobacco Network. To provide technical assistance to Smoke Free Paso del Norte grantees. To educate and promote regional Clean Indoor Air Ordinances.

Paso del Norte Health Foundation (PI: Cooper) 09/09-08/10 \$97,187
StopLite IV: A Light Smoking Intervention for Young Adults and Adults.

Major goals: To assess the efficacy of the StopLite light smoking cessation intervention in community smokers using a delayed intervention comparison condition. To refine the intervention to increase efficacy in community smokers and Spanish speaking participants. To enhance readability of the assessment and intervention tools.

Paso del Norte Health Foundation (PI: Cooper) 09/08-08/09 \$106,357
StopLite III: A Community Light Smoking Cessation Intervention.

Major goals: To assess the efficacy of the StopLite light smoking cessation intervention in community smokers using a delayed intervention comparison condition. To translate assessment and intervention materials into Spanish.

Paso del Norte Health Foundation (PI: Cooper) 01/08-12/08 \$635,008
Promoting Tobacco Control in the Paso del Norte Region.

Major goals: To continue to develop and assess media messaging for adult tobacco cessation via the “Set Your Date” and the youth tobacco prevention “My rule: Live outside the pack” campaigns. To integrate El Paso and Cd. Juarez Tobacco Networks, and promote and assess Network tobacco knowledge and satisfaction with activities. To provide technical assistance to Smoke Free Paso del Norte grantees.

National Heart, Lung, & Blood Institute (PI: Lawrence An) 10/07-09/11 \$2,988,522
Tailored-Web and Peer Email Cessation Counseling for College Smokers. (R01 HL089491)
Role: Site PI / Co Investigator

Major goals: To develop and assess a web based smoking intervention for young adults and assess the relative effect of the website alone, the website with tailored

content, and the tailored content website with peer counseling support.

Paso del Norte Health Foundation (PI: Cooper) 06/07-08/08 \$88,581
StopLite II: A Smoking Cessation Intervention for Light Smokers.

Major goals: To further refine and assess a brief motivationally based intervention for college students in the Student Health Center, focusing on light and intermittent smokers. Component changes included removing social support in favor of a trigger management component.

Paso del Norte Health Foundation (PI: Cooper) 11/06-12/07 \$650,356
A Smoke Free Paso del Norte Health Foundation Organizing Agency.

Major goals: To lead the El Paso Tobacco Network, form the Cd. Juarez Tobacco Network, and theoretically develop regional adult tobacco cessation and youth tobacco prevention media.

Paso del Norte Health Foundation (PI: Cooper) 06/06-08/07 \$81,333
StopLite: A Smoking Cessation Intervention for Light Smokers.

Major goals: To refine and assess a brief motivationally based intervention for college student smokers in the Student Health Center, focusing on light and intermittent smokers.

Paso del Norte Health Foundation (PI: Johnson) 08/05-08/06 \$4,685
Sexual Risk, Attitudes, Communication and Behaviors among UTEP Students.
Role: Co Investigator

Major goals: To assess condom use, partner communication, and relevant health behaviors in a predominantly Hispanic college student sample.

National Institute of Mental Health (PI: Michael Zárate) 08/05-08/06 \$355,277
Alcohol Abuse and Trauma in Colonias. (R24 MH047167-13)
Role: Subproject PI year 3 (Original Subproject PI: Blume)

Major goals: To continue an ongoing project and focus primarily on student mentorship, grant writing, and manuscript writing.

Paso del Norte Health Foundation (PI: Cooper) 01/05-01/06 \$71,563
Toward a Smoke-Free UTEP: The First Step in a Collaborative Tobacco Cessation Effort.

Major goals: To pilot the feasibility and efficacy of a brief intervention for college student smokers in the Student Health Center.

UTEP University Research Institute (PI: Cooper) 12/04-08/05 \$3,950
Building Effective Tobacco Cessation for Underserved Populations.

Major goals: To assess potential differences between Hispanic community and college student smokers and nonsmokers.

NIMH M-RISP Faculty Development (PI: Michael Zárate) 09/04-06/05 \$16,082
Building Effective Tobacco Cessation for Underserved Populations. (R24 MH047167-13)
Role: Subproject PI

Major goals: To assess potential differences between Hispanic community and college student smokers and nonsmokers.

Mental Illness Research Education and Clinical Center (PI: Cooper) 07/03-03/05 \$15,000
A Delayed Behavioral Intervention for Weight Gain Following Tobacco Cessation.

Major goals: To pilot an intervention to reduce postcessation weight gain using goal setting and multiple bouts of physical activity.

Mental Illness Research Education and Clinical Center (PI: Cooper) 01/03-03/04 \$4,900
Quitting It All: A Tobacco Cessation Program for Veterans Participating in Chemical Dependence and Dual Diagnosis Treatment.

Major goals: To develop and assess a one time, brief group intervention to promote smoking cessation in Veterans receiving substance use disorder treatment.
