

Curriculum Vitae

Andrew R. Hansen, DrPH

Education

- 2009 – 2012 Dr.PH – Community Health Behavior and Education, Georgia Southern University
Dissertation Topic: Preschool children’s perceptions of fruit and vegetable messages and their relationship to parenting practices and child knowledge, preference, and consumption
- 1993 – 1995 M.S. – Exercise Science, Georgia Southern University
Thesis Topic: College athlete’s nutritional practices and ability to fulfill nutritional needs.
- 1989 – 1993 B.S. – Education, Georgia Southern University

Teaching & Mentoring

Positions:

- 2013 - Present Assistant Professor, Jiann-Ping Hsu College of Public Health, Department of Community Health Behavior and Education, Georgia Southern University, Statesboro, GA
Principal Instructor:
- Current*
- CHBE 9335 – Global Health and Preparedness
 - CHBE 9331 – Health Disparities and Rural Underserved
 - CHBE 9230 – Community Based Public Health Program Planning and Evaluation
 - COHE 7238 – Communication for Change
 - COHE 7232 – Health Promotion Program Planning
- Past*
- PUBH 9135 – Public Health Funding and Grantsmanship
 - COHE 7234 – Community Health Analysis
- 2012 – 2013 Temporary Assistant Professor, Jiann-Ping Hsu College of Public Health, Department of Community Health Behavior and Education, Georgia Southern University, Statesboro, GA
Principal Instructor:
- CHBE 9335 – Global Health and Preparedness
 - CHBE 9331 – Health Disparities and Rural Underserved
 - COHE 7234 – Community Health Analysis
 - KINS 2431 - Foundations of Health and Physical Education

2004 – 2012

Temporary Instructor, College of Health and Human Science, Department of Health and Kinesiology - Georgia Southern University, Statesboro, GA
Principal Instructor:

- KINS 4735 - Practicum in Exercise Science
- KINS 4730 - Coaching Practicum
- KINS 4231 - Fitness Assessment and Exercise Prescription
- KINS 3435 - Lifespan and Motor Development
- KINS 3432 - Elementary Physical Education Concepts I
- KINS 3429 - Coaching Aspects in Olympic Sports
- KINS 3133 - Physiological Aspects of Sport and Exercise
- KINS 2431 - Foundations of Health and Physical Education
- HLTH 4231 - Health Aspects of Aging
- HLTH 3530 - Health and Physical Education for Elementary Educators
- HLTH 1520H - Honors Healthful Living
- HLTH 1520 - Healthful Living

Graduate Assistant Instructional trainer (2009 – 2011):

Trained graduate teaching assistants in teaching methods, instructor protocol, and web-based teaching platform (GeorgiaView).

Spring 2004

Part-time Instructor Ogeechee Technical College • Statesboro, Georgia

- Medical Terminology
- Introduction to Health

1996 – 1999

Teacher, Ottawa-Carleton District School Board • Nepean, Ontario, Canada

- Business applications and data processing
- Health and Physical Education

Dissertations committees:

In progress

1. Toyin Akomolafe – Spring 2017 – present **Chair**
2. Linda Baffo – Spring 2017 – present **Chair**
3. James Thomas – Fall 2017 - present
4. Alison Drew – Fall 2016 – present
5. Kwasi Owusu-Boakye – 2016 – present

Graduated

Chair

1. Williams Thorne, Daniella (2017) - Adolescents' perspectives on comprehensive sexual health education in Georgia schools – **Chair** *Fall 2016 – Fall 2017*.
2. Kabore, Ahmed (2016) - Factors affecting substance abuse and treatment in Ghana: A social-ecological perspective using Photovoice – **Chair** *Fall 2014 – Spring 2016*
3. Roy, Siddhartha (2016) - Assessing the feasibility of the employer as a health advisor for type 2 diabetes prevention – **Chair** *Spring 2014 – Spring 2016*

4. Penix, Kellie. (2014). Effects of a weight training personalized system of instruction course on self-efficacy, behavioral intent, fitness levels and knowledge – *Chair Spring 2013 - Spring 2014*

Committee Member

5. Johnson, Jarret (2017). How survivors describe their prostate cancer disease experience: A multi-dimensional view using Levethal's Common Sense Model (csm) of illness representation. *Fall 2016 – Spring 2017*
6. Punugwae, Fadzai (Blessing) M. (2017). The Double Burden of Overweight and/or Obesity and Anemia in Zimbabwean Women. *Fall 2015 – Spring 2017*
7. Harris, Jerrel (2016). Using the health belief model to explore and describe central Georgia African American small family farmer's perceptions of production agriculture safety: An applied qualitative study. *Fall 2014 – Spring 2016*
8. Hill, Tempest (2015). Public health implications associated with the practice of utilizing tires to singe meat in three major cities of Ghana: A concurrent mixed methods study. *Spring 2014 – Fall 2015*.
9. Alexander, Dayna (2014) Preventing childhood obesity: a mixed methods study into the perceptions of African Americans in a rural community – *Spring 2013 – Spring 2014*
10. Weaver, Mary (2014). Assessing socio-stigmatizing factors affecting college students' STI testing decisions *Spring 2013 – Spring 2014*

Capstone mentoring:

1. Sara Kitchens (2016). Reducing perceived food insecurity through education and cooking demonstrations. *Fall 2015 – Spring 2016*
2. Irina Melnic (2015). Coping with depression: Colleges students' preferences for psychological help. *Fall 2014 – Spring 2015*
3. Emily Earnest (2014). Exploring barriers related to HIV testing among college students. *Fall 2013 – Spring 2014*.
4. Kristen Pruit. (2014). Serving up recipes to the underserved: An evaluation of cooking demonstrations. *Fall 2013 – Spring 2014*.
5. Angelica Bowers (2013). Determinants of fruit and vegetable availability to children in a rural area. *Fall 2013 – Spring 2014*.
6. Sierra Kent (2013). Parental knowledge on childhood asthma. *Fall 2013 – Spring 2014*
7. Perri Smith (2013). How do men influence women's decisions to engage in risky sexual behaviors? *Fall 2013 – Spring 2014*.

Charlotte, NC (April 23-27, 2013).

Funding support:

Awarded

1. Health Resources & Service Administration 10/01/2017- Current
 Rural Health Network Development Planning Program Grant
 Meadows Regional Medical Center Care Coordination and
 Telemedicine Program Evaluation
 Funding support received: \$21,000 (2 additional renewable years at \$21,000 each year)
 Role: Principal Investigator
2. Public Health Accreditation Board 5/1/2017-6/25/2017
 Mase (PI)
 The goal of this project is assess and align Public Health curriculum and competencies with job tasks of Disease Intervention Specialists (DIS) in order to inform DIS education and certification options for the future.
 Funding support received: \$25,000
 Role: Co-investigator

3. Rural Health Network Grant 9/1/2014-7/31/2015
 East Georgia Healthcare Center, Community Health Care Systems and Tri County Health Systems
 Funding support received \$19,250
 Role: Principal Investigator

4. Rural Health Research Institute Seed Grant 1/1/2014-6/30/2014
 Project Statesboro – An evaluation of a relationship workshop for couples to improve communication and relatability with the ultimate goal of improving health via reduced stress and anxiety.
 Funding amount requested and awarded \$10,000
 Role: Co-Principal Investigator

5. Livewell Colorado Mondi Mason (PI) 06/09/2011 – 11/30/2012
 Policy Review - Child and Adult Care Food Program/Colorado Best Practices for Child Care
 review of governing policies versus health eating active living best practices.
 Funding support received: \$2000
 Role: Investigator

6. Livewell Colorado Mondi Mason (PI) 8/15/2010 – 11/30/2011
 Partnerships for Health Communities – Eat Smart Be Smart (ESBS) program evaluation. The purpose of this study is to measure the efficacy of the ESBS program.
 Funding support received: \$2500
 Role: Assistant researcher/evaluator

Service

National:

1. American Public Health Association - *Food and Nutrition section*
 - Governing Councilor representative (2016 – present)
 - Executive Committee (2013 – present)
 - Business meeting review of goals and development of SMART objectives (11/16/2014)
 - Business meeting policy statement reviewer (11/16/2014)
 - Business meeting policy statement reviewer (11/15/2014)
 - APHA Nutrition policy statement reviewer (05/01/2014)

2. American Psychological Association Health Disparities Initiative:
 - Health Equity Ambassadors Program (2014 – present)

3. Socioeconomic Status Related Cancer Disparities Program (SESRCD):
 - Behavioral and Social Science Volunteer (BSSV) – Funded by Centers for Disease Control administered through the American Psychological Association. The purpose is to build the capacity of community cancer-serving organizations. (March 2012 – March 2014)

4. Reviewer
 - Peer Reviewed Professional Journals
 - Childhood Obesity

Professional affiliations

Current

- American Public Health Association (APHA)
- Society for Public Health Education (SOPHE)

Training and certifications

1. Georgia Southern University CT2 – Certificate in Teaching Higher Education (2016)
2. Georgia Southern University CT2 - Teaching Academy (2014)
3. National Institutes of Health (NIH) – “*Protecting Human Research Participants*”
4. Collaborative Institutional Training Initiative (CITI) - *IRB Members - Basic/Refresher Curriculum*
5. Collaborative Institutional Training Initiative (CITI) – *Conflict of Interest*
6. American Planning Association/American Institute of Planners/National Association of County and City Health Officials – *Planning for Healthy Places with Health Impact Assessments*
