- Teach yearly the course LI815 – Information Technology 2014
- Teach yearly the course LI843 - Web Design 2010-2012

11/2004 to 9/2011
Utah Valley University, Orem, UT
Web Resource Director
- Manage all client side activity on public Web site, approximately 38,000 pages maintained by approximately 200 areas/editors on campus
- Incorporate stronger marketing and design role in Internet usage
- Enhance Web site usability, accuracy, and relevance
- Write standards-based coding using XHTML, CSS, JS and similar
- Information available at http://www.uvu.edu/wrs/

9/2004 to 9/2011
Utah Valley University, Orem, UT
Adjunct Instructor
- DGM 312G - Digital Media for Intercultural Communication (Spring 10, Summer 10, Fall 10, Spring 11, Summer 11)
- DGM 3220 - Digital Media Project Management (Fall 05; Spring 06; Spring 07; Fall 08; Spring 1;, Summer 10; Spring 11; Summer 11)
- ENGH 0890/0990 - Basic Composition (Fall 05; Fall 06; Spring 09; Fall 09)
- ISYS 2450 - Web Content Development (Fall 04)

12/2003 to 12/2012
University of Phoenix, Taylorsville, UT
Adjunct Instructor
- WEB 410 - Web Programming I
- WEB 420 - Web Programming II
- CMGT 410 - Project Planning and Implementation
- WEB 240 - Web Design Fundamentals

7/2003 to 1/2009

City University**,** Tacoma, WA
Adjunct Instructor and Content Developer for online courses
- CS350 - Web Site Design I – instruction/content development
- CS453 - Introduction to Server Side Languages - instruction
- CS544 - Intermediate Web Publishing – instruction/content development
- CS452 - Practical Web Design – learning evaluator

1/2003 to 11/2004
Utah Valley University**,** Orem, UT
Distance Education Resource Manager/Instructional Designer
- Manager of the distance education development team including seven part time developers, one graphic designer, and one closed captioning technician
- Work with instructors to design and develop course content
- Reason for leaving: Stayed with institution but to a promoted position

10/2002 to 1/2003
Sylvan Online Higher Education/Walden**,** Minneapolis, MN
Senior Web Producer
- Responsible for assessing project proposals, establishing specifications, project managing, and ensuring success of large projects affecting processes throughout the University
- Web and application programming
- Communication with all affected parties in programming projects, including ensuring timely delivery of results and continuing value in the outcome
- Reason for leaving: dissatisfaction with decisions made after merger

11/2000 to 10/2002
Walden University**,** Minneapolis, MN
Director of Web and Application Development
- Provide vision, oversee planning, and guide implementation of web-based and database-driven technology, both in support of academic needs and as a means of enhancing institution's management and operations
- Primary producer of new web-based projects and innovations which make use of Dreamweaver, CGI Perl, JavaScript, Lotus Notes, and Cold Fusion database
- Primary producer and developer on new Web-based projects and innovations
- Manage five full time employees
- Set priorities on projects competing for limited bandwidth by working with the employees in the Web and Applications area, management, and requesting staff.
- Reason for leaving: Remained with company. All middle management remove or re-assigned after Sylvan Learning merger

5/1999 to 11/2000

Smyth Companies**,** Minneapolis, MN
Web Team Manager
- Provide leadership in the planning, development and management of Smyth Companies website
- Evaluate and analyze for effectiveness the continually evolving site
- Development and incorporation of e-commerce capabilities in cooperation with Director of Information Technology
- Develop Web team consisting of approximately 15 members from throughout the company
- Offer training to clients on use of the e-commerce system
- Reason for leaving: Invited back by previous employer to higher level position

11/1997 to 5/1999
Walden University**,** Minneapolis, MN
Manager of Web Development and User Services
- Work with faculty, students, administrators and staff to develop information technology services to achieve the best possible service within allocated resources
- Continue development of Walden website
- Develop and implement first online classroom environment using bulletin boards, mailing lists and the like on Apache
- Support students and faculty in their growing understanding of the Internet and its capabilities by offering advanced level user service support, managing help desk staff, and offering short training seminars during residencies throughout the United States
- Develop a web team consisting of approximately 10 staff members from throughout the organization to assist in assessment, content development, and page development for the continually evolving and growing web site
- Reason for leaving: Opportunity for higher pay and experience in another industry

4/1994 to 11/1997
Walden University**,** Minneapolis, MN
Microcomputer Support Specialist
- Provide help line support for all Walden audiences via phone and email
- On-site hardware repair
- On-site training
- Manage three part time workers
- Implement and supervise integration of technical resources into academic, operational, and administrative functions
- Enhance productivity and service through technology and training
- Develop Walden's original financial aid database
- Develop Walden's original Web site

4/1994 to 6/1995

University of Minnesota Department of Medicine, Minneapolis, MN
Consultant for Database Integration
- Continue to develop and offer troubleshooting support for custom-built database used for accounting administration and institutional research

12/1989 to 4/1994
University of Minnesota Department of Medicine, Minneapolis, MN
Accounts Specialist and Computer Support
- Manage departmental accounts for four divisions within graduate education and administration
- Create all accounting documents and reports
- Balance and reconciliation of accounts
- Create Paradox for Dos, Paradox for Windows, and later MS Access database that interacts directly with the university CUFS/AIS mainframe system
- Create real-time reporting of account statuses, customized reporting, and customized query building of multiple accounts
- Maintain 20 user medicine administration Novell 3.11 network including maintenance and installation of workstations and software
- Reason for leaving: Invited to programming position at another company with growth opportunities and higher pay

- Technology Management Senior Capstone mentor Innes/Mecham/Lott 2014
- Thesis advisory committee for Nick Stark of Integrated Studies 2012-13
- Senior Project mentor for Dauwalder and Siufanua in Digital Media 2012-13
- Committee member for Faculty Excellence Awards 2012

Organizational Membership

American Society of Quality 2012-2014
International Code Council 2012-2013
Project Management Institute Northern Chapter 2012-2013
International Technology and Engineering Educators Association 2012

Volunteer and Service

Volunteer and Service Learning Designated Courses: Fundamentals of Technology, Technology and Human Life. 2011 to current. Champion of Technology Management service learning designated department since 2011.

Sample project 11/2013: Day long Math Scavenger Hunt with Westridge Elementary School 6th grade class. See http://www.heraldextra.com/news/local/uvu-puts-on-scavenger-hunt-for-westridge-students/article_64881a51-4ff6-5910-9d99-5d7cd423d534.html

Support and contribution to Open Educational Resources on multiple platforms

Judge for Science & Engineering Fair at Westridge Elementary in Provo, UT 2013 & 2014.

Community available training in MS Excel, MS Access and related technologies 2011 & 2012

Excellence Awards

Utah Valley University Faculty Senate Faculty Excellence Award for the College of Technology and Computing, February 2014.

Excellence in Engaged Scholarship Award for Scholarship of Teaching & Engagement Conference VI paper proposal "Students Reach beyond Expectations with Cafeteria Style Grading".

Utah Valley University Wolverine Achievement Awards finalist 2013

Utah Valley University Faculty Center for Teaching Excellence All Star Status for 2011/2012

Diversity & Engagement Skills

Global/Intercultural Training Institute April 29&30, 2013
Service Learning Committee 2011-2013
Service Learning Faculty Learning Circle 2011-2013
Service Learning Faculty Learning Community 2011-2013
Service Learning Fellowship 2011
Blended Course Boot Camp 2011
Adjunct instruction of Digital Media for Intercultural Communications for two years
Adjunct instruction in a variety of platforms and institutions

Technical Skills

(X)HTML standards and compliance
CSS standards and compliance
Content management system environments (LCMS, OmniUpdate)
Enterprise application use, integration, and query (CUFS, AIS)
Database experience: Paradox, Cold Fusion and MS Access
Dreamweaver
MS Project and OpenProj
Advanced Excel
Online educational environments (Blackboard, Canvas)
Photoshop
General server side programming
