Education

Master of Arts, Library and Information Studies. May 2007. University of Wisconsin-Madison.

Bachelor of Arts, International Studies. December 2004. University of Wisconsin-Madison.

Professional Experience

Collection Development and Analysis Librarian, Syracuse University Libraries, January 2016 – Present.

- Manage \$4,800,000 STEM budget and contribute to collection development decisions for entire \$10,000,000 collection budget.
- Coordinate monograph spending of subject librarians.
- Review and analyze current and future collections to improve relevance to the Syracuse University community.
- Direct vendor relations activities and actively engage in vendor negotiations.
- Implemented and utilize Intota electronic resource management platform.
- Maintain awareness of developments, issues, and practices in scholarly publishing, collection development, research, and scholarly communication.
- Implemented and administer Experts@Syracuse, a Research Information Management System, that highlights faculty expertise and matches faculty to grant opportunities, in conjunction with the Office of Research.

Science & Engineering Librarian, Syracuse University Libraries, August 2011 – March 2017.

- Promoted to Associate Librarian with permanent status, July 2014.
- Supervised STEM Outreach Graduate Assistant.
- Served as the library liaison to the College of Engineering & Computer Science and the departments of Biology, Chemistry, Physics, Forensic Science and related research units.
- Provided in-depth reference assistance in all areas of STEM.
- Developed and instructed information literacy classes for undergraduate and graduate students.
- Managed monograph budget of \$125,000 and consult with Collection Development and Analysis Librarian on journal and database acquisitions.
- Tracked and analyzed faculty publications for inclusion in institutional repository, to identify local scholarly communication trends, and for faculty promotion and tenure efforts.
- Consulted with researchers to develop National Science Foundation data management plans and to determine best venues for publication.
- Participated in recruitment and retention efforts for faculty and graduate students.
- Reported library collections and services to ABET accreditation teams.
- Implemented and maintained Summon resource discovery tool.
- Managed department blog effort to meet library wide communication initiatives.

Liaison Librarian, University of Wisconsin Wendt Library, October 2008 – July 2011.

- Served as the library liaison to the departments of Biomedical Engineering, Chemical and Biological Engineering, Materials Sciences and Engineering, and related research units.
- Provided subject specific reference to library's user groups via phone, email, chat, and in person.
- Managed team to populate data in institutional bibliography.
- Evaluated usage of electronic resources and recommended reductions to meet budget objectives.
- Developed and instruct information literacy classes, in person and online, for liaison communities, undergraduate technical communications students, and professional engineers.
- Directed library effort to redesign reference training and assessment program.
- Coordinated campus marketing efforts to publicize library events, resources, and services.

Anne E. Rauh
Syracuse University Libraries
222 Waverly Ave Syracuse NY 13244
aerauh@syr.edu

- Implemented Xerxes resource discovery tool.
- Chaired library's website committee and updated website.
- Served on campus-wide citation management committee to promote and instruct use of these.
- Lead library's staff development committee to promote collegiality among staff.
- Supervised website assistant and library school practicum students.

Research Intern for Resource Sharing and Instruction, Wendt Library, October 2007 – October 2008.

- Created web based instructional materials and lead a task force to explore instructional uses for new technologies.
- Developed and instructed course related and drop-in library workshops.
- Provided general and subject specific reference.
- Identified, verified, and procured documents requested by document delivery clients.
- Communicated with clients to ensure timely and efficient responses to their request for information.
- Supervised and trained twenty-five student employees.

Records Manager, University of Wisconsin School of Nursing, June 2007 – September 2007.

- Designed website to display and promote use of the historical collection.
- Devised and implemented a systematic record keeping system for departmental records with consideration to the work-flow of the department and current state and federal records laws and best practices.
- Developed a collection policy for the school's historical collection including archival, museum, and photographic material.

Reference Assistant, University of Wisconsin Memorial Library, January 2006 – May 2007.

- Located material within licensed digital resources, open access digital resources, and print material.
- Responded to reference requests in the areas of social sciences and the humanities.
- Instructed online catalog and database searching to patrons.

Membership Coordinator, Friends of the University of Wisconsin Libraries, January 2006 – May 2007.

- Assisted in planning and execution of donor events and events to increase recognition and donor base.
- Prepared promotional material for Friends' events.
- Coordinated volunteers and student workers to produce numerous annual mailings.

Development Intern, Wisconsin Historical Foundation, January 2007 – May 2007.

- Performed research to determine propensity of current and prospective donors.
- Planned History Makers Gala to raise awareness of WHF and to raise funds for the organization.

English Instructor, Kaplan Inc., January 2005 – February 2006.

- Taught English and TOEFL preparation to non-native English speakers.
- Organized activities to coordinate with curriculum.
- Collaborated with program directors to assess student progress.

Student Assistant, University of Wisconsin Aquatic Sciences Center, September 2003 – December 2004.

- Cataloged newspaper clippings.
- Distributed authors' copies of articles.
- Planned outreach event in conjunction with the WI Water Library for children at local community center.
