PROFESSIONAL EXPERIENCE

2007 – 2008	Mesa Cold Storage	Tolleson, AZ
-------------	-------------------	--------------

Senior Staff:

Managed and monitored materials, products, and supplies in order to ensure that employees had access to customers' products for outbound shipments. Managed daily records of shipments and invoices to provide accurate inventory levels and information for customers to help assist and reconcile their inventory records. Carried out quality control plans to assure the clients that our services and programs are at the highest level of quality, meeting all the specifications and quality policies required.

2005-2007	Jalyn Consulting	Phoenix, AZ
-----------	------------------	-------------

Senior Management Consultant:

Offered expertise in knowledge, supply chain management, six sigma, and lean implementation. Provided guidance on almost every aspect of corporate operations to include; marketing, manufacturing processes, e-commerce, supply chain training, general management strategies, and supervision. Additional activities included team leader on special projects, responsible for planning, implementation, integration, auditing and, performing analysis and discovery to determine needs and solutions.

2004-2005	VF Griffin	Melbourne, FL
-----------	------------	---------------

Operations Supervisor:

Was responsible for the control of receiving, distribution, and inventory control paperwork, and the overall operational efficiency of the warehouse distribution. Administrative duties include; HR record keeping, new hire orientations, and follow up on corporate directives. Maintained compliance with company policies and procedures, confidentiality of HR, financial, and other

proprietary company documents, and ensured that all warehouse returns were shipped according to schedule and inventory adjustments entered into systems on a timely basis.

TEACHING EXPERIENCE

2012-2015

Gyeongju University

Gyeongju, SK

Assistant Professor:

Teach subjects that are specialized such as freshman and sophomore English, advertising and marketing, and communications. Conduct substantive research into complex problems, ideas, concepts and apply appropriate methodologies with a coherent research strategy that has national and international impact. Contribute to the intellectual life of the School by engaging in high quality core teaching, examining undergraduate students, developing innovative and attractive courses, shaping and influencing curriculum development and actively contributing to the review of courses in accordance with departmental strategy. Actively contribute to departmental teaching administration and engage in external activities, organizations and the wider community to support teaching and school strategic objectives.

2008-2011

Uljin School District

Uljin, SK

English Teacher:

Developed a curriculum that took a holistic and student center approach to English study focusing on specific aspects such as life skills, literacy, and vocational and workplace English and involved teaching students basic English skills, such as listening, reading, writing and speaking. Classroom work consisted of rote pronunciation techniques, quizzes, textbooks, videos and computer lessons and combining basic studies with real-life interactions involving language use in different situations, such as shopping, schooling, job hunting or working with English-speaking coworkers.

1993-1995
