

CURRICULUM VITAE

Claudia Anne Radel

July 2016

Contact Information:

Department of Environment and Society, Quinney College of Natural Resources
5215 Old Main Hill, Utah State University, Logan, UT 84322-5215
(tel) 435-797-0516, (fax) 435-797-4048, (email) claudia.radel@usu.edu

CURRENT APPOINTMENTS

Quinney College of Natural Resources, Utah State University
Associate Dean of the College, July 2016—present.

Department of Environment and Society, Quinney College of Natural Resources, Utah State University.
Associate Professor of Human Geography, July 2012—present.
Assistant Professor of Human Geography, August 2005—2012.

Additional Faculty Roles: Faculty Associate, The Ecology Center; Faculty, Latin American Studies;
Faculty Affiliate, Center for Women and Gender.

Current research: Gender, land, and environmental change
 Gender and agriculture in Mesoamerica
 Labor migration and agrarian/environmental change in Mesoamerica
 Women's collective organization in agriculture/natural resource management

Geographic subfields: Cultural/political ecology, development geography, feminist geography,
 human-environment geography

Topical subfields: Conservation & development, gender & agriculture, gender & environment,
 gender & development, land-use change, livelihoods change, migration,
 smallholder agriculture

EDUCATION

PhD in Geography, Graduate School of Geography, Clark University, 2005.

MA in Geography, Graduate School of Geography, Clark University, 2003.

Dissertation: "Women's Participation in Conservation Projects in the Southern Yucatán Peninsula:
Effects on Land Control, Farming Practices, and Women's Empowerment"

Committee members: B.L. Turner II (co-chair), D. Rocheleau (co-chair), S. Hanson, A. Bebbington

Master's in Public Affairs, Woodrow Wilson School of Public & International Affairs, Princeton University, 1995.

Field of Study: International Development
Certificate in Science, Technology, Environment and Policy

Visiting Rotary Scholar, University of Zimbabwe, 1992.

MSc Programme in Tropical Resource Ecology, Center for Applied Social Sciences and Department
of Biological Sciences

AB honors, Brown University, magna cum laude, 1991.

Double Major: Development Studies, Environmental Studies

CONSULTANCIES

Content Consultant for Women in Conservation, part of the series *Women In STEM*, for children grades 3-6. Abdo Publishing. December 2015 through February 2016.

Gender and Climate Change Specialist, Program Consultant, Asia Climate Change Curriculum Development Program, Asia and Pacific Programs, U.S. Forest Service, International Programs. 15 September 2012 through 29 March 2013; 1 April 2013 through 30 November 2013; 23 December 2013 through 31 July 2014; 15 July 2014 through 31 October 2014; 8 December 2014 through 31 March 2015.

Co-lead and Facilitator, Social and Environmental Soundness in REDD+, Training of Trainers Course, Regional Climate Change Curriculum Development, Bangkok, Thailand, 26-30 May 2014.

Co-lead and Facilitator, Social and Environmental Soundness in REDD+, Training of Trainers Course, Regional Climate Change Curriculum Development, Kuala Lumpur, Malaysia, 4-8 August 2014.

RESEARCH PUBLICATIONS

Peer-Reviewed Publications

Radel, C., B. Schmook, N. Haenn, and L. Green. 2016. The gender dynamics of conditional cash transfers and smallholder farming in Calakmul, Mexico. Manuscript part of CGIAR-CIAT organized special issue "Forest tenure and access to small farms in Latin America: gender dimensions." Accepted, for a special issue in *Women's Studies International Forum*.

Turner II, B. L., J. Geoghegan, D. Lawrence, C. Radel, B. Schmook, C. Vance, S. Manson, E. Keys, D. Foster, P. Klepeis, H. Vester, J. Rogan, R. Roy Chowdhury, L. Schneider, R. Dickson, Y. Ogenva-Himmelberger. 2016. Land system science and the social-environmental system: The case of Southern Yucatán Peninsular Region (SYPR) Project. *Current Opinion in Environmental Sustainability*. 19:18-29. DOI:10.1016/j.cosust.2015.08.014.

Navarro Olmedo, S., N. Haenn, B. Schmook, and C. Radel. 2016. The legacy of Mexico's agrarian counter-reforms: Reinforcing social hierarchies in Calakmul, Campeche. *Journal of Agrarian Change*. 16(1): 145-167. DOI: 10.1111/joac.12095.

Mardero, S., B. Schmook, C. Radel, Z. Christman, D. Lawrence, M. Millones, E. Nickl, J. Rogan, and L. Schneider. 2015. Smallholders' adaptations to droughts and climatic variability in southeastern Mexico. *Environmental Hazards*. 14(4): 271-288. DOI:10.1080/17477891.2015.1058741.

Brand, J. C., C. Radel, R. Brain, and J. Greene. 2014. Developing, implementing, and evaluating a No-Child-Left-Inside pilot program. *Applied Environmental Education and Communication*. 13(4): 261-268. DOI: 10.1080/1533015X.2014.983659.

Schmook, B., C. Radel, and C. Méndez. 2014. Labour migration and gendered agricultural asset shifts in southeastern Mexico: Two stories of farming wives and daughters. In Fischer-Kowalski, M., Reenberg, A., Schaffartzik, A. and Mayer, A. (eds) *Ester Boserup's Legacy on Sustainability: Orientations for Contemporary Research*. Human-Environment Interactions Series, Volume 4, pp 203-219 (Springer Netherlands).

- Madsen, J., C. Radel, and J. Endter-Wada. 2014. Justice and immigrant Latino recreation geography in Cache Valley, Utah. *Journal of Leisure Research*. 46(3): 291-312. Special issue: Social and Environmental Justice.
- Radel, C. and L. Coppock. 2013. The world's gender gap in agriculture and natural resources: Evidence and explanations. *Rangelands*. 35(6): 7-14. Special issue: "Women as Change Agents in the World's Rangelands."
- Radel, C., B. Schmook, and C. Méndez. 2013. Gender, the household, and land change in southeastern Mexico. In Brannstrom, C. & Vadjunec, J. (eds) *Land Change Science, Political Ecology and Sustainability: Synergies and Divergences*, pp. 107-128 (New York: Routledge).
- Burnham, M., C. Radel, Z. Ma, and A. Laudati. 2013. Extending a geographic lens towards climate justice, part 1: Climate change characterization and impacts. *Geography Compass* 7(3): 239-248. DOI: 10.1111/gec3.12034.
- Burnham, M., C. Radel, Z. Ma, and A. Laudati. 2013. Extending a geographic lens towards climate justice, part 2: Climate action. *Geography Compass* 7(3): 228-238. DOI: 10.1111/gec3.12033.

Publications in Review or Revision

- Radel, C., B. Schmook, L. Carte, and S. Mardero. Migración y cambio climático en el Noroeste de Nicaragua: una visión crítica y de género. Invited book chapter to be published in volumen edited by Ana de Luca, Dulce María Sosa Capistrán, Verónica Vázquez, and Margarita Velázquez, GESMA, México.
- Madsen, J., C. Radel, and J. Endter-Wada. Unmet recreation desires or undesired recreation? A case study in access and custom in Hispanic/Latino recreation site choice. *Leisure Sciences*. In revision.

Manuscripts in Preparation

- Radel, C., J. Vadjunec, and B.L. Turner, II. Introduction to the Special Issue "Changing Livelihoods, Changing Land Use." *Land*.
- Radel, C., B. Schmook, L. Carte, and S. Mardero. The weak position of smallholders in northwestern Nicaragua: land, labor migration, and climate change adaptation. Part of a special issue organized

through ICARUS (Initiative on Climate Adaptation Research and Understanding through the Social Sciences); Writeshop 5-6 February 2016. To be submitted to *World Development*.

Ma, Z. et al. PES and conditional cash transfers: A review. For submission to *World Development*.

Jokisch, B., C. Radel, B. Schmook, and L. Carte. How human-environment geography conceives and incorporates migration. For submission to *Progress in Human Geography*.

Carte, L., C. Radel, B. Schmook, and L. Green. 2015. Mobility and smallholder food security: Circular subsistence migration in northwestern Nicaragua. For submission to *Journal of Peasant Studies*.

Radel, C. and L. Green. Service-learning, attitudes towards Latino immigrants, and social change. Outlet to be determined.

Radel, C., B. Schmook, and N. Haenn. Moving people off farms and into the mobile labor force in Mexico's conditional cash transfer programs. Outlet to be determined.

Radel, C., L. Coppock, and S. Tezera. Collective action and gender in southern Ethiopia. For submission to *African Geographical Review*.

Non-Peer Reviewed Publications

Schmook, B., C. Radel, and N. Haenn. 2014. Conditional cash transfers in Calakmul, Mexico: Impacts on gendered resource access and control, labor migration, and smallholder farming. Working Paper for 2014 CGIAR-CIAT Writeshop: "Forest tenure and access to small farms in Latin America: gender dimension," Cali, Colombia.

Schmook, B. and C. Radel. 2009. Los maridos en el 'norte'; las mujeres ¿bien gracias?" *Ecofronteras* 36, mayo/agosto: 30-31.

Radel, C. 2005. *Women's Participation in Conservation Projects in the Southern Yucatán Peninsula: Effects on Land Control, Farming Practices, and Women's Empowerment*. PhD Dissertation, Graduate School of Geography, Clark University.

EDITORIAL EXPERIENCE

Special Issue Guest Editor. *LAND*. "Changing Livelihoods, Changing Land Use." 2015-present. Articles published to date (9); articles still in process (2).

Conference of Latin Americanist Geographers, Book Series Editorial Board. Member. 2015-present
Annals of the Association of American Geographers, Editorial Board Member, 2012-2015.

CURRICULAR MATERIALS

Social and Environmental Soundness Module, USAID LEAF Regional Climate Change Curriculum, 2015. One of 4 modules, consisting of lecture, activity, and assessment content in the form of PPT slides and supplemental file collections. Equivalent to a 3-credit semester-length course, but adaptable to a variety of teaching and training contexts by universities in Southeast Asia. Disseminated 2014-2015, through partner universities in Vietnam, Thailand, Laos, Cambodia, Malaysia, and Papua New Guinea. <http://www.leafasia.org/curriculum>; <http://courses.recoftc.org/login/index.php> (log in as guest)

Burnham, M., C. Radel, Z. Ma, and A. Laudati. 2014. Teaching and learning guide for: Extending a geographic lens towards climate justice. *Geography Compass*. 8(4): 277–285.

CONSULTANCY REPORTS

RESEARCH GRANTS

- Sustainable Communities Seed Grant Program, Center for the Environment, Purdue University: "Using Cash Transfers to Promote Ecosystem Services and Sustainable Livelihoods: What is the Role of Conditionality?," (co-PI, with Z. Ma et al), 2015. \$17,670.
- National Science Foundation, Geography & Spatial Sciences Program: Research Experiences for Undergraduates Supplemental Award (PI), 2014-2015. \$7,504.
- National Science Foundation, Geography & Spatial Sciences Program: "CAREER: Gendered Transnational Labor Migration, Agriculture, and Environmental Change in Mesoamerica" (PI), 2011-2017. \$464,500.
- National Science Foundation, Anthropology Program: "Effects of International Migration on Land Use and Conservation in Mexico" (Collaborator and Paid Consultant), 2010-2011. \$63,500.
- Short-Term Research Publication Grant, American Association of University Women: "Gendered Livelihood Strategies in Southern Mexico," (PI), 2008-2009. \$6,000.
- Global Livestock Collaborative Research Support Program, United States Agency for International Development: "Improving Pastoral Risk Management on East African Rangelands (PARIMA)" (Co-PI, with D. L. Coppock et al), 2006-2009. \$700,000.
- Graduate Student Research Grant (MS student: Kristi Green), Intermountain Region Digital Image Archive Center, NASA and Utah State University: "Analysis of Land-cover Change and

Transnational Out-Migration Rates for the Southern Yucatan Peninsular Region” (PI), 2006-2009. \$20,000.

ADVANCE Collaborative Seed Grant, Utah State University: “Male Out-Migration and Socio-Environmental Change in Sending Communities: A Comparative Study of Mexico and Morocco” (Co-PI, with P. Petrzalka), 2007-2008. \$10,000.

Research and Social Action Grant, Joint Initiatives Program, Ryoichi Sasakawa Young Leaders Fellowship Fund: “Community Energy Initiatives: A Grassroots Solution for Empowering Poor Women and Girls through Access to Alternative Energy Technologies in Arusha, Tanzania” (Team Member), 2007-2008. \$20,000.

New Faculty Research Grant, Utah State University: “Gender and Land-use Change in Migration-Sending Communities of Southern Mexico” (PI), 2006-2008. \$10,000.

ADVANCE Transitional Support Grant, Utah State University, (PI), 2007. \$9,000.

Research Grant, Anne U. White Fund, Association of American Geographers, (PI), 2006. \$1,000.

Women and Gender Research Institute, Utah State University, Faculty Research Grant, 2005-2006. \$500.

National Science Foundation Doctoral Dissertation Improvement Grant, 2002-2003. \$12,000.

TRAVEL GRANTS

Ecology Center, Utah State University, Conference and Workshop Travel, 2011, 2012, 2013, 2014.

Center for Women and Gender, Utah State University, Conference Travel, 2011, 2012, 2013.

Women and Gender Research Institute, Utah State University, Faculty Travel Grants, 2005, 2009, 2010.

Global Land Project (GLP) of the International Geosphere-Biosphere Programme and the International Human Dimensions Programme, Travel Award to the GLP Open Science Meeting, 2010.

Gardner Junior Faculty Travel Fellowship, Utah State University, 2006.

FELLOWSHIPS, HONORS, AWARDS

Teacher of the Year, Quinney College of Natural Resources, 2016.

Faculty Undergraduate Advisor of the Year, College of Natural Resources, 2012.

American Fellowship, American Association of University Women, 2008-2009.

Cultural and Political Ecology Specialty Group, Association of American Geographers, Best Student Paper, 2005.

Latin American Specialty Group, Association of American Geographers, Best Student Paper, 2004.

Fulbright-Hays Doctoral Dissertation Research Fellowship, 2001-2002.

National Science Foundation Graduate Research Fellowship, 1994-1995, 1997-1999.

Ryoichi Sasakawa Young Leaders Fellowship, 1993-1994.

International Rotary Scholar (“Preserve Planet Earth” Program), 1992.

Environmental Studies Prize: Most Outstanding Contribution, Brown University, 1991.

Phi Beta Kappa, Brown University Chapter, elected 1990.

GRADUATE STUDENTS & POSTDOCTORAL FELLOWS

Postdoctoral Fellows

Lindsey Carte, PhD in Geography from University of Texas at Austin, NSF-funded Postdoctoral Research Fellow, 2013-2015.

Graduate Students

Committee Chair

Aaron Evans, MS Geography–Peace Corps Master’s International, Utah State University, *in progress*.

Tagen Baker, PhD Human Dimensions of Ecosystem Science and Management, Utah State University, *in progress*.

Lisa Green, PhD Human Dimensions of Ecosystem Science and Management, Utah State University, *in progress*. *USU Office of Research and Graduate Studies Master’s Fellowship; USU Office of Research and Graduate Studies Fellowship for conversion from MS Geography to PhD program; National Science Foundation Graduate Research Fellowship*.

Daniel Bishop, MS Geography–Peace Corps Master’s International, Utah State University, *in progress*.

Jamie Clark, MS Geography, Utah State University, Plan B Project: “No Child Left Inside Week: A pilot program,” Completed 2013. *USU Seely-Hinckley Scholarship*.

Jodie Madsen, MS Geography, Utah State University. Thesis: “Recreation patterns and decision drivers for Hispanics/Latinos in Cache Valley, Utah.” Completed 2011. *USU Seely-Hinckley Scholarship*.

Anne Winters, MS Human Dimensions of Ecosystem Science and Management, Utah State University. Plan B Project: “Creation of the Murie Museum interpretive plan.” Completed 2009.

Kristi Green, MS Geography, Utah State University. Plan B Project: “Eco-mapping for kids: Environmental science and mapping studies for elementary students.” Completed 2008. *USU Presidential Fellowship*.

Jamie McEvoy, MS Sociology, Utah State University. Thesis: “Male out-migration and the women left behind: A case study of a small farming community in southeastern Mexico.” Completed 2008 (co-advised with Peg Petrzalka, Dept. of Sociology, Social Work and Anthropology, Utah State University).

Committee Member

Yajie Li, PhD, Department of Environment & Society, USU, 2016-present

Forrest Schoessow, MS, Department of Environment & Society, USU, 2016-present

Sofia Mardero, PhD, ECOSUR Mexico, 2016-present

Taya Carothers, PhD, Department of Environment & Society, USU, 2016-present

Elham Hoominfar, PhD, Department of Sociology, Social Work and Anthropology, USU, 2015-present

Thomas Derr, MS (PCMI), Department of Environment & Society, USU, 2015-present

Merly Abigail Villafania Puc, MS, ECOSUR Mexico, 2015-present

Jacob Palma, MS, Department of Environment & Society, USU, 2014-present

Brenda Olvera, MS, ECOSUR Mexico, 2014-present.

Laura Malaguerra, MNR, Quinney College of Natural Resources, USU, completed 2016.
Domingos Muala, MA, History, USU, completed 2015.
Jessica McAllister, MS (PCMI), Department of Environment & Society, USU, completed 2015.
Richard Johnson, MA, School of Geography and Development, University of Arizona, completed 2014.
Santana Navarro, PhD, ECOSUR Mexico, completed 2014.
Melissa Lambert, PhD, Department of Environment & Society, USU, completed 2014
Morey Burnham, PhD, Department of Environment & Society, USU, completed 2014.
Zachary Revene, MSS, College of Humanities, Arts, and Social Sciences, USU, completed 2012.
Megan Thorley, MS, Department of Environment & Society, USU, completed 2011.
Stephanie Malin, PhD, Department of Sociology, Social Work and Anthropology, USU, completed 2011.
Sofia Mardero, MS, ECOSUR Mexico, completed 2011.
Yared Fubusa, PhD, Department of Environment & Society, USU, completed 2010.
John Lowry, PhD, Department of Environment & Society, USU, completed 2010.
Lisa Ralph, PhD, Department of Sociology, Social Work and Anthropology, USU, completed 2010.

COURSES TAUGHT AT UTAH STATE UNIVERSITY

Environment & Development in Latin America (GEOG 4120/6120)
World Regional Geography (GEOG 1300)
Connections (USU 1010)
Geographic Approaches to the Human-Environment Relationship (GEOG 4100)
Regional Geography of Latin America (GEOG 4200/6200)

Graduate Seminars (ENVS 6900; GEOG 6900):

Political Ecology
Population and Environment
Natural Resources and Environmental Justice
Gender and Environments

International Summer Field Courses (ENVS 4950/6900):

Environment & Society in Ethiopia
Environment & Society in Kenya

SERVICE

Departmental (Department of Environment & Society, Utah State University)

Chair, Program Assessment Task Force, 2016-present.
Chair, Promotion and Tenure Committee, 2013-present.
Faculty Undergraduate Geography Advisor, 2011-present.
Program Coordinator for Geography, U.S. Peace Corps Masters International Program, 2010-present.
Faculty Undergraduate Honors Advisor, 2011-2014.

Geography Graduate Program Self-Study, Spring 2012 (lead author).

Recreation Resource Management Faculty Search Committee, 2010-2011.

Human Geography Faculty Search Committee, 2007-2008.

Human Geography Faculty Search Committee, 2006-2007.

College (Quinney College of Natural Resources, Utah State University)

Ombudsperson, Promotion and Tenure Reviews, 2013-present.

Gamma Theta Upsilon (geographical honors society) Faculty Co-Advisor, USU chapter, 2010-present.

Geography Curricular Ad-Hoc Committee, 2008-present.

Environment & Society Department Head Search Committee, 2013-2014.

Distinguished Geographer Lecture Coordinator (lecture series with financial support from the AAG Visiting Geographical Scientist Program), 2009-2011, 2013.

Orientation Course Committee, Fall 2013.

Awards Selection Committee, Spring 2013.

Strategic Planning Committee, 2011-2012.

Honors Ad-Hoc Revision Committee, 2011.

Faculty Advisor to the Graduate Student Seminar Series Committee, The Ecology Center, 2008-2009.

Master in Natural Resources Committee, 2007-2008.

Environment & Society Department Head Search Committee, 2006-2007.

University (university-wide, or to other departments or units)

Member, Promotion and Tenure Committee, Department of Sociology, Social Work, and Anthropology, 2016-present.

Fulbright Committee, QCNR representative, 2015-present.

Latin American Studies Faculty Steering Committee, College of Humanities and Social Sciences, 2009-present.

Faculty Advisory Committee, Academic Service-Learning Program, 2008-2014.

Asian History Faculty Search Committee, History Department, 2013-2014.

iUtah EPSCoR Graduate Fellowship Proposal Review Panel, Summer 2012.

Selection Panel, International Professor of the Year, Spring 2012.

Visual and Media Studies Faculty Search Committee, Art Department, 2010-2011.

Steering Committee, Women and Gender Research Institute, 2008-2010.

Proposal Coordinator, U.S. Peace Corps Master's International Program, 2010 (proposal successful).

Advisory Council, Vice Provost for Faculty Development & Diversity, 2008-2010.

Advisory Board, Aggie CARE, 2007-2008.

Professional

National Science Foundation Panelist, 2016 (two panels).

Co-organizer and chair for paper sessions “Political Ecological Engagements with Migration Studies” I and II. San Francisco, CA. 29 March-2 April.

Association of American Geographers, Latin America Specialty Group, Chair, 2014-2016.

Conference of Latin Americanist Geographers, Board Member, 2006-2009, 2012-2015 (finance committee, honors committee, student travel award committee).

Panel Organizer, Meeting of the Conference of Latin Americanist Geographers, Panama City, Panama, 7-8 January, 2014.

Association of American Geographers, Latin America Specialty Group, Website Manager, 2011-2013.

Association of American Geographers, Latin America Specialty Group, Secretary/Treasurer, 2009-2011.

Association of American Geographers, Latin America Specialty Group, Student Field Study Award, Committee Member, 2010.

Conference Co-organizer, Great Plains/Rocky Mountains Regional Meetings of the Association of American Geographers, 2009.

Association of American Geographers, Latin America Specialty Group, Student Field Study Award, Committee Chair, 2009.

Association of American Geographers, Latin America Specialty Group, Best Student Paper Competition Committee, 2008.

Association of American Geographers, Cultural and Political Ecology Specialty Group, Western Regional Councilor, 2006-2008.

Academia Job Panel, International Symposium on Society and Resource Management 2007 Student Forum, 17 June 2007.

Reviewer

Ad-Hoc Peer Reviewer for the Following Grantors: *National Science Foundation; National Geographic Committee for Research and Exploration; Global Center for Food Systems Innovation Lab, Michigan State University; Agricultural Experiment Station, Utah State University*

Peer Reviewer for the Following Academic Journals:

Agriculture and Human Values

Annals of the Association of American Geographers

Antipode

Climate and Development

Environment & Planning A

Geoforum

Human Ecology

International Forestry Review

Journal of Agrarian Change

Journal of Cultural Geography

Journal of Ethnic and Migration Studies

Journal of Latin American Geography

Journal of Rural Studies

Land Use Policy

Norsk Geografisk Tidsskrift / Norwegian Journal of Geography

Population and Environment

Population, Space and Place

Population Studies
