60 amazing in Amazon.com
A summary of the 2007 Law and Economics Books

by

Crispulo Marmolejo G.

Universidad Santo Tomas - Chile

There is no doubt about that Amazon.com has contributed to the knowledge and to notice of Law and Economics. Most of scholars in United States, Europe, Asia, and Latinamerica use Amazon as a powerful tool for purchase books and papers. The website offers the option of creating the famous wish lists and all that concerns to the flow of opinions and the natural outcomes of many entries about books.

This is just a list in form of a systematic summary of current books about Law and Economics found in Amazon.com and edited during 2007.

All the information in each book is available in Amazon.com. It has been added the personal websites of authors and editors in several cases, which it could be useful for researchers and scholars in Law and Economics.
