Dear Dave,

I hope that you are enjoying your summer. It was good seeing you in Boston.

As you saw in my last e-mail, we're hosting a reception in Dick's honor in Philadelphia on August 30. The event will be low key, but we're asking three people (other than Dick) to offer a few words on the occasion. Dick and I would be honored if you would agree to be one of those people. We're not looking for more than a couple of minutes' worth of remarks.

Please let me know if you can do this.

Thanks in advance.

Best regards,

Gerald
On Saturday evening, August 30, the University of Rochester Department of Political Science will be hosting a special reception in Philadelphia to honor Richard Fenno. We are celebrating Dick's career as a scholar, teacher, and leader of the profession on the occasion of his becoming an emeritus professor at Rochester. Nancy Fenno (Dick's wife) will be joining us for the reception. We would be grateful if you could join us at the event.

We are sending this special e-mail to a limited group of people—congressional scholars and other professional friends of Dick, current and former members of the Rochester faculty and staff, and current and former PhD students at Rochester. However, the reception is open to anyone who wishes to attend, so do not hesitate to invite others.

The reception will be listed in the APSA program under "University of Rochester." It begins at 7:00 p.m. on Saturday, August 30.

My colleagues and I look forward to seeing you there. No reply is necessary.

Yours sincerely,
Gerald Gamm

Dave,

That's terrific. I know that Dick will be pleased.

I'll look forward to seeing you in Philadelphia. In the meantime, I hope you're enjoying the summer.

That's a very nice message.
