Hartsdbk@yahoo.com

*Compassionate Registered Nurse (RN) with 8+ years of experience providing exceptional clinical, neuro, trauma, and leadership skills. Successful in managing time, prioritizing tasks, comfortable in fast paced emergency situations and exercising the sound judgment required to improve the quality of patient care. Looking to leverage my experience and knowledge to effectively fill the **Clinical Instructor** role at The University of Akron*

**Core Competencies Include:** Bedside Care - Patient Assessments – Patient Care Plans – Medication Administration – Phlebotomy – Infection Prevention- CAPD

## PROFESSIONAL EXPERIENCE

### Summa Health System

#### Registered Nurse

Akron, OH

July 2007 – Present

- Provide pre and post-operative care for patients from admission through discharge
- Collaboration with a multidisciplinary healthcare team, including physicians, therapies (physical, occupational, speech, and respiratory), resident positions, and pharmacists
- Educate patients and family members in health maintenance, disease process, and preventative care
- Knowledgeable in a broad range of acute illnesses and disease processes with a focus on neurology, neurosurgery and trauma
- Utilize critical thinking skills in the nursing process: assess conditions, demonstrate effective decision making, implement appropriate interventions, anticipate potential complications and evaluated care outcomes
- Interact and communicate with patients of all ages and ethnic backgrounds, giving quality medical care and treatment
- Strive to improve facilities public image by ensuring exceptional patient care and satisfaction
- Lead and mentored newly licensed nurses in developing and achieving professional expertise

#### Nurse Technician

May 2006 – July 2007

- Prioritized and charted patient assessment and care provided
- Performed treatments such as catheterizations and dressing changes in a safe and effective manner
- Performed patient daily activities of life
