Fall November 2, 2010

Call for Papers of ICEEA10

Toufik Rekioua, Pr

Available at: https://works.bepress.com/djamila_rekioua/25/
Cover Topics

Submitted papers should be within the tracks below:

1. Electrical Machines and Drives (EMD)
2. Renewable energy systems (RES)
3. Power Electronics and applications (PEA)
4. Signal and Image Processing (SIP)
5. Control systems and applications (CSA)
6. Telecommunication and Multimedia Systems (TMS)
7. Electromagnetic compatibility (EMC)
8. Electric and Electromagnetic Field (EEF)

Informations

The city of Bejaia, located at 250 km in the east of Algiers, was one of the most prosperous cities of the Mediterranean Sea. Capital of great Moslem dynasties the city was initially known in Europe by the quality of its made beeswax candles to which it gave its name "Bougie". Bejaia also played a significant role in the diffusion of the "Arab numerals" in Occident. Significant industrial pole of the area, with a concentration of many industries and one of the largest ports in Algeria, Béjaïa has also an international airport.

The conference is organized by:

Supported by:
The International Conference On Electrical Engineering, Electronics and Automation (ICEEA’10) will be held in Bejaia-Algeria, and will be organized by the Industrial Technology and Information Laboratory (LTII), Faculty of Technology, University Abderahmane MIRA of Bejaia (Algeria) The conference will provide a forum for researchers, academics, engineers and students to discuss research ideas and present the recent advances in electrical engineering and related topics.

The best presentation (oral and poster) will be awarded during the closing ceremony.

The best presentation (oral and poster) will be awarded during the closing ceremony.

Researchers and students are invited to submit papers up to 6 pages. Submissions should be in Adobe Acrobat (.pdf) or MS Word (.doc) format in English, in two-columns according to the template format [link].
