THE UNIVERSITY OF TEXAS AT EL PASO DEPARTMENT OF MUSIC

Sounds of the 5th Annual Gala Concert Southwest

An evening of
eclectic music
featuring
UTEP's best
and brightest!

Distinguished Guests:

Bienvenidos and welcome to our Fifth annual Gala.

Tonight we feature the talents of our students and faculty in "Sounds of the Southwest." As the title implies, we will present colorful and dynamic music that demonstrates the expertise of our outstanding students who have been guided and encouraged by our distinguished UTEP music faculty. You will be engaged by the sights and sounds of vibrant music that is the Southwest. Excellence is our trademark, as is commitment to education and performance. I am sure that you will be not only entertained, but amazed by what you experience.

Developing and presenting such an event is complex. This Gala is a priceless experience for our students to participate in a production that requires individual responsibility as well as a commitment to team work. Providing these experiences to our students helps to prepare them for their future careers, no matter their chosen career-field. These experiences manifold themselves into tools for success.

Tonight you will experience music presented in various mediums. However, a special highlight this evening is the inaugural performance by UTEP's Mariachi Ensemble. We cannot think of a better way to present this ensemble than in a Gala celebrating the "Sounds of the Southwest."

UTEP's commitment to the arts and music is well-established. The opportunities for UTEP music students to perform, learn and grow are extraordinary and getting better. As I have said many times, these are "Glory" years.

I would like to invite you to invest in our future and the success stories of our students by offering your support, in whatever way you can. The rewards for doing so are tremendous.

We appreciate all that you do to support UTEP and want to thank you for coming. Please enjoy "Sounds of the Southwest." This will be a night to remember.

Sincerely,

A handwritten signature in cursive script that reads "Lowell E. Graham".
