Liebeslieder Waltzes, Opus 52

Johannes Brahms
(1833-1897)

Ein kleinger, hübscher Vogel

A pretty little bird flew to the garden where fruit was plentiful. If I were a pretty little bird, I'd not delay; I'd do just as he did. Treacherous, sticky sap lies in ambush; the poor bird could not escape. If I were a pretty little bird, I'd definitely delay; I'd not do as he did. The bird was freed by a lovely hand; no harm came to the happy little bird. If I were a pretty little bird, I'd not delay; I'd certainly do as he did.

Wenn so lind dein Aug emir

When your eyes so gently and so fondly gaze on me, every last sorrow flees that once had troubled me. This beautiful glow of our love - do not let it die! Never will another love you as faithfully as I.

Am Donaustrande, da steht ein Haus

On the Danube's bank there stands a house, and there a rosy maiden gazes out. The maiden is quite well protected; ten iron bars block her door. Ten iron bars - that's a joke! I'll break them as if they were only glass.

Nachtigall, sie singt so schön

The nightingale sings so beautifully when the stars twinkle. Love me, dear heart; kiss me in the darkness!

Ein dunkeler Schacht ist Liebe

Love is a dark pit, a far too dangerous well, and poor me, I fell into it. Now I can neither hear nor see; I can only remember my delight, only groan in my misery.
