GOVERNMENTAL SUBMISSIONS

- Organised and led the drafting of a submission to the Senate Standing Committee on Legal and Constitutional Affairs in its Inquiry into Human Rights (Parliamentary Scrutiny) Bill 2010 (July 2010)
- Organised and co-authored (with Sandford Gaines) a letter and legal memorandum, signed by 183 eminent International Law scholars and practitioners from 52 countries, delivered to leaders of all countries on the Security Council in 2003 outlining a shared concern about breaches of the law of war relating to the protection of the environment that would likely result from the invasion of Iraq (2003).
- Called to present testimony before the Federal Parliament Joint Standing Committee on Treaties in its Inquiry into Australia's Relationship with the World Trade Organization (2001).
- Authored submission to the Interim Office of the Gene Technology Regulatory on the proposed *Gene Technology Bill* 2000 (Cth).
- Authored submission to the Senate Environment, Recreation, Communication and the Arts References Committee on the 1999 Inquiry into Global Warming.
- Authored submission to ANZECC on the 1999 Draft National Framework for Monitoring Australia's Native Vegetation.
- Authored submission to the Senate Committee on Corporations and Securities regarding mandatory environmental reporting under section 299 of *The Corporations Law* (Cth).
- Co-authored submission to the Commonwealth Senate Environment, Recreation, Communications and the Arts Legislation Committee on the *Environment Protection and Biodiversity Conservation Bill* 1998.

- Authored submission to the Commonwealth Joint Standing Committee on Treaties in its Inquiry into the Multilateral Agreement on Investment.
- Co-authored submission in response to the Reform of Commonwealth Environment Legislation Consultation Paper released by the Commonwealth Minister for the Environment, March 1998.
- Authored submission to the federal Senate Environment, Recreation, Communications and the Arts References Committee in its Inquiry into Commonwealth Environment Powers, 1997.
- Authored submission to the Australian Senate Environment, Recreation, Communications and the Arts References Committee in its Inquiry into the *National Environment Protection Measures (Implementation) Bill* 1997.
- Authored submission to various Australian Constitutional Convention delegates on environmental preambular language, Commonwealth environment powers, and environmental rights and duties.
- Co-authored submission to New South Wales Agriculture on its Concurrent Review of Agricultural Chemical Residue Legislation.
- Co-authored submission on the Commonwealth statutory review of the *Endangered Species Protection Act* 1992.
- Authored submission to the National Environment Protection Council on the Ambient Air National Environment Protection Measure.
- Authored submission on the National Pollutant Inventory National Environment Protection Measure.
- Authored submission on the Australian Law Reform Commission Report No. 75 (Costs Shifting).
- Authored submission on the Australian Law Reform Commission Report No. 78 (Standing).
- Participated in drafting joint submission on the Draft New South Wales Biodiversity Strategy.
- Authored submission on the New South Wales *Fisheries Management Amendment Bill* 1997 regarding biodiversity protection.
- Authored submission to the New South Wales Environmental Protection Authority on improving pesticide management in New South Wales.

- Prepared a comprehensive legal memorandum on the legality of the 1995 resumption of nuclear testing by France, signed by 186 eminent international/environmental scholars and lawyers from 43 countries, that was submitted to the Australian and New Zealand Governments. The Australian Government utilised the memorandum in the preparation of its *Request for an Examination of the Situation in accordance with Paragraph 63 of the Court's 1974 Judgement in the Nuclear Tests Case (New Zealand v. France)*, brought in the International Court of Justice in 1995.
