Koufax's perfect game--the tale of the data

Frederick M Cohan, Wesleyan University
Initiating a fix

Bailout measures should go forward in all general elections.

Harold Meyerson

Ballot measures should go forward in all general elections.

For anyone who believes in majority rule, it's a consummation devoutly to be wished. For anyone who believes in democracy, it's a consummation devoutly to be wished. The truth is, previous stand- offs between the two big parties have been designed to keep the November electorate skewed toward whichever's an advantage at the time. This is exactly the kind of gamesmanship. As things stand, the November electorate is larger, more representative of the country and more skewed to its particular concerns. Majority rule, it's a consummation devoutly to be wished. The case for voting on initiatives...
