JENNIFER L. HOOTMAN
COORDINATOR OF DIGITAL SCHOLARSHIP

EDUCATION

Master of Library and Information Science, 2002
Graduate School of Library and Information Science, University of Illinois Urbana-Champaign

Master of Arts, 1997
Department of History, Illinois State University

Bachelor of Arts, 1995
Department of History, Bradley University

EXPERIENCE

Coordinator of Digital Scholarship | 2022 – Present
University of Kentucky Libraries, Lexington, KY

- Manage, develop, and assess Digital Scholarship programs and services including strategic planning, supporting daily operations, teaching, research consulting and support, providing data services, and outreach
- Supervise and mentor Digital Scholarship staff, particularly in the areas of developing and maintaining technical and research expertise
- Foster digital scholarship projects that support faculty, researchers, and students in their own teaching, research, and scholarly activities
- Build awareness and support for the Digital Scholarship programs and services by providing information and education to internal and external constituencies
- Advocate and collaborate with constituencies on issues related to digital research, outreach, and publishing both directly and through the assistance of subject specialists across all library departments
- Encourage experimentation and risk-taking in digital scholarship projects as part of professional growth and innovative services
- Manage and develop the institutional repository, UKnowledge
- Manage the Libraries' Alternative Textbook Grant Program and facilitate participation from the Advisory Board
- Provide research and teaching support as well as collection development for the department of History

Digital Humanities Librarian | 2018 – 2022
University of Kentucky Libraries, Lexington, KY

- Serve as an academic liaison to History and support current and emerging methods of research and scholarly production in the humanities
- Develop and conduct workshops on digital scholarship tools, methods, resources, and best practices
- Explore and promote new models for digital publishing
- Participate in research data management initiatives and serve as a resource for scholarly communication issues
- Collaborate with colleagues throughout UKLibraries and the campus to advance the content development and management of UKnowledge, the university's institutional repository
- Participate in outreach and campus engagement activities that build partnerships and cultivate relationships among key university units
- Provide subject-specific leadership for collection building and management, as well as promote library collections, programs, and services
- Develop and maintain online research and course guides

Digital Arts, Sciences, & Humanities (DASH) Program Associate | 2016 – 2017
University of Minnesota Libraries, Minneapolis, MN

- Develop and participate in DASH website design and maintenance
- Participate in DASH consultations and courses including instruction on tools and troubleshooting
- Participate in DASH-supported digital projects providing platform and application support for faculty, students, and librarians
- Host and provide DASH workshops
- Create and maintain DASH marketing & communications
- Plan and Promote events

Reference Outreach & Instruction Librarian | 2006 – 2016
University of Minnesota Libraries, Minitex, Minneapolis, MN

- Five years of experience supervising, leading team in setting priorities and goals, monitoring workflow, conducting annual performance evaluations, and assisting in coordinating Reference Outreach & Instruction (ROI) with other Minitex services
- Design, implement, and maintain digital tools and services for researchers across the state
- Promote Minitex services and resources through creating marketing collateral (print and digital) and building relationships with library professionals, educators, students, and the community
- Create summary reports and statistics on unit accomplishments as well as quarterly and fiscal year end usage reports on the Electronic Library for Minnesota databases
- Design and deliver instruction on statewide-accessible databases and other reference and research topics throughout Minnesota for library professionals, educators, students, and community members of all ages
- Lead relationship between Minitex and University of Minnesota Libraries in providing instructional services to middle and high school students participating in National History Day in Minnesota

- Provide digital reference and research service on-demand through a 24/7 statewide digital reference service, by special request, or referral

Instructional Services Librarian | 2002 – 2006
Illinois State University, Milner Library, Normal, IL

- Develop and provide General Education instruction sessions
- Collaboratively develop, coordinate, and assess General Education instruction for COM 110: Communication and Critical Inquiry and ENG 101: Composition and Critical Inquiry
- Design and develop instructional materials and online tutorials for students and library in-service training
- Teach General Education course, Foundations of Inquiry
- Provide general and in-depth reference in-person and through virtual reference services

TEACHING EXPERIENCE – CREDIT-BEARING COURSES

Community Faculty | Fall 2007, Fall 2008
Metropolitan State University, Library & Information Services, St. Paul, MN
- Instructor – Information Studies 115: Information Access and Research Skills

Library Faculty, Assistant Professor | 2003-2004
Illinois State University, General Education, Normal, IL
- Foundations of Inquiry (FOI)

Adjunct Faculty | 1998 – 2000
Illinois Central College, Department of Social Sciences, East Peoria, IL
- Instructor – HIST 201 – United States History to 1865
- Instructor – HIST 202 – United States History Since 1865
- Instructor – SSC 110 – Introduction to Social Science

Adjunct Faculty | 1998
Heartland Community College, Department of Social and Business Sciences, Normal, IL
- Instructor – HIST 136 – United States History Since 1865

GRANTS

National Endowment for the Humanities, Digital Humanities Advancement Grant (Level III), 2022. Proposal submitted January 2022 for $350,000
- Dr. Stephen Davis (Principal Investigator), Jennifer Hootman (Co-Investigator), Dr. William Mattingly – *The Bitter Aloe Project: Extending Inquiry into Large Corpora through the Application of Machine Learning Models to Human Rights Archives*. Project website

Publishing Committee, American Library Association, Carnegie-Whitney Grant, 2017-2019.
Awarded $4,500
- Jennifer Hootman and Janalyn Moss, University of Iowa – *Return with Honor: A Bibliography of Personal Accounts of American Prisoners of War*. Project website

University Research Grant, 2004-2005.
- Jennifer Hootman and Chad Kahl, Illinois State University – *Creation of an Information Literacy Tutorial for Beginning General Education Courses*.
