WHEREAS

a child's sexuality is just as much a part of COS whole person from birth as the blood that flows in cos veins, making cos sexual rights inherent and inalienable, and Whereas the United Nations Organization proclaimed a Universal Declaration of Human Rights in 1948, stating everyone is entitled to all the right and freedoms encompassed in this Declaration without discrimination of any kind, such as race. color, sex, language, religious opinion, national or social origin, birth or other status, and Whereas a Declaration of the Rights of the Child was proclaimed by UNO in 1959, but

no mention was made of the sexual needs and rights of children, and Whereas a child not allowed to express all: the instinctive desires nature endowed co with becomes an unhappy, frustrated, anti-social being and potential criminal, and Whereas it is time the people of the United States and their lawmakers recognize these facts of life and act accordingly, Therefore the following inalienable rights are specifically set forth, to be implemented by appropriate legislation on a national and state level and measures taken for the re-education of the citizenry in every part of the United States, this education to be available free to every citizen, whether school child or adult:
