Without You

All I need is time,
Starting just from scratch,
Can't go thru all this again.
Give me back my broken heart and soul.
Looking back at pictures in the past.
I thought my heart knew what was right. It lied cuz you were wrong.
So please don't ask me to explain How dreams only remain
Can I ever trust feelings hidden deep inside?
Part of me and not a part of you.

out you,
I'll turn and walk away.
No more games of win or lose.

out you
There's nothin left to say.
Forget all the don'ts and do's.
The

now, alone, all by myself
best for you, the worst for me.
Gonna

find somebody else, Without you.
