Benefits:
- Relatively simple way to create, edit, and present visually pleasing subject guides.
- Remotely hosted - can be used as portal to access resources when campus website is down.
- Includes usage statistics, polls, and other venues for user feedback.
- Reasonably priced.
- Can integrate into existing website search boxes (see http://www.library.eku.edu/new/index.php):

Generates a subject list.

Popular guides listed first.

Contact Info on every page.
