Dean's Advisory Council Scholarship: <u>University of North Carolina Greensboro</u>	2008

RESEARCH GRANT AND CONTRACT SUPPORT

Co-Principal Investigator	Snow, Rachel (PI)	2013 – 2014
Co-Investigator		2010 – 2013
<i>Economic Crisis, Residential Instability, and Changing Sexual Geographies of Detroit Youth</i>		

Ford Foundation (Sexuality, Health, and Rights): \$1,010,000

Co-Principal Investigator (Scored/NF) Padilla, Mark (PI) 2013
Body Modification Practices and HIV Risk Behavior among Transgendered Persons in Detroit, Michigan
R21 10-130 (NIDA): \$250,000; Scored 20

Principal Investigator 2011 – 2012
Youth Experiences of Violence, Discrimination, and Harassment
Detroit Urban Research Center Small Planning Grant: \$4,000

Principal Investigator (Subcontract) Treadwell, Henrie (PI) 2010 – 2011
Examination of Black Men's Psychosocial Health
P0121902 (W.K. Kellogg Foundation/Morehouse School of Medicine): \$10,000

Principal Investigator (Scored/NF) 2009
Exploration of Black Sexual Minority Men's Psychosocial Health
1 R36 MD004958-01 (NCMHD/NIH): \$71,951; Scored 40

EVALUATION AND CONSULTATION EXPERIENCE

Strategic Planning Facilitator 2012 – 2013
Community Partners, Office of HIV/AIDS Network Coordination (HANC)

- Led a strategic planning process for a Division of AIDS (DAIDS) funded initiative focused on enhancing community participation in HIV/AIDS clinical trials research.

Program Planning & Intervention Specialist 2011 – 2013
HIV Prevention & Healthy Transitioning with Transgender Women in Detroit Michigan, Ruth Ellis Center

- Using a community-based participatory approach, collaboratively developed a homegrown intervention, "Gurl Talk," funded by the Michigan Department of Community Health.

Lead Evaluator 2010 – 2012
From Where I Stand Social Marketing Campaign, AID Atlanta

- Using a community engaged approach, cooperatively designed a quasi-experimental, non-equivalent control group w/ pretest-posttest summative evaluation of a CDC funded social marketing campaign targeting HIV stigma and homonegativity among young black gay men.

Strategic Planning Consultant 2010
Legacy Project, Fred Hutchinson Cancer Research Center

- Facilitated a strategic planning process for working group focused on HIV biomedical interventions.

Evaluator 2010
AIDS Project East Bay (APEB)

- Conducted data analysis and interpretation, and drafted final report for the local process evaluation of the Community Involvement Project, a Special Projects of National Significance (SPNS) initiative funded by Health Resources and Services Administration (HRSA) HIV/AIDS program.

TEACHING AND TRAINING EXPERIENCE

A. Courses Taught

Graduate Level

Qualitative Methods – HBHE 638 (2013)

University of Michigan, School of Public Health

Focused on qualitative social research in public health, this course used didactic, interactive, and applied techniques to achieve its goal of helping students to acquire the strategies and techniques needed to conduct qualitative research. – 20 students

Undergraduate Level

Personal Health – HEA 201 (2007)

University of North Carolina Greensboro, School of Health and Human Performance

Study of determinants of healthful and safe living for various age groups; emphasis on analyses and interpretations of research findings within a social ecological conceptual framework. – 39 students

B. Guest Lectures

Adulthood and Aging – SW 616 (2011)

University of Michigan, School of Social Work

This course examined psychosocial development and change across the adult lifespan; guest lecture focused on factors influencing depression and anxiety among black sexual minority men. – 35 students

Men's Health Disparities – HBHE 613 (2011)

University of Michigan, School of Social Work

This course examined how the gendered nature of society differentially influences men's health; the first guest lecture focused on cultural studies theories, black masculinities, and sexual health, while the second lecture focused on African-American transgender women's (MTF) reflections on black masculinities and new gender categories created in House/Ball communities that challenge the gender binary. – 38 students
