---

### **SUMMARY OF**

### **QUALIFICATIONS:**

- More than 29 years of professional experience in diagnostic medical imaging
- Credentialed: Radiography, Diagnostic Medical Sonography, Vascular Technology
- Clinical experience includes Radiographic Procedures and Diagnostic Medical Sonography: Abdomen, Obstetrics, Gynecology, Neurosonography, Breast, Testicular, Thyroid, Cardiac, Vascular, and Surgical Intervention
- Former Assistant Dean, Long Island University
- Former Acting Chairman/Vice Chairman, Thomas Jefferson University
- Former Director of Resource Development, Phoenix Cardiovascular, Inc.
- Directed multiple successful CAAHEP accreditations and re-accreditations of General Sonography, Cardiac Sonography, and Vascular Technology
- First institution to receive the extended 10-year CAAHEP accreditation in 2002
- Successfully implemented multiple curricular designs for dedicated General Sonography, Cardiac Sonography, and Vascular Technology Programs
- Expanded clinical affiliate site contracts from 18 to 60 (1996-2004)
- Increased student enrollment from 30 to 75 (1996-2004)
- Director of 5 distinct radiologic science programs (1997-2004)
- Contributing Author/Content Review, Mosby, Inc., SDMS, and Delmar Publishers
- National Consultant, Diagnostic Medical Sonography
- Former SDMS State Representative, Pennsylvania and New Jersey
- SDMS Faculty, national presentations at multiple SDMS Annual Conferences

### **ACADEMIC**

### **PREPARATION:**

#### **LONG ISLAND UNIVERSITY - CW POST CAMPUS, Brookville, NY**

Doctorate in Education, Interdisciplinary Education (2011-Present)

#### Courses:

- 1003 Psychological, Sociological, and Cultural Aspects of Human Development
- 1004 School and Community: Policy and Practices
- 1000 Philosophy of Science & Interdisciplinary Approach to Educational Studies
- 1005 Educational Research Methods I
- 1001 Multiple Perspectives on Educational Policy Analysis and the History of Education
- 1002 Organizational Theory: Approaches to Studying and Analyzing School Organizations
- 1202 Perspectives on Leadership, Restructuring, and Teacher Empowerment
- 1203 Seminar in Fiscal Legal, and Human Resource Issues in School Renewal and Reform
- 1201 Educational Reform: An Interdisciplinary Theoretical Perspective
- 1006 Educational Research Methods II
- 1204 Public and Community Relations: Creating Environments Conducive to Educational Reform
- 1206 School Reform: Instructional Leadership in Pre-K-16 Settings
- 1205 Critical Issues and Trends in Pre-K-16 Education
- 1007 Applied Research Design in Educational Studies

1008 Doctoral Dissertation Seminar

**NOVA SOUTHEASTERN UNIVERSITY**, Fort Lauderdale, FL  
Doctorate in Education, Healthcare Education (1997-2006 ABD)

Courses:

Curriculum Development	Preparing and Developing Staff
Governance and Management	Research Methodology
Human Resources Development	Social and Ethical Issues
Leadership	Societal Factors

**UNIVERSITY OF ST. FRANCIS**, Joliet, IL  
Master of Science, Healthcare Administration (1995)

Courses:

Accounting	Health Management
Economics	Marketing
Finance	Sociology
Health Administration	Statistics and Research
Health Care Law	

**THOMAS JEFFERSON UNIVERSITY**, Philadelphia, PA  
Bachelor of Science, Diagnostic Imaging (1988)  
Major: Diagnostic Medical Sonography

**HARRISBURG AREA COMMUNITY COLLEGE**, Harrisburg, PA  
Liberal Studies Curriculum (July 1985 to December 1986)

**MILTON S. HERSHEY MEDICAL CENTER/  
THE PENNSYLVANIA STATE UNIVERSITY**, Hershey, PA  
Certificate - School of Radiologic Technology (1985)

**PROFESSIONAL  
EXPERIENCE:**

**MOLLOY COLLEGE**, Rockville Centre, NY  
Allied Health Sciences Department  
*Program Director, Cardiovascular Technology* - July 2007 to Present  
*Assistant Professor, Cardiovascular Technology* - January 2007 to Present

Chairman, Cardiovascular Technology Technical Advisory Committee  
Board of Directors (2007-Present)  
Member, Finance Committee (2009-2012)  
Member, Middle States Commission on Higher Education  
Student Support Task Force (2012-2014)

**LONG ISLAND UNIVERSITY**, Brooklyn, NY  
School of Health Professions  
*Assistant Dean*  
*Associate Professor, Division of Sports Sciences* - September 2006 to January 2007

Responsibilities include oversight of:

- Programmatic Accreditation
- Student Advisement and Counsel
- Clinical Affiliate Contracts for all Divisions within the School of Health Professions:
  - Community Health
  - Occupational Therapy
  - Physical Therapy
  - Physician Assistant Studies
  - Respiratory Care
  - Sports Sciences
  - Surgical Technology
  - Vascular Technology

*Program Director, Vascular Technology - January 2006 to January 2007*

Responsibilities include:

- Assume a leadership role in the development, interpretation, representation, coordination, planning, promotion, implementation and evaluation of diagnostic imaging education
- Serve as a liaison between the University and the profession of diagnostic imaging
- Interpret trends in diagnostic imaging, education, public policy and healthcare for University officers
- Insure congruence between the educational goals of the Department and the mission of the University
- Maintain academic standards that satisfy the requirements of the University and accrediting agencies
- Coordinate with appropriate personnel at clinical affiliate sites
- Recruit and maintain competent faculty and staff
- Promote research, programs, and scholarship for the faculty and students
- Steer grant applications and research proposals
- Coordinate the recruitment, admission, retention and progression of students in cooperation with the University Office of Student Affairs and Services
- Teach in the academic program
- Assess program needs and participate in the budget development and management process
- Execute personnel policies, evaluate faculty/staff performance and assume additional responsibilities as assigned by the Dean.

#### Teaching Experience

Introduction to Healthcare and Diagnostic Medical Sonography  
Cerebrovascular Principles  
Cerebrovascular Procedures  
Visceral Vascular Procedures  
Vascular Clinical Preceptorship I  
Vascular Clinical Preceptorship II  
Vascular Clinical Preceptorship III

Vascular Clinical Preceptorship IV  
Individual Problems Course – Division of Sports Science

**PHOENIX CARDIOVASCULAR, INC.**, Doylestown, PA  
**NAVIX DIAGNOSTIX, INC.**, Taunton, Massachusetts  
*Director of Resource Development* - August 2004 to January 2006

Navix Diagnostix, Inc. (NDI) acquired Phoenix Cardiovascular, Inc. (PCI) in September 2005. As a result, NDI was able to provide diagnostic imaging testing services, management organization, and third party payer reimbursement consulting services to hospitals, physician groups, and independent diagnostic testing facilities in New York, New Jersey, Pennsylvania, the District of Columbia, Massachusetts, Rhode Island, New Hampshire, Vermont, Connecticut, and Maine. NDI continues to be involved with the establishment of diagnostic imaging education programs at multiple colleges and universities in the Northeast United States.

Responsibilities include:

- Coordination of Long Island University's Vascular Technology Program CAAHEP accreditation in 2005
- Member, Long Island University Vascular Technology Program Advisory Board
- Performance of audits for vascular technologists
- Provide training for employees with CustomLab reporting software
- Coordination of company website
- Collaboration with medical research initiatives

**THOMAS JEFFERSON UNIVERSITY**, Philadelphia, PA  
Jefferson College of Health Professions, Department of Diagnostic Imaging  
*Program Director*, Cardiac Sonography (1998-2004)  
*Program Director*, Vascular Technology (1998-2004)  
*Program Director*, General Sonography (1997-2004)  
*Program Director*, Invasive Cardiovascular Technology (1998-2002)  
*Program Director*, Radiography (1997-1999)  
*Vice Chairman* - January 1998 to July 1999  
*Acting Chairman* - March 1997 to January 1998

Responsibilities include:

- Assume a leadership role in the development, interpretation, representation, coordination, planning, promotion, implementation and evaluation of diagnostic imaging education
- Serve as a liaison between the University and the profession of diagnostic imaging
- Interpret trends in diagnostic imaging, education, public policy and healthcare for University officers
- Insure congruence between the educational goals of the Department and the mission of the University
- Maintain academic standards that satisfy the requirements of the University and accrediting agencies

- Coordinate with appropriate personnel at clinical affiliate sites
- Recruit and maintain competent faculty and staff
- Promote research, programs, and scholarship for the faculty and students
- Steer grant applications and research proposals
- Coordinate the recruitment, admission, retention and progression of students in cooperation with the University Office of Student Affairs and Services
- Teach in the academic program
- Assess program needs and participate in the budget development and management process
- Execute personnel policies, evaluate faculty/staff performance and assume additional responsibilities as assigned by the Dean.

*Instructor and Diagnostic Medical Sonography Clinical Education Supervisor - May 1996 to March 1997*

Responsibilities include:

- Prepare lectures and teach upper-level radiographic and sonographic courses
- Supervise the clinical education of more than 90 students
- Serve as college liaison to more than 60 clinical sites
- Conduct practical scanning laboratory sessions
- Revise annually the Clinical Education Handbook
- Assist with student orientation/registration
- Conduct college recruitment sessions

#### Teaching Experience

Introduction to Diagnostic Imaging  
Radiographic Procedures II  
Clinical Radiography I  
Clinical Radiography II  
Clinical Radiography III  
Clinical Radiography IV  
Radiographic Image Analysis Seminar  
Introduction to Diagnostic Medical Sonography  
Obstetrical Sonography  
Pelvic Sonography  
High Resolution Sonography  
Cross Sectional Anatomy  
Sonography Review Seminar  
Clinical Sonography I  
Clinical Sonography II  
Clinical Sonography III  
Echocardiography  
Sonography Independent Study  
Dynamics of Health Care  
Interdisciplinary Clinical Care Planning  
Special Topics in Ultrasound

Delivering Healthcare in America  
Cardiovascular Clinical Principles  
Echocardiographic Instrumentation  
Special Topics in Cardiac Sonography  
Echocardiography Clinical I  
Echocardiography Clinical II  
Echocardiography Clinical III  
Peripheral Vascular Instrumentation  
Peripheral Vascular Clinical I  
Peripheral Vascular Clinical II

Professional Involvement

**COLLEGE LEADERSHIP:**

Committee on Governance (2000-2004)

Chairman (2001-2004)

Ad hoc Search Committee, Chairman, Department of Physical Therapy (2001-2003)

Executive Council (1997-2002)

Committee on Educational Philosophy and Policy (1996-2000)

Co-Chairman (1997-2000)

Faculty Affairs Committee (1996-1999)

Longitudinal Study Committee (1996-1997)

Judicial Board (1996-1998)

**DEPARTMENTAL LEADERSHIP:**

Chairman, Diagnostic Medical Sonography, Technical Advisory  
Committee (1997-2004)

Member, Curriculum Committee (2001-2004)

Member, Student Satisfaction Committee (2001-2004)

Liaison, Office of Admissions and Enrollment Management (1997-2004)

Liaison, Department of Marketing and Public Relations (1997-2003)

**A.Z. RITZMAN ASSOCIATES, Camp Hill, PA**

Staff Ultrasound Technologist - September 1989 to April 1996

- Performed over 2,000 exams annually for a private practice of 20 physicians
- Performed mobile service to offices and clinics in the region

**MILTON S. HERSHEY MEDICAL CENTER/**

**THE PENNSYLVANIA STATE UNIVERSITY, Hershey, PA**

Staff Ultrasound Technologist - January 1988 to May 1989

- Initiated procedures and protocols for an invasive prostate biopsy center
- Performed high-risk obstetric studies at a progressive teaching hospital

**THOMAS JEFFERSON UNIVERSITY HOSPITAL, Philadelphia, PA**

Staff Radiologic Technologist - December 1986 to December 1987

**PRESENTATIONS:** *HOT TOPICS IN EDUCATION*

Society of Diagnostic Medical Sonography Annual Conference

Las Vegas, NV                      October 10, 2013                      (1.5 credit hours)

*PHYSICS OF ULTRASOUND*

Society of Diagnostic Medical Sonography  
SDMS Webinar                      December 2012                      (1 credit hour)

*ADVANCED PRACTICE UPDATE*

Society of Diagnostic Medical Sonography Annual Conference  
Denver, CO                      October 12, 2006                      (1 credit hour)

*MANAGING YOUR PROGRAM WITH SHRINKING FINANCES*

Society of Diagnostic Medical Sonography Annual Conference  
New Orleans, LA                      September 30, 2004                      (1 credit hour)

*CLINICAL PARTNERSHIPS DISCUSSION PANEL*

Society of Diagnostic Medical Sonography Annual Conference  
Dallas, TX                      October 16, 2003                      (1 credit hour)

*ULTRASIM SCANNING SIMULATOR UPDATE*

Emerging Technologies in Diagnostic Medical Sonography Conference  
Thomas Jefferson University  
Philadelphia, PA                      March 28, 1998                      (1 credit hour)

*COLOR POWER ANGIOGRAPHY*

Advanced Technology Laboratories, Inc.  
Englewood Medical Center  
Englewood, NJ                      May 7, 1997                      (2 credit hours)

**AUTHORSHIP:**

*CLINICAL GUIDE TO ULTRASONOGRAPHY*

Chapter 19: Size Greater than Dates  
Mosby, Inc. ©2004  
Contributing Author

*AN INTRODUCTION TO VENIPUNCTURE AND INTRAVENOUS ACCESS FOR  
ADMINISTRATION OF ULTRASOUND CONTRAST MEDIA*

Society of Diagnostic Medical Sonography ©2003  
Contributing Author

*SDMS NATIONAL CERTIFICATION EXAMINATION REVIEW SERIES*

Society of Diagnostic Medical Sonography ©2001  
Content Reviewer

*DELMAR'S ADVANCED IMAGING PROCEDURES VIDEOS*

Delmar Publishers ©1998  
Content Reviewer

**PROFESSIONAL**

AMERICAN REGISTRY OF DIAGNOSTIC MEDICAL SONOGRAPHERS

**REGISTRATION:** Registered Diagnostic Medical Sonographer, #19248 (1988)  
Registered Vascular Technologist, #19248 (1993)  
AMERICAN REGISTRY OF RADIOLOGIC TECHNOLOGISTS  
Registered Technologist (Radiography), #201468 (1985)

**CERTIFICATIONS:** AMERICAN HEART ASSOCIATION  
Cardiopulmonary Resuscitation (1975-Present)  
AEROBICS AND FITNESS ASSOCIATION OF AMERICA  
Personal Trainer/Fitness Counselor (1995)  
Resistance Training Specialist (1996)  
PROFESSIONAL ASSOCIATION OF DIVING INSTRUCTORS  
Open Water Diver (1986)

**MEMBERSHIPS:** American Association of University Professors (AAUP) (2009-Present)  
Society of Diagnostic Medical Sonography (SDMS) (1987-Present)

- Nominating Committee
  - Member (2012-2014)
- Bylaws Committee
  - Chairman (2011-2013)
- Ethics Committee
  - Chairman (2011-2013)
- Education Foundation, Board of Directors
  - Member (2009-2013)
- Advanced Practice Committee (formerly known as the Ultrasound Practitioner Commission and the Ultrasound Practitioner Committee)
  - Chairman (2009-2011)
  - Chairman (2003-2007)
  - Member (2001-2003)
- Finance Committee
  - Member (2007-2009)
- State Representative, Pennsylvania (2001-2004)
- Continuing Education Committee (2000-2006)
- State Representative, New Jersey (1997-2001)

American Society of Echocardiography (ASE) (1998-Present)  
Society for Vascular Ultrasound (SVU) (1998-Present)  
American Society of Radiologic Technologists (ASRT) (1998-Present)  
Greater Delaware Valley Ultrasound Society (GDVUS) (1996-2004)  
Philadelphia Society of Radiologic Technologists (PSRT) (1997-1999)  
Aerobics and Fitness Association of America (AFAA) (1996-2004)  
Association of Educators in Radiologic Technology of the State of New York, Inc. (1997-1999)  
Franklin Learning Center Advisory Board (1997-2004)  
Long Island University, Brooklyn Campus

- Vascular Technology Program, Advisory Board
  - Member (2004-2007)
- Vascular Technology Program, Accreditation Committee
  - Chairman (2004-2007)

- Community Outreach Committee
  - Member (2004-2007)
- Clinical Education Committee
  - Member (2004-2007)

Thomas Jefferson University

- Jefferson College of Health Professions, Alumni Association, Board of Directors
  - Past President (2003-2005)
  - President (2001-2003)
  - Vice President (1999-2001)
  - Member (1997-2005)
- Jefferson College of Health Professions
  - Member, Editorial Board, The Review (2001-2002)
  - Member, Alumni Contact Program (1998-2006)
  - Member, Jefferson Alumni Volunteering for Admissions (JAVA) (1996-2004)

**ASSOCIATIONS:**

Port Washington Soccer Club

- Head Coach, Soccer (2012)

Port Washington Youth Association

- Assistant Coach, Football (2007)

Port Washington Youth Association

- Assistant Coach, Baseball (2007)

Voorhees Soccer Association, Youth Instructional League

- Head Coach, Soccer (2003-2004)

**HONORS/AWARDS:** Member, Alpha Eta Honor Society, Thomas Jefferson University Chapter (2002)  
Member, Lambda Nu Honor Society, Thomas Jefferson University Chapter (2002)

**SCHOLARSHIPS:** Medical Imaging Educators Scholarship, \$5,000  
American Society of Radiologic Technologists (2013)

**CONTINUING  
EDUCATION:**

PERIPHERAL ARTERIAL PHYSIOLOGIC TESTING: MUCH MORE THAN ABI'S  
Society for Vascular Ultrasound

SDMS Webinar            November 2016            (1 CME credit)

INTRODUCTION TO TCD NEUROSURGICAL APPLICATIONS ASSESSMENT

Society for Vascular Ultrasound

SDMS Webinar            November 2016            (1 CME credit)

AMERICAN INSTITUTE OF ULTRASOUND IN MEDICINE ANNUAL  
CONVENTION

American Institute of Ultrasound in Medicine

New York, NY            March 2016            (29 CME credits)

ULTRASOUND PHYSICS AND INSTRUMENTATION, 5e

Society for Vascular Ultrasound-Pegasus Lectures, Inc.

Online CME            December 2015            (2 CME credits)

VEITH SYMPOSIUM

Cleveland Clinic-Center for Continuing Education

New York, NY            November 2015            (9.25 CME credits)

A TRAINING PROGRAM - ORIENTATION OF CLINICAL INSTRUCTORS

Society of Diagnostic Medical Sonography

SDMS Webinar            October 2014            (1 CME credit)

SOCIETY OF DIAGNOSTIC MEDICAL SONOGRAPHY ANNUAL CONFERENCE

Society of Diagnostic Medical Sonography

Las Vegas, NV            October 2013            (23.5 CME credits)

PHYSICS OF ULTRASOUND

Society of Diagnostic Medical Sonography

SDMS Webinar            December 2012            (1 CME credit)

SOCIETY OF DIAGNOSTIC MEDICAL SONOGRAPHY ANNUAL CONFERENCE

Society of Diagnostic Medical Sonography

Seattle, WA            September 2012            (19.5 CME credits)

OPTIMIZING YOUR IMAGES AND DOPPLER EVALUATIONS

Intersocietal Accreditation Commission

SDMS Webinar            January 2012            (1 CME credit)

THE ATTEMPT TO STANDARDIZE TECHNICAL AND ANALYTIC  
COMPETENCE IN SONOGRAPHY EDUCATION

Journal of Diagnostic Medical Sonography (JDMS)

Journal Article            October 2011            (1 CME credit)

SOCIETY OF DIAGNOSTIC MEDICAL SONOGRAPHY ANNUAL CONFERENCE

Society of Diagnostic Medical Sonography  
Atlanta, GA                      September 2011                      (20.5 CME credits)

ULTRASOUND STUDENT ASSESSMENT (USA) PROJECT ANALYSIS  
Pegasus Lectures, Inc.  
Webinar                      November 2010                      (1 CME credit)

SOCIETY OF DIAGNOSTIC MEDICAL SONOGRAPHY ANNUAL CONFERENCE  
Society of Diagnostic Medical Sonography  
Denver, CO                      October 2010                      (16 CME credits)

SOCIETY OF DIAGNOSTIC MEDICAL SONOGRAPHY ANNUAL CONFERENCE  
Society of Diagnostic Medical Sonography  
Nashville, TN                      October 2009                      (12 CME credits)

CHARACTERIZING TRIPHASIC, BIPHASIC, AND MONOPHASIC DOPPLER  
WAVEFORMS  
Journal of Diagnostic Medical Sonography (JDMS)  
Journal Article                      September 2009                      (1 CME credit)

SOCIETY OF DIAGNOSTIC MEDICAL SONOGRAPHY ANNUAL CONFERENCE  
Society of Diagnostic Medical Sonography  
Mashantucket, CT                      October 2008                      (7 CME credits)

SOCIETY OF DIAGNOSTIC MEDICAL SONOGRAPHY ANNUAL CONFERENCE  
Society of Diagnostic Medical Sonography  
Las Vegas, NV                      October 2007                      (22 CME credits)

SONOGRAPHY EDUCATORS RETREAT  
Seattle University (Sponsored by GE Medical Systems)  
Milwaukee, WI                      August 2007                      (14.5 CME credits)

DIAGNOSIS AND TREATMENT OF CAROTID ARTERY DISEASE  
American Society of Radiologic Technologists-Department of Education  
Directed Readings                      July 2007                      (1.5 CME credits)

SOCIETY OF DIAGNOSTIC MEDICAL SONOGRAPHY ANNUAL CONFERENCE  
Society of Diagnostic Medical Sonography  
Denver, CO                      October 2006                      (14.25 CME credits)

SOCIETY FOR VASCULAR ULTRASOUND CONFERENCE  
Society for Vascular Ultrasound  
Philadelphia, PA                      June 2006                      (14 CME credits)

VASCULAR SOCIETY OF NEW JERSEY ANNUAL MEETING  
St. Joseph's Regional Medical Center  
Paterson, NJ                      March 2006                      (2 CME credits)

SOCIETY OF DIAGNOSTIC MEDICAL SONOGRAPHY ANNUAL CONFERENCE

Society of Diagnostic Medical Sonography  
Dallas, TX                      October 2005                      (22 CME credits)

THE LEADING EDGE IN DIAGNOSTIC ULTRASOUND CONFERENCE

Thomas Jefferson University  
Atlantic City, NJ                      May 2005                      (13.5 CME credits)

ADVANCES IN VASCULAR IMAGING & DIAGNOSIS CONFERENCE

Albert Einstein College of Medicine  
New York, NY                      November 2004                      (18 CME credits)

SOCIETY OF DIAGNOSTIC MEDICAL SONOGRAPHY ANNUAL CONFERENCE

Society of Diagnostic Medical Sonography  
New Orleans, LA                      October 2004                      (18 CME credits)

THE LEADING EDGE IN DIAGNOSTIC ULTRASOUND CONFERENCE

Thomas Jefferson University  
Atlantic City, NJ                      May 2004                      (26.75 CME credits)

ULTRASOUND OF DEEP VEIN THROMBOSIS

MedImage World  
Online                      December 2003                      (1.5 CME credits)

SOCIETY OF DIAGNOSTIC MEDICAL SONOGRAPHY ANNUAL CONFERENCE

Society of Diagnostic Medical Sonography  
Dallas, TX                      October 2003                      (21.25 CME credits)
