Introduction

He was Born in the year 1885 in Fufure Adamawa Emirate to Alkali Muhammadu Fufure. His ancestors migrated form Ngazargamu then to Kukawa, before moving to Dikkwa all in Kanem Borno. From Borno they settled at Ribado, later Fufure before they finally settled in Yola the Headquarter of Adamawa Emirate.

Moddibo Ahmadu was introduced to Islamic education early in life by his father. Later he was taught by renowned scholars in Adamawa such as Modibbo Hammadu, Modibbo Mahmudu son of Alkalli Hamman-joda, the most remarkable Islamic judge in the history of Adamawa Emirate. Having passed through these great Islamic scholars, Modibbo Ahamadu became highly versatile in the field of knowledge such as : Jurisprudence,( Islamic Law) Tafseer ( commentary of the Holy Qur’an) Hadith, Arabic Grammar, Logic, Poetry, Arabic literature, Astronomy , Mathematics and Medicine.

His first appointment in the Adamawa native Authority was in January, 1917 as Malamin Kasa, in Wuro Marafa, Vere District and later Alkalin Ribadu/Fufore in 1935. He was later transferred to Jada as Alkali in 1940, he was transferred to the Alkalin Alkalai court in Yola as the Grand Muffti under his teacher , Modibbo Mahmudu. Thereafter, he worked under some notable alkalis like Hamidu and
Hammangabdo in Yola before he was himself appointed Alkalin Alkalai (Grand Khadi Adamawa Province in 1953, which coincide with the installation of Lamido of Adamawa Alhaji Aliyu Musdafa as the 11th Lamido of Adamawa.

Apart from his achievements in the judicial services with the Adamawa Native Authority from 1917-1957, his greatest achievement was the number of notable Islamic scholars in Adamawa and Cameroon he produced. This included: Modibbo Umaru Ngaundare, one time Imam of Yola Central Mosque, Modibbo Barkindo, Imam of Yola Central Mosque, Modibbo Ahmadu Danburan, Modibbo Umaru Mbamba, Modibbo Abasi Ribadu, Modibbo Yahya Ribadu, Modibbo Muhammadu Alkalin Garua, Modibbo Ibrahim Alkalin Ngaundare, and the Lamido of Adamawa Alhaji Aliyu Musdafa.

He is an honest and pious Islamic judge and scholar, His enduring legacy can be judged from the string of notable Islamic judges and scholars that he nurtured. His thoughts, words and deeds were by the dictates of the sacred book, the Holy Qur’an and until his death in 1960 he was a strong believer in Islam and all that it teachers.
