The Most Outspoken Book Published

“MARRIED LOVE” by Dr. Marie Stopes is the first publication to break down the age-old barrier of prudery which has blocked the door of knowledge. Never before has such a frank, clear, and sensible book been written. If you are married or contemplating marriage you must read “MARRIED LOVE”—you must own a copy, for it is a book that you may turn to again and again for advice upon important personal and matrimonial problems. It points the way to married happiness and health. It is a book of enlightenment, written by Dr. Stopes to kill for all the demon ignorance. It is a straightforward discussion of the vital problems confronting every man and woman.

You Must Read Married Love

“MARRIED LOVE” has helped thousands of men and women to know the real joys of married life. If Dr. Stopes could read some of the numerous letters we receive daily from grateful readers of her book—sincere letters of praise, thankfulness, and enthusiasm—she would feel simply repaid for having devoted her life to tell men and women what they need to know.

1000 Copies of this Remarkable Book to be Sold at the Special Price of 7/6

There is a message for you in Dr. Stopes’ book, that will point the way to the happiness that you have always wanted. Read it to-day. It is a revelation. He needs to write a letter, first fill in coupon and send postal notes for 7/6, and the book will be sent packed in box to pickles wrapper.
