

PAUL EVAN KILGORE

PERSONAL DATA

Address: Department of Pharmacy Practice
Eugene Applebaum College of Pharmacy and Health Sciences
Wayne State University
259 Mack Avenue, Room 2156
Detroit, Michigan 48201

E-mail: paul.kilgore@wayne.edu
Office phone: +1-313-577-1215
Office fax: +1-313-577-5369
Home phone: +1-248-646-8712

EDUCATION

1987--1991. Wayne State University, School of Medicine, Detroit, MI. Doctor of Medicine (M.D.).

1985--1987. The University of Michigan, School of Public Health, Ann Arbor, MI. Master of Public Health (M.P.H., Epidemiology).

1981--1985. The University of Michigan, College of Literature, Science and the Arts, Ann Arbor, MI. Bachelor of Science (B.S., Psychobiology).

POST-DOCTORAL TRAINING

1994—1996. US Centers for Disease Control and Prevention. Epidemic Intelligence Service (EIS) Program.

1991--1994. University of Michigan Hospitals. Internship and Residency, Department of Internal Medicine.

EMPLOYMENT

May 1, 2013 to Present. Director of Research, Department of Pharmacy Practice, Eugene Applebaum College of Pharmacy and Health Sciences, Wayne State University, Detroit, Michigan.

September 1, 2011 to Present. Associate Professor, Department of Pharmacy Practice, Eugene Applebaum College of Pharmacy and Health Sciences, Wayne State University, Detroit, Michigan.

January 2006 to June 2011. Senior Scientist, Translational Research Division, International Vaccine Institute, Seoul, South Korea.

June 1999 to December 2005. Research Scientist, Translational Research Division, International Vaccine Institute, Seoul, South Korea.

September 1997 to May 1999. Staff Physician, Primary Care Section, Department of Internal Medicine, Department of Veterans Affairs Medical Center, Atlanta, GA.

July 1996 to May 1999. Medical Epidemiologist, Public Health Service, Commissioned Corps. Infant Immunization Activity, Child Vaccine Preventable Diseases Branch, National Immunization Program, Centers for Disease Control and Prevention, Atlanta, GA.

ACADEMIC APPOINTMENTS

2004--2011. Adjunct Professor in Public Health, Graduate School, Seoul National University, Seoul, South Korea.

2008--2011. Collaborating Scientist, Institute of Tropical Medicine, Nagasaki University, Nagasaki, Japan.

HONORS AND AWARDS

2009, Long-term Service Award, International Vaccine Institute, Seoul, Korea.

1998, Distinguished Service Award, National Immunization Program, U.S. Centers for Disease Control and Prevention.

1996, Outstanding Unit Citation, Childhood Immunization Initiative, National Immunization Program, U.S. Centers for Disease Control and Prevention.

1992, Diplomat, National Board of Medical Examiners, Philadelphia, Pennsylvania.

1991, Clinical Research Award, Department of Internal Medicine, Wayne State University School of Medicine.

1991, Distinguished Service Award, Wayne State University School of Medicine.

1990, Medical Assistance Program-Reader's Digest International Fellowship.

MEMBERSHIP IN PROFESSIONAL SOCIETIES

Member, International Society for Vaccines
Member, American Telemedicine Association
Member, American Association of Colleges of Pharmacy
Member, American College of Epidemiology
Member, American College of Clinical Pharmacy
Member, American College of Physicians
Member, American Public Health Association
Member, American Society of Microbiology
Member, Infectious Disease Society of America
Member, Society of Epidemiologic Research
Member, Society for Clinical Trials
Member, Society for General Internal Medicine

PEER-REVIEWER FOR SCIENTIFIC JOURNALS

TEACHING ACTIVITIES

Department of Pharmacy Practice Course. Course Director, Pharmacy Curriculum Core Course, Population-Based Medication Management (PPR 6290), Winter 2015.

Department of Pharmacy Practice Course. Course Director, Elective Course, Vaccines in Clinical and Public Health Practice (PPR 7225), Winter 2015.

Department of Pharmacy Practice. Course Director, Elective Course, Directed Student Research Mentoring, Spring Summer 2012, Spring Summer 2013, Spring Summer 2014, Winter 2015.

Department of Pharmacy Practice. Course Director, Elective Course, Directed Student Research Mentoring, Spring Summer 2012, Spring Summer 2013, Spring Summer 2014.

Department of Pharmacy Practice Course. Course Director, Elective Course, Vaccines in Clinical and Public Health Practice (PPR 7225), Spring-Summer 2013, Winter 2014 and Spring-Summer 2014 Terms.

Department of Pharmacy Practice Course. Course Director, Elective Course, Population-Based Medication Management (PPR 6290), Winter 2014 Term.

International Faculty, The 14th International Advanced Course on Vaccinology in Asia-Pacific Regions, International Vaccine Institute, May 2014.

International Faculty, The 13th International Advanced Course on Vaccinology in Asia-Pacific Regions, International Vaccine Institute, May 2013.

International Faculty, The 12th International Advanced Course on Vaccinology in Asia-Pacific Regions, International Vaccine Institute, May 2012.

Course Director, The 11th International Advanced Course on Vaccinology in Asia-Pacific Regions, International Vaccine Institute, May 2011.

International Faculty, Advanced Epidemiology and Vaccinology Course, Seoul National University, Seoul, South Korea. September 2004 to present.

International Faculty, The 10th International Advanced Course on Vaccinology in Asia-Pacific Regions, International Vaccine Institute, May 2010.

International Faculty, The 9th International Advanced Course on Vaccinology in Asia-Pacific Regions, International Vaccine Institute, May 2009.

International Faculty, The 8th International Advanced Course on Vaccinology in Asia-Pacific Regions, International Vaccine Institute, May 2008.

International Faculty, The 7th International Advanced Course on Vaccinology in Asia-Pacific Regions, International Vaccine Institute, May 2007.

International Faculty, The 6th International Advanced Course on Vaccinology in Asia-Pacific Regions, International Vaccine Institute, May 2006.

International Faculty, The 5th International Advanced Course on Vaccinology in Asia-Pacific Regions, International Vaccine Institute, May 2005.

International Faculty, The 4th International Advanced Course on Vaccinology in Asia-Pacific Regions, International Vaccine Institute, May 2004.

International Faculty, The 3rd International Advanced Course on Vaccinology in Asia-Pacific Regions, International Vaccine Institute, May 2003.

Coordinator, Workshop, *“Global Initiatives for Accelerating Rotavirus Vaccine Introduction: Clinical Epidemiologic and Safety Considerations for Rotavirus Vaccine Introduction”*, February 20-21, 2003. International Network of Clinical Epidemiology (INCLIN), Global Meeting XIX.

Coordinator, *“Vaccine Evaluation in Developing Countries”*, International Course Sponsored by the International Vaccine Institute, Singapore, December 2002.

Lecturer, *“Population-Based Surveillance for Haemophilus influenzae type b Disease in Korea”*, Seminar to Korean Field Epidemiology Training Program, Korea National Institute of Health, Jeju Island, Korea, November 2002.

Lecturer, *“Vaccine Evaluation in Developing Countries”*, International Course Sponsored by the International Vaccine Institute, Ho Chi Minh City, Vietnam, December 2001.

Lecturer, *“Vaccine Evaluation in Developing Countries”*, International Course Sponsored by the International Vaccine Institute, Nha Trang, Vietnam, December 2000.

Coordinator, Seminar Series, *“Statistics in Epidemiology”*, Department of Statistics, Seoul National University, Seoul, Korea, 1999-2000.

Lecturer, *“The U.S. CDC Epidemic Intelligence Service and Training in Epidemiology”*, Seminar to Korean Field Epidemiology Training Program, Korea National Institute of Health, 1999.

Lecturer, *“Descriptive Epidemiology”*, Public Health and Prevention Service Fellows National Immunization Program, Centers for Disease Control and Prevention, Atlanta, USA, March 8, 1998.

Seminar Leader, “*Case study of Oswego: An Outbreak of Gastrointestinal Illness Following a Church Supper*”, Epidemiology in Action Course, U.S. Centers for Disease Control and Prevention, Atlanta, GA. November 6, 1995.

COMMITTEE AND ADMINISTRATIVE SERVICE

Department of Pharmacy Practice, Tenure-Track Faculty in Pharmacoepidemiology, Health Outcomes and Pharmaco-economics Search Committee Member, 2014.

Michigan State Medical Society State Level Committee on Michigan’s Public Health. January 2013 to present.

Pharmacy Practice Graduate Program Development Committee, February 2014 to Present.

Department of Pharmacy Practice Leadership Committee, 2013 to Present.

Chair, Faculty Search Committees for recruitment of tenure track faculty in pharmacy practice and translational research (2 new faculty recruited), Department of Pharmacy Practice, 2013 and 2014.

Assessment Committee, Department of Pharmacy Practice, 2011—2013.

Scientific Peer-Reviewer, US National Institutes of Health, US Agency for International Development and National Science Foundation PEER Grant Program, February 2013.

International Sources for Research Committee, WSU Campus Wide Committee convened by Wayne State University Vice President for Research, 2011—2012.

Scientific Peer-Reviewer, US National Institutes of Health, National Institute of Allergy and Infectious Diseases, for review of the Vaccine and Treatment Evaluation Units (VTEUs), January 2013.

Scientific Grants Reviewer, United States, Patient-Centered Outcomes Research Institute (PCORI), Sept 2012 to present.

Scientific Grant Applications Peer-Reviewer for Oak Ridge Associated Universities, Oak Ridge, TN; May 2012.

Journal Editorial Board Member, May 2012 to present, *Clinical and Experimental Vaccine Research*. Committee on International Sources for Research, Wayne State University, Campus-Wide, February 2012 to present.

Committee for Pharmacy Social/Administrative/Behavioral Sciences Curriculum, Eugene Applebaum College of Pharmacy and Health Sciences, Wayne State University, October 2011 to present.

Journal Editorial Board Member, Interdisciplinary Perspectives on Infectious Diseases, 2010—2011.

Member, Committee for Development of Standard Operating Procedures, International Vaccine Institute, 2010.

Grant Reviewer, US National Institutes of Health, National Institute of Allergy and Infectious Diseases, 2010.

Member, Committee for Development of Institutional Guidelines for Pandemic Influenza Management, 2009—2010.

Grant Reviewer, Meningitis Research Foundation, 2006 to present.

Grant Reviewer, Research Council of Norway, 2007.

Grant Reviewer, Thrasher Research Foundation, 2005 to present.

Member, International Vaccine Institute, Institutional Review Board (IRB), 2000—2005.

OTHER PROFESSIONAL TRAINING

Academy for Academic Leadership (AAL), Chairs and Academic Administrators Management Program (CAAMP), July 17—19, 2014.

American Association of Colleges of Pharmacy (AACP), Teaching Institute, 2013.

Good Clinical Practices (GCP) Certification Training Course, CITI Program through Wayne State University, 2012.

Workshop, “*Developing a Teaching Portfolio*”, Office for Teaching and Learning, Wayne State University, Detroit, Michigan, September 16, 2011.

Good Clinical Practices Certification Training Course, International Vaccine Institute, Seoul, South Korea, 2009.

Protecting Human Subjects, Computer-Based Training (CBT) course, United States National Institutes of Health (US NIH), 2009, 2012.

Good Clinical Practices (GCP) Certification Training Course, International Vaccine Institute, Seoul, South Korea, 2006.

Good Clinical Practices (GCP) Certification Training Course, International Vaccine Institute, Seoul, South Korea, 2004.

Clinical Tropical Medicine Update Course, 46th Annual Meeting of the American Society of Tropical Medicine and Hygiene, Orlando, FL. December 6 and 7, 1997.

Regression Modeling in Epidemiologic Research Course, April 1997.

Case-Control Studies Course, February 1997.

Basic Project Officer Course, February 1997.

Vaccine-Preventable Diseases Satellite Course, Atlanta, GA, April 1997.

Prevention Effectiveness Course, Atlanta, GA, October 1995.

Fundamentals of the SAS System, US CDC, 1994.

Scientific Communication, Atlanta, GA, October 1994.

Research Methods in Epidemiology, CDC, 1994.

PROFESSIONAL CERTIFICATIONS

Good Clinical Practices Certification

Board Certified, National Board of Public Health Examiners

SCIENTIFIC GRANT FUNDING (obtained since September 1, 2011)

Co-Principal Investigator (with Dr. Anthony Pattin). <i>The Advancement of Community Pharmacy through Scholarship, Education, and Collaboration at Eugene Applebaum College of Pharmacy and Health Sciences, Wayne State University.</i>	National Association of Chain Drug Stores	2014-2015	\$20,000
Co-Principal Investigator (with Dr. Mark Zervos, Henry Ford Health System). <i>Pneumococcal Disease Prevention Initiative: Integrated Interventions for Improved Adult Immunization Rates.</i>	Pfizer Educational Grants Program	2013-2014	\$350,000
Co-Principal Investigator (with Dr. Weisong Shi, Department of Computer Science, WSU). <i>Mobile Immunization Tracking and Information System.</i>	Grand Challenges Explorations Grant Award Bill and Melinda Gates Foundation	2013—2014	\$100,000
Co-Investigator (with Dr. Susan Davis, Henry Ford Health System). <i>Antimicrobial stewardship provided through novel approaches to optimize pharmacists workflow (Stewardship-NOW).</i>	ASHP/ASHP Foundation Pharmacy Practice Model Initiatives	2013—2014	\$25,000
Co-Investigator (with Dr. Henry Wang). <i>Development of a Scalable Platform for Precision Disease Diagnosis Linked to Guided Medication Therapy.</i>	Global Third Century Fund, The University of Michigan.	2013--2014	\$15,000
