Come Spring Patents Coloring Book – April 2018 – Compiled by PTRC Librarian Paulina Borrego

This coloring book contains a patent image from each of the patents or patent applications listed below. While patents or patent applications can be many pages, a single image was chosen for this coloring book.

There are three types of United States patents: Utility patents, Design patents, and Plant patents. The list below contains three early plant patents designated with the prefix PP, many design patents designated with the prefix D, and one utility patent.

To learn more about patents contact the UMass Amherst Patent & Trademark Resource Center Librarian Paulina Borrego pborrego@library.umass.edu. The UMass Amherst Libraries Patent and Trademark Resource Center (PTRC) is part of a nationwide network of public, state, and academic libraries that are designated by the USPTO (United States Patent and Trademark Office) to disseminate patent and trademark information and to support the diverse intellectual property needs of the public.
