“Is Anything Naturally a Monopoly?” Presented at the annual meeting of the Midwest Law & Economics Association, October 10, 2003.

“Why One Cartel Fails and Another Endures: The Joint Executive Committee and the Railroad Express.” Presented to the following:

- Midwest Economics Association, St. Louis, MO, March 30, 2003.
- Indiana University-Purdue University Indianapolis, October 16, 2003

"Deregulation of Energy is Still the Answer," luncheon address to Energy Workshop of Indiana Industrial Energy Consumers (INDIEC), Indianapolis, IN, May 10, 2001.

"The Meaning of 'Property Rights: Law vs. Economics?'" (with Daniel H. Cole); keynote address to the European Law and Economics Association, Ghent, Belgium, September 14, 2000.

"Environmental Instrument Choice: Compliance Costs Do Not Equal Total Costs," (with Daniel H. Cole). Presented at:

- The Southern Economic Association annual meeting, November 22, 1999.

“When is Command-and-Control Efficient? Modeling the Comparative Efficiency of Alternative Regulatory Regimes.” (with Daniel H. Cole) Presented to the following:

- International Society for the New Institutional Economics annual conference, Paris, France, September 17-19, 1998.
- Colloquium, Indiana University Law School, Indianapolis, September 8, 1998.

"The Dynamics of Hungary's Great Inflation" (with János Horváth). Presented to the following:

- 1997 Conference on Central and Eastern Europe, New College, the University of South Florida, Sarasota, FL, April 5, 1997.
- International Atlantic Economic Association, Philadelphia, PA, October 10, 1997

- Indiana University-Purdue University Indianapolis, April 23, 1998.
  - Federal Reserve Bank of St. Louis, June 24, 1998.
- Abstract published in *International Advances in Economic Research*, 4 (2): 203.

"Rules and Reform: The Prospects for Russia." Presented at:  
 ·The Hudson Institute, Indianapolis, IN, May 14, 1996.

"Notes on the Economics of Regulatory Takings." Presented to a Conference entitled, "Big Government Versus Private Property," sponsored by the Indiana Civil Liberties Union and the Indiana University School of Law, April 19, 1996.  
 Member of the Conference Organizing Committee.

"When a Natural Monopoly is Not Naturally a Monopoly," Presented to the following:  
 ·Faculty Research Seminar, Butler University, March 8, 1996.  
 ·Economics Workshop, Washington University (St. Louis), March 13, 1996.  
 ·Midwest Economics Association meeting, Chicago, IL, March 22, 1996.

"Fiscal Crises and Institutional Change: A Historical Exploration." Presented to the following:  
 ·Allied Social Science Associations annual meeting, San Francisco, CA, January 6, 1996.  
 ·Economic History Workshop, Indiana University, September 19, 1996.  
 ·Indiana Academy of the Social Sciences, October 11, 1996.

"No Earnings or Asset Information, Can a Stock Have a Price? Evidence from the Express Industry, 1875-1897." Presented to the following:  
 ·Economic History Workshop, Indiana University, January 19, 1995.  
 ·Economics Seminar, IU-PUI, February 2, 1995.  
 ·Joint Industrial Organization/Economic History Workshop, Washington University (St. Louis), March 13, 1995.  
 ·Economic History Workshop, University of Illinois, April 28, 1995.  
 ·Economics Seminar, Ball State University, January 19, 1996, (under revised title, "Public Information and 19th Century Share Price Movements: Evidence from the Express Industry.")

"Punctuated Equilibria: A Model and Application of Evolutionary Economic Change." Presented at:  
 ·Western Economic Association meeting, Lake Tahoe, Nevada, June 24, 1993 (with Arthur T. Denzau).

"The Dynamics of a Stable Cartel: The Express 1851-1913." Presented to the following:  
 ·Cliometric Society Sessions, ASSA meeting, New Orleans, LA, January 3, 1992.  
 ·Economic History Seminar, University of Illinois, Champaign-Urbana, February 11, 1994.

"Golden Silence: Why the Railroad Express Chose Not to Incorporate." Presented to:  
 ·The Business History Conference, Pasadena, CA, March 7, 1992.

"The Institutional Origins of the Private Express Service in the United States." Presented to The Economic and Business Historical Society, Houston, TX, April 24, 1991.

## Work in Progress

“Implications of Non-linearity in a ‘Weitzman’ Model.”

***The Law and Economics of Environmental Protection***, book, (with Daniel Cole and Shi-Ling Hsu)

## Publications (Non-academic)

### Book:

***In Came the Darkness***, Four Winds, New York, 1981, (high school level study of electric power development).

### Articles:

More than 150 articles including opinion pieces and magazine features for such publications as ***The Wall Street Journal***, ***The Plain Dealer***, ***Christian Science Monitor***, ***Indianapolis Star***, ***The Providence Journal***, ***Money***, ***Financial World***, and ***Saturday Review***.

### Op-Eds:

1. “Here We Go Again with a Blueprint to Nowhere,” ***Indianapolis Business Journal***, May 7, 2011.
2. “Bill Gates Wants to Spend Your Money,” ***Indianapolis Business Journal***, July 24, 2010.
