Bringing Multiple Scholarly Services Under One Umbrella
Creating a Digital Scholarship Center

WHAT WE ARE GOING TO DO
• New space in the renovation plans of the Hale Library
• Build & nurture relationships with key campus partners
• Increase publications into further areas; textbooks and special publications
• OA Week Events, Provost Lecture Series, and other impactful events to promote OA and digital scholarship
• Build grassroots support for a university-wide OA policy
• Extend copyright services
• Explore options for a JD position

WHAT WE DID
• Task force separated Digitization & Digital Scholarship
• Pulled like services under one canopy
  • Data services
  • Open Access (OA) initiatives & outreach
  • OA publishing (New Prairie Press)
  • The institutional repository (K-REx: K-State Research Exchange)
  • Copyright services
• Created the Center for The Advancement of Digital Scholarship
  • New Director role
  • 2 new Digital Scholarship positions

WHAT WE ARE DOING
• Aligning vision, goals and services to the university
• Building & improving the center’s web pages
• Updating resources and tools
• Forging relationships with campus units & extending existing ones
• Improving digital scholarship ingest workflows
• Increasing publications in monographs, conferences, and journals
• Setting up SHARE deposit
