ACCEPTABLE CASUALTIES

BY

RICHARD PHILP

**FRIESEN PRESS, COMING
SUMMER 2014**

www.friesenpress.com

"There are countless books about the two, world wars but this one seems to touch on fairly uncommon elements- or perhaps does so in a more accessible way"

"The focus of the narrative voice is on the indomitable human spirit, and on the courage and generosity of brothers-in-arms. That war is a horrible thing to be avoided is a clear and obvious subtext, but the story's actual message is a positive one."

Janet Layberry, Reviewing Editor

About Acceptable Casualties

By the author of the acclaimed *Loyalist Rifleman*, *Acceptable Casualties* is the story of two, Canadian soldiers, friends who fought in the First World War, "The Great War". It is the story of their war and of their lives, their tragedies and their triumphs. One of the men is fictional. The other is not. His story is true. This is as close to a first-hand, soldier's account as can be had in these times.
