6. Next Steps
Digital Scholarship Community: Every College, School, Center, and Unit

• Moving to the next level
  • Each Department has a structure
  • Student works and poster sessions can be published
  • Can use to meet NSF, NIH, EPA data management and data sharing requirements
  • Builds on the prestige of the College
  • Can showcase images on every department structure
  • Provides monthly metrics for faculty
  • Has the back office protocol to support peer review journals
  • Excellent for archival information including audio, video, and images
Digital Commons _ Highlights

• College or School Community Structure
• Unlimited Storage
• 370 Higher Education Institutions
• ROI – Visibility – Recruitment – Student Performance & Success
