Sowing the Seeds of Success: Community Collaboration for College Readiness

CHALLENGE SCHOLARS

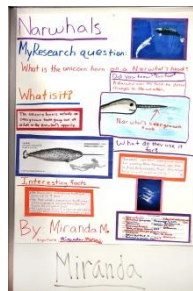

Who:

- 6th Grade Challenge Scholars at Westwood Middle School
- Gayle Schaub, Lindy Scripps-Hoekstra, University Libraries
- Susan Carson, College of Education
- Students in ED315, *Diverse Perspectives on Education*

What:

- Information literacy workshops, September-December 2014
- The research process, from topic development to citing sources
- Small groups worked with GVSU COE students as research assistants
- Final research exhibition held in the Mary Idema Pew Library

Why:

- Provide Information literacy critical for academic success
- Identify the *essential* elements of what we teach (to younger students)
- Encourage students from an underserved school to become the next generation of Lakers

Encouraging curiosity
and fostering a
college-going culture
