In 2014, *Northwestern University Law Review Colloquy* was renamed *Northwestern University Law Review Online*.

(The SJR ranking is only two years out of date. *Id.*) I am also including my **forthcoming** publication in *Military Law Review*.

^{ix} “A*” is the *highest* ranking given by the Australia Research Council. Only the top 51 journals—among 1167 law journals worldwide—received the ARC’s “A*” ranking. For example, the *Oxford Journal of Legal Studies* and *Yale Law Journal* received the ARC’s “A*” ranking. By contrast, journals ranked between 52 and 203—among 1167 law journals worldwide—received the ARC’s “A” ranking. *See supra* note viii.
