**Lecture: Asking and Answering Questions: Research as a Way of Our Life and Work.**

**14<sup>th</sup> December, 2016 4pm**

Note: Complete the following table including a question that arose in your mind from your own observations. The question should be concerned with your field of work. It should be a question whose answer you do not know, and would like to find the answer. It should be only ONE SENTENCE WITH A QUESTION MARK AT THE END.

Name	Position	Field of interest	Question
Eugene Rutaganda	Lecturer in Finance	Financial Risk management	How to use derivatives especially options in commodity market in Africa?
Prosper Nkurunziza	Dean/Faculty of Business Management and Economics	Rural development	How can rural electrification improve rural economy in rural areas in Africa?
