Doctoral Student of the Year Award—Health Promotion, Education, & Behavior	2013
South Carolina Black Pride, Inc. Flamethrower Award	2011
University of South Carolina Graduate Incentive Scholarship	2001-2002
Wake Forest University Carswell Scholarship for Excellence in Academics	1997-2001
Wake Forest University William Louis Poteat Scholarship	1997-2001

GRANT, CONTRACT, AND FELLOWSHIP AWARDS

Southeast Health District Wellness Centers Needs Assessment

Agency: Department of Health Policy & Community Health and Center for Public Health Practice and Research, Jiann-Ping Hsu College of Public Health, Georgia Southern University
Funding: Ware County Board of Health, Ryan White Program
Role: Principal Investigator

Dates: 10/1/2020-8/31/2021

Total Funding: \$9,002.25

Public Health Departments and Community Engagement (Commissioned Paper)

Agency: Center for Public Health Practice and Research, Jiann-Ping Hsu College of Public Health, Georgia Southern University

Funding: Public Health Accreditation Board

Role: Principal Investigator

Dates: 11/15/2019-3/31/2020

Total Funding: \$20,000.00

Project P²: Power In Prevention

Agency: Department of Community Health Behavior and Education, Jiann-Ping Hsu College of Public Health, Georgia Southern University

Funding: Gilead Sciences, Inc.

Role: Principal Investigator

Dates: 7/1/2018-6/30/2019

Total Funding: \$134,497.00

(This grant was awarded but not funded due to contractual negotiation issues)

PrEP U: HIV Prevention Education for University Student Health Centers

Agency: Department of Health Policy & Community Health and Center for Public Health Practice & Research, Jiann-Ping Hsu College of Public Health, Georgia Southern University

Funding: Integritas Communications Group

Role: Faculty/Steering Committee

Dates: 9/1/2018-7/30/2019

Total Funding: \$14,000.00

Disease Investigation Specialist Education for the Future (Commissioned Paper)

Agency: Center for Public Health Practice and Research, Jiann-Ping Hsu College of Public Health, Georgia Southern University

Funding: Public Health Accreditation Board

Principal Investigator: William A. Mase, DrPH

Role: Co-Investigator

Dates: 5/1/2017-12/31/2017

Total Funding: \$25,000.00

Southeast Health District Wellness Centers Needs Assessment

Agency: Department of Community Health Behavior & Education and Center for Public Health Practice and Research, Jiann-Ping Hsu College of Public Health, Georgia Southern University

Funding: Ware County Board of Health, Ryan White Program

Role: Principal Investigator

Dates: 3/1/2018-1/31/2019

Total Funding: \$7,424.04

Project PrEP: A Community Health Education Initiative

Agency: Department of Community Health Behavior and Education, Jiann-Ping Hsu College of Public Health, Georgia Southern University
Funding: Gilead Sciences, Inc.
Role: Principal Investigator
Dates: 1/1/2016-3/31/2017
Total Funding: \$122,089.00

Southeast Health District Wellness Centers Needs Assessment

Agency: Department of Community Health Behavior & Education and Center for Public Health Practice and Research, Jiann-Ping Hsu College of Public Health, Georgia Southern University
Funding: Ware County Board of Health, Ryan White Program
Role: Principal Investigator
Dates: 2015-2016
Total Funding: \$6,152.67

Frequency and Attributions of Discrimination Experiences among Lower- and Middle-Income African-Americans

Agency: College of Social Work, University of South Carolina
Funding: ASPIRE I, University of South Carolina
Principal Investigator: Ronald O. Pitner, PhD
Role: Co-Principal Investigator
Dates: 2014-2015
Total Funding: \$14,601.70

Sexual Health in Faith Traditions (SHIFT) Study

Agency: Department of Health Promotion, Education, and Behavior, Arnold School of Public Health, University of South Carolina
Funding: Provost Funds for Doctoral Students
Role: Principal Investigator
Dates: 2011
Total Funding: \$1,000.00

Real Talk about HIV/AIDS: A Faith-Based HIV Prevention Initiative

Agency: Community Christian Methodist Episcopal Church
Funding: South Carolina HIV/AIDS Council/Project F.A.I.T.H. (Fostering AIDS Initiatives that Heal)
Role: Principal Investigator
Dates: 2007-2010
Total Funding: \$21,000.00

ACADEMIC APPOINTMENTS

Associate Professor with Tenure

2019-Present

*Department of Health Policy & Community Health
Jiann-Ping Hsu College of Public Health
Georgia Southern University
Statesboro, GA*

Assistant Professor**2014-2019**

*Department of Community Health Behavior and Education
Jiann-Ping Hsu College of Public Health
Georgia Southern University
Statesboro, GA*

Affiliate Faculty**2020-Present**

*Center for Public Health Practice and Research
Jiann-Ping Hsu College of Public Health
Georgia Southern University
Statesboro, GA*

Affiliate Faculty**2017-Present**

*Women's, Gender, and Sexuality Studies Program
College of Arts and Humanities
Georgia Southern University
Statesboro, GA*

PROFESSIONAL EXPERIENCE

*University of South Carolina College of Social Work
Columbia, SC*

Postdoctoral Fellow**2013-2014**

Served as the project coordinator for the I. DeQuincey Newman Institute for Peace and Social Justice.

- Engaged in research projects supporting the Director of the Newman Institute.
- Wrote grant applications to secure funding for community-engaged change projects.
- Established strategic partnerships with new community partners.
- Taught three masters-level social work courses.

*University of South Carolina College of Social Work
Columbia, SC*

Program Director**2011-2013**

Directed the Community Empowerment Center, a community-engaged program to create healthy and safe neighborhood environments for children and families living in a Columbia Housing Authority (CHA) public housing complex in Columbia, South Carolina.

- Developed curricula and learning materials for capacity-building workshops aimed at assisting community members in identifying community-level concerns and developing community-generated, community-engaged, community-level environmental interventions.
- Planned and executed community programs to increase project visibility and recruit community members as participants.
- Provided technical assistance to community members/organizations who had been awarded mini-grants to implement community-level interventions.

- Developed and maintained relationships with community leaders and community members.
- Used web-based social media to engage community members, elected officials, and other stakeholders in project activities.
- Served as field preceptor for four masters-level social work students and two graduate assistants.

*CDC/ASPH Institute for HIV Prevention Leadership, University of South Carolina
Columbia, SC*

Director/Research Associate

2006-2011

Coordinated the delivery of comprehensive capacity-building assistance programming for HIV prevention program managers working in community-based organizations. Funded through a cooperative agreement with the Centers for Disease Control and Prevention's Division of HIV/AIDS Prevention.

- Oversaw day-to-day operations in planning, implementation, and evaluation of capacity-building activities.
- Managed on-site delivery of capacity-building training sessions, including: assigning staff tasks & responsibilities; managing the instructional environment; addressing participant needs and concerns; and remediating instructional issues.
- Oversaw the development of learning materials and administration of a robust evaluation plan.
- Assisted in curriculum development and revision.
- Supervised and coordinated staff activities between on-site instructional sessions.
- Developed, implemented, and evaluated continuing education programming for Institute graduates.
- Assisted scholars in acquisition and retention of new learning material.
- Graded and gave feedback on scholars' assignments in a timely manner.
- Coordinated the completion and submission of quarterly and annual reports.
- Coordinated meetings and communication between project partners.
- Developed promotional materials and represent the Institute at professional meetings and conferences.

*National Institute for Occupational Safety and Health
Columbia, SC/Cincinnati, OH*

Health Communications Specialist/Program Manager

2003-2006

Managed the Stop Sticks Project, a five-year field demonstration project aimed at preventing workplace HIV and hepatitis exposures among health care workers in Columbia, South Carolina.

- Developed articles, posters, and other printed education materials on sharps injury prevention for distribution to health care facilities.
- Planned and coordinated discussion forums, safety device fairs, and safer technique demonstrations for health care workers at partner facilities.
- Conducted educational sessions on occupational HIV and hepatitis infection, blood and body fluid exposures, and sharps injury prevention at health care facilities.
- Developed and administered contracts with partner organizations.

- Conducted focus group needs assessments with health care workers at participating health care facilities.
- Collected and analyzed pre- and post-test survey data from participating health care facilities.
- Supervised contract workers hired to assist with data collection.
- Developed and maintained working relationships with community partners and field experts.
- Presented findings from the Stop Sticks Project at professional meetings and conferences.

*Columbia Area Health Professions Partnership Initiative
Columbia, SC*

Fellow/Graduate Assistant

2001-2003

Facilitated Health Careers Club meetings for middle and high school students at predominantly African-American schools in Columbia.

- Identified public health workers to serve as guest speakers for Health Careers Clubs and Public Health Seminar classes sponsored by the Health Professions Partnership Initiative (HPPI).
- Conducted presentations about public health to undergraduate students at Historically Black Colleges and Universities (HBCUs).
- Designed a biannual newsletter chronicling HPPI activities.
- Assisted in the development of public health career literature to be distributed to African-American students in Columbia.
- Coordinated field trips and Public Health Career Awareness Day fairs for secondary school and undergraduate students in South Carolina.

CONTRACTUAL AND VOLUNTEER EXPERIENCE

*Palmetto AIDS Life Support Services (PALSS)
Columbia, SC*

Evaluator

2007-2014

Provided independent evaluation services for the Columbia Community PROMISE program, a community-level intervention targeting African-American men living in the greater Columbia area.

- Developed formative evaluation instruments and protocols to determine baseline levels of the outcomes of interest.
- Designed outcome evaluation tools and protocols for project staff.
- Coordinated the implementation of the intervention's evaluation plan.
- Collected and analyzed data from evaluation activities.
- Reviewed program indicators, objectives, logic models, and other measurement guides.
- Conferred with the Program Manager and Executive Director to assess issues, barriers, challenges, opportunities, and successes of the intervention.
- Wrote quarterly and annual reports for submission to funders.

*Community Christian Methodist Episcopal Church
Columbia, SC*

Project Coordinator

2007-2010

Planned, implemented, and evaluated the “Real Talk about HIV/AIDS” HIV prevention program targeting African-Americans living in the Eau Claire community of Columbia. Funded through a grant from the South Carolina HIV/AIDS Council and the South Carolina Legislature.

- Organized HIV Care Team meetings and activities.
- Developed group-level intervention curricula for young people to be implemented in a church setting, as well as for parents regarding communication with young people about sex and sexuality.
- Coordinated community-wide HIV/AIDS summits and women’s retreats.
- Developed evaluation instruments and analyzed evaluation data collected through program activities.
- Managed budget and procurement of materials for the project.

*South Carolina HIV Planning Council
Columbia, SC*

Evaluator

2007-2009

Conducted a statewide quantitative/quantitative needs assessment examining HIV prevention program participation among African-American men who have sex with men (AAMSM) in South Carolina.

- Collaborated with the HIV Planning Council’s AAMSM Workgroup to develop survey and focus group guide.
- Administered surveys and conducted focus groups in cities identified by the AAMSM Workgroup.
- Collected and analyzed data from surveys and focus groups.
- Reported findings and recommendations to the HIV Planning Council.

*OutSmart in the Midlands
Columbia, SC*

Facilitator/Volunteer

2005-2007

Facilitated support meetings for young gay, lesbian, bisexual, transgender, and questioning youth living in the greater Columbia area.

*South Carolina HIV/AIDS Council
Columbia, SC*

Peer Health Advocate

2002

- Recruited African-American males age 13-24 to participate in the Between Brothers program.
- Co-facilitated discussions and workshops on topics including spirituality, HIV prevention, emotional well-being, and life skills.
- Assisted with registration and pre-test counseling at mobile HIV testing sites.
- Developed a quarterly newsletter describing program activities and providing information about the program.
- Presented information on best practices at conferences such as the annual South Carolina HIV/STD Conference.

- Received American Red Cross HIV/AIDS Starter Facts and SC DHEC HIV Counseling & Testing certification.
- Designed and approved literature about the program for distribution to the target population.
